any act done pursuant to such notice Trustor and Beneficiary intend that this assignment shall be a present, absolute and unconditional assignment, not an assignment for additional security only, and shall, immediately upon the execution hereof, subject to the license granted above, give Beneficiary, and its agent, the right to collect the rents, issues, profits and income and to apply them as aforesaid Nothing contained herein, nor any collection of rents, issues, profits and income by Beneficiary, or its agent, or a receiver, shall be construed to make Beneficiary a *Mortgagee-in-Possession* of the Property so long as Beneficiary has not itself entered into actual possession of the Property or shall be construed to be an assumption of liability by Beneficiary under, or a subordination of, the lien of this Deed of Trust, to any tenancy, lease or option Trustee agrees to provide Beneficiary with updated leases within thirty (30) days of any request by Beneficiary

- b Any award of damages in connection with any condemnation for public use of, or injury to the Property, or any part thereof, is hereby assigned and shall be paid to Beneficiary, who may apply or release such moneys received by Beneficiary in the same manner and with the same effect as herein provided for disposition of proceeds of insurance

8. *Performance by Trustee or Beneficiary.*

- a Should the Trustor fail to make any payment or perform any act which Trustor is obligated to make or perform hereby, then the Trustee, or Beneficiary, at the election of either of them, but without any obligation to do so, without demand or notice to the Trustor, or any successor in interest of the Trustor and without releasing Trustor from any obligation hereunder, may make such payment or perform such act and incur any liability, or expend whatever amounts, in its absolute discretion, it may deem necessary therefor All sums incurred or expended by the Trustee or Beneficiary, under the terms hereof, shall become immediately due and payable by the Trustor to the Trustee or Beneficiary when so incurred or expended, and shall bear interest until paid at an annual percentage rate equal to the *Default Rate* which is set forth in the Note In no event shall payment by Trustee or Beneficiary be construed as a waiver of the default occasioned by Trustor's failure to make such payment or payments
- b If, during the existence of the trust created hereby, there is commenced or pending any suit or action affecting the Property, or any part thereof, or the title thereto, or if any adverse claim for or against the Property, or any part thereof, is made or asserted, the Trustee or Beneficiary may appear or intervene in the suit or action and retain counsel therein and defend same, or otherwise take such action therein as they may be advised, and may settle or compromise same or the adverse claim, and in the behalf and for any of the purposes may pay and expend such sums of money as the Trustee or Beneficiary may deem to be necessary All such sums incurred or expended by Trustee or Beneficiary under the provisions of this paragraph shall become immediately due and payable by

The Beneficiary may without notice to or consent of Trustor extend the time of payment of any indebtedness secured hereby to any successor in interest of the Trustor without discharging the Trustor from liability thereon.

10. **Reconveyance** Upon receipt of written request from Beneficiary reciting that all sums secured hereby have been paid and upon surrender of this Deed of Trust and the Note secured hereby to Trustee for cancellation and retention, or such other disposition as Trustee, in its sole discretion, may choose, and upon payment of its fees, the Trustee shall reconvey, without warranty all portions of the Property which are then encumbered hereby. The recitals in such reconveyance of any matters of fact shall be conclusive proof of the truth thereof. If there be more than one trustee, either may act alone and execute the trusts upon the request of the Beneficiary, and all his acts thereunder shall be deemed to be the acts of all trustees, and the recital in any conveyance executed by such sole trustee of such request shall be conclusive evidence thereof, and of the authority of such sole trustee to act in accordance therewith.

12. Due on Sale, etc.

- a. If a ***“Transfer of Interest”*** (as defined by Section 12(b) hereof) shall have occurred with respect to the Property, without the prior written consent of Beneficiary having first been obtained, then, at the option of Beneficiary, any indebtedness or obligation which is secured hereby shall immediately become due and payable, without demand or notice, irrespective of the maturity dates which may be expressed in any Loan Documents evidencing such indebtedness or obligation.
- b. A ***“Transfer of Interest”*** shall be deemed to have occurred with respect to the Property if Trustor, or any of them shall sell, transfer, convey or in any manner alienate any interest in the Property or shall enter into an agreement to do so or shall be divested of title to the Property in any manner or way, whether voluntarily or involuntarily, or as otherwise determined pursuant to the due-on-sale clause of the Note.

- due, or (iv) any other default under this Deed of Trust or under the Loan Documents, subject to any applicable notice and cure period

Material representations include, but are not limited to, representations concerning Trustor's occupancy of the Property as Trustor's principal residence, if the same was a requirement of the loan
 - c If Trustor defaults under this Deed of Trust or under any covenant or clause of any loan agreement with Beneficiary, Beneficiary at its option may require immediate payment in full of all sums secured by this Deed of Trust without further demand, subject to any applicable notice and cure periods, and may invoke the power of sale and any other remedies permitted by applicable law. In addition to any other amounts set forth in this Deed of Trust or under the Note, Beneficiary shall be entitled to collect all expenses incurred including, but not limited to, reasonable attorneys' fees, Collection Costs (as defined in the Note), costs of title evidence, and the Trustee's fees (whether any sale is completed or not)

14. Power of Sale; Remedies for Trustor's Default Should Trustor default on its obligations hereunder or under the terms of the Note, then Beneficiary may, by written notice to Trustee, declare Trustor to be in default and that all sums secured hereby are immediately due and payable. At Beneficiary's sole and absolute discretion, any such notice of default may or may not include an election and demand upon Trustee to cause the Property to be sold hereunder. Concurrently with delivery of any demand upon Trustee to cause the Property to be sold, Beneficiary shall deliver to Trustee this Deed of Trust and any Loan Documents in Beneficiary's possession. Upon the occurrence of an Event of Default, as defined by Section 13, and recording of the notice of default and election to sell, as required by Chapter 107 of the Nevada Revised Statutes, then the Trustee, its successors or assigns, on demand by Beneficiary shall sell the Property, in whole or in part, in order to accomplish the objectives of these trusts, in the manner following, namely:

- a The Trustee shall first give notice of the time and place of such sale, in the manner and in accordance with the time periods provided by the laws of the State of Nevada for the sale of real property under execution, and may from time to time postpone such sale by such advertisement as it may deem lawful and reasonable, or without further advertisement by proclamation made to the persons assembled at the time and place previously appointed and advertised for such sale. On the day of sale so advertised, or to which such sale may have been lawfully postponed, the Trustee may sell the property as so advertised, at public auction, at the time and place specified in the notice, either in the county in

which the Property, or any part thereof, to be sold, is situated, or at the principal office of the Trustee, in its discretion, to the highest cash bidder. The Beneficiary or any obligee, creditor, or the holder or holders of the Loan Documents secured hereby may bid and purchase at such sale. The Beneficiary may, after recording the notice of default and election, waive or withdraw the same or any proceedings thereunder, and shall thereupon be restored to his former position and have and enjoy the same rights as though such notice had not been recorded.

- b. The Trustee, upon such sale, shall make (without any express or implied warranty), execute and, after due payment made, deliver to purchaser or purchasers, his or their heirs or assigns, a deed or deeds of the Property so sold which shall convey to the purchaser all the title and rights of the Trustor in and to the Property and possession thereof. The Trustee shall apply the proceeds of the sale thereof in payment, firstly, of the expenses of such sale, together with the reasonable expenses of this trust, including counsel fees, in a reasonable amount, which shall become due upon any default made by Trustor in any of the payments aforesaid, and also all Collection Costs (as defined in the Note) and such sums, if any, as Trustee of Beneficiary shall have paid or incurred for procuring a search of the title to the Property, of any part thereof, subsequent to the execution of the Deed of Trust, and in payment, secondly, in such order as Beneficiary, in its sole and absolute discretion, elects. In absence of such other election by Beneficiary, payments shall be credited in the following order: (i) interest due under the Note, (ii) costs, fees, charges, and advances paid or incurred by Lender/Beneficiary/Trustee or payable to Lender/Beneficiary/Trustee in accordance with or arising out of the Note or this Deed of Trust, and (iii) principal and any other amounts due under the Note. The Trustee shall thereafter pay the balance or surplus of such proceeds of sale, if any, to Trustor, its successor or assigns, or other persons legally entitled thereto, including Broker, per paragraph 6 under Disclosure #7, Subservicing Agreement.
- c. In the event of a sale of the Property conveyed or transferred in trust, or any part thereof, and the execution of a deed or deeds therefor under such trust, the recital therein of default, and of recording the notice of breach and election to sell, and of the elapsing of the three (3) month period, and of the giving of notice of sale, and of a demand by Beneficiary that such sale should be made, shall be conclusive proof of such default, recording, election, elapsing of time, and of the due giving of such notice, and that the sale was regularly and validly made on due and proper demand by Beneficiary, and any such deed or deeds with such recitals therein shall be effectual and conclusive against Trustor, its successors and assigns, and all other persons, and the receipt for the purchase money recited or contained in any deed executed to the purchaser as aforesaid shall be sufficient discharge to such purchaser from all obligation to see to the

proper application of the purchase money, according to the trusts aforesaid. With respect to any of the Property which is personal property, Beneficiary shall have, in the jurisdiction in which enforcement of this Deed of Trust is sought, or in any other applicable jurisdiction, all remedies of a secured party under the Uniform Commercial Code and may require Trustor, on demand, to assemble all such personal property and make the same available to Beneficiary at such places as Beneficiary may select that are reasonably convenient for both parties, whether at the premises of Trustor or elsewhere.

15. Remedies Cumulative and Limitation of Waiver. The rights and remedies of Beneficiary upon the occurrence of one or more defaults by Trustor (whether such rights and remedies are conferred by statute, by rule of law, by this Deed of Trust, or otherwise) may be exercised by Beneficiary, in the sole discretion of Beneficiary, either alternatively, concurrently, or consecutively in any order. The exercise by Beneficiary, or Trustee at the express direction of Beneficiary, of any one or more of such rights and remedies shall not be construed to be an election of remedies nor a waiver of any other rights and remedies Beneficiary might have unless, and limited to the extent that, Beneficiary shall so elect or so waive by an instrument in writing delivered to Trustee. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment, when due, of all other sums so secured or to declare default, as herein provided, for failure to so pay.

16 Law. Trustor acknowledges and agrees that this Deed of Trust and the other Loan Documents shall be governed by and construed exclusively in accordance with the laws of the State of Nevada.

19. No Third Party Beneficiaries. This Deed of Trust is made and entered into for the sole protection and benefit of the parties hereto, and no other person or entity shall be a direct or indirect beneficiary of, or shall have any direct or indirect cause of action or claim in connection with this Deed of Trust or any of the other Loan Documents, except for the Broker of Record, namely, Capella Mortgage Corp

20. No Offset. Under no circumstances shall Trustor fail or delay to perform (or resist the enforcement of) any of its obligations in connection with any of the Loan Documents

because of any alleged offsetting claim or cause of action against Beneficiary (or any indebtedness or obligation of Beneficiary) which has not been confirmed in a final judgment of a court of competent jurisdiction (sustained on appeal, if any) against Beneficiary, and Trustor hereby waives any such rights of setoff (or Offset) which it might otherwise have with respect to any such claims or causes of action against Beneficiary (or any such obligations or indebtedness of Beneficiary), unless and until such right of setoff is confirmed and liquidated by such a final judgment Trustor further waives any right that it might otherwise have to require a marshaling of any security of Beneficiary or to direct the order in which Beneficiary pursues its rights or remedies with respect to any of its security

21. Continuation of Payments. Notwithstanding any taking by eminent domain or other governmental action causing injury to, or decrease in value of, the Property and creating a right to compensation therefor, Trustor shall continue to make the required payments of principal and interest on the Note If, prior to the receipt by Beneficiary of such award or compensation, the Property shall have been sold in any action or proceeding to foreclose this Deed of Trust, Beneficiary shall have the right to receive said award or compensation to the extent of any deficiency found to be due upon such sale, with interest hereon, whether or not a deficiency judgment of this Deed of Trust shall have been sought or recovered, together with reasonable counsel fees and the costs and disbursements incurred by Beneficiary in connection with the collection of such award or compensation

22. Security Agreement and Fixture Filing. If so indicated on the first page of this Deed of Trust, Trustor may hereby grant to Beneficiary a security interest in any of the Property which is personal property in which a security interest can be granted under the Uniform Commercial Code, to secure the obligations described in Paragraphs A through E above This Deed of Trust may cover certain goods which are or are to become fixtures related to the Property, and constitutes a “*fixture filing*” with respect thereto, executed by Trustor as “*debtor*” and Beneficiary as “*secured party*”

23. Loan Charges.

- a Beneficiary may charge Trustor fees for services performed in connection with Trustor’s default, for the purpose of protecting Beneficiary’s interest in the Property and rights under this Deed of Trust, including, but not limited to, attorneys’ fees, property inspection and valuation fees In regard to any other fees, the absence of express authority in this Deed of Trust to charge a specific fee to Trustor shall not be construed as a prohibition on the charging of such fee Beneficiary may not charge fees that are expressly prohibited by this Deed of Trust or by applicable law
- b If the loan is subject to a law which sets maximum loan charges or maximum interest rate, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan or interest charges shall be reduced by the amount necessary to reduce the same to the maximum amount allowed by

law, and (b) any sums already collected from Trustor which exceeded permitted limits will be refunded to Trustor. Beneficiary may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Trustor. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Trustor's acceptance of any such refund made by direct payment to Trustor will constitute a waiver of any right of action Trustor might have arising out of such overcharge.

24 *Rights of Beneficiary.* Trustor authorizes Beneficiary to perform any or all of the following acts at any time in its sole and absolute discretion, all without notice to Trustor and without affecting Beneficiary's rights or Trustor's obligations under this Deed of Trust:

- a Beneficiary may alter any terms of the obligations secured by this Deed of Trust or any part of them, including renewing, compromising, extending or accelerating, or otherwise changing the time for payment of, or increasing or decreasing the rate of interest on, the Trustor Obligations or any part of them,
- b Beneficiary may take and hold security for the Trustor Obligations, accept additional or substituted security for that obligation, and subordinate, exchange, enforce, waive, release, compromise, fail to perfect, and sell or otherwise dispose of any such security,
- c Beneficiary may direct the order and manner of any sale of all or any part of any security now or later to be held for the Trustor Obligations, and Beneficiary may also bid at any such sale,
- d Beneficiary may apply any payments or recoveries from Trustor, Trustor, or any other source, and any proceeds of any security, to the Trustor Obligations in the manner, order, and priority Beneficiary may elect, in its sole and absolute discretion, whether that obligation is secured by this Deed of Trust or not at the time of the application,
- e Beneficiary may release Trustor of its liability for the Trustor Obligations or any part of them,
- f Beneficiary may substitute, add, or release any one or more guarantors or endorsers,
- g In addition to the Trustor Obligations, Beneficiary may extend other credit to Trustor, and may take and hold security for the credit so extended, all without affecting Beneficiary's rights or the effectiveness or enforcement of this Deed of Trust, and
- h In the event that multiple parties are named as Beneficiary, or multiple parties hold beneficial interests in this Note or the Deed of Trust, a vote of 51% or greater of the beneficial interests will be considered the majority necessary for any decision or action by Beneficiary under the terms of this Note and the Deed of Trust.

As used in this Deed of Trust, *Trustor "Obligations"* means and includes any obligation of Trustor which is the obligation of Trustor under this Deed of Trust, including but not limited to payment of the Note.

25. Deed of Trust to be Absolute. Trustor expressly agrees that until each and every term, covenant, and condition of this Deed of Trust is fully performed, Trustor will not be released by or because of

- a any act or event that might otherwise discharge, reduce, limit, or modify any Trustor Obligation under this Deed of Trust,
- b any waiver, extension, modification, forbearance, delay, or other act or omission of Beneficiary, or its failure to proceed promptly or otherwise as against Trustor or any security,
- c any action, omission, or circumstance that might increase the likelihood Trustor may be called upon to perform under this Deed of Trust or that might affect the rights or remedies of Trustor, or
- d any dealings occurring at any time between Trustor and Beneficiary, whether relating to the Trustor Obligations or otherwise

Trustor hereby expressly waives and surrenders any defense to its liability under this Deed of Trust based upon any of the foregoing acts, omissions, agreements, waivers, and/or matters. It is the express purpose and intent of this Deed of Trust that the obligations of Trustor under it be absolute and unconditional under any and all circumstances.

26. Trustor's Waivers. To the extent permissible under Nevada law, Trustor waives

- a all statutes of limitations as a defense to any action or proceeding brought against Trustor by Beneficiary, to the fullest extent permitted by law,
- b any right it may have to require Beneficiary to proceed against Trustor, proceed against or exhaust any security held from Trustor, or pursue any other remedy in Beneficiary's power to pursue,
- c any defense based on any claim that Trustor Obligations exceed or are more burdensome than those of Trustor,
- d any defense based on (i) any legal disability of Trustor, (ii) any release, discharge, modification, impairment, or limitation of the liability of Trustor to Beneficiary from any cause, whether consented to by Beneficiary or arising by operation of law or from any bankruptcy or other voluntary or involuntary proceeding, in or out of court, for the adjustment of debtor-creditor relationships ("*Insolvency Proceeding*") or (iii) any rejection or disaffirmance of the Trustor Obligations, or any part of them, or any security held for them, in any Insolvency Proceeding,
- e any defense based on any action taken or omitted by Beneficiary in any Insolvency Proceeding involving Trustor, including any election to have Beneficiary's claim allowed as being secured, partially secured, or unsecured, any extension of credit by Beneficiary to Trustor in any Insolvency Proceeding,

or the taking and holding by Beneficiary of any security for any such extension of credit,

- f all presentments, demands for performance, notices of nonperformance, protests, notices of protest, notices of dishonor, notices of acceptance of this Deed of Trust and of the existence, creation, or incurring of new or additional indebtedness, and demands and notices of every kind, and
- g any defense based on or arising out of any defense that Trustor may have to the payment or performance of the Trustor Obligations or any part of them

27. *Waivers of Subrogation and Other Rights.*

- a Upon a default by Trustor, Beneficiary, in its sole and absolute discretion, without prior notice to or consent of Trustor, may elect to (i) foreclose either judicially or nonjudicially against any real or personal property security it may hold for the Trustor Obligations, (ii) accept a transfer of any such security in lieu of foreclosure, (iii) compromise or adjust the Trustor Obligations or any part of them or make any other accommodation with Trustor, or (iv) exercise any other remedy against Trustor or any security. No such action by Beneficiary will release or limit the liability of Trustor, who will remain liable under this Deed of Trust after the action, even if the effect of the action is to deprive Trustor of any subrogation rights, rights of indemnity, or other rights to collect reimbursement from Trustor for any sums paid to Beneficiary, whether contractual or arising by operation of law or otherwise. Trustor expressly agrees that under no circumstances will it be deemed to have any right, title, interest, or claim in or to any real or personal property to be held by Beneficiary or any third party after any foreclosure or transfer in lieu of foreclosure of any security for the Trustor Obligations.
- b Regardless of whether Trustor may have made any payments to Beneficiary, Trustor hereby waives (i) all rights of subrogation, all rights of indemnity, and any other rights to collect reimbursement from Trustor for any sums paid to Beneficiary, whether contractual or arising by operation of law (including the United States Bankruptcy Code or any successor or similar statute) or otherwise, (ii) all rights to enforce any remedy beneficiary may have against Trustor, and (iii) all rights to participate in any security now or later to be held by Beneficiary for the Trustor Obligations.

28. *Revival and Reinstatement.* If Beneficiary is required to pay, return, or restore to Trustor, or any other person, any amounts previously paid on the Trustor Obligations because of any Insolvency Proceeding of Trustor or any other reason, the obligations of Trustor will be reinstated and revived, and the rights of Beneficiary will continue with regard to such amounts, all as though they had never been paid.

29. *Trustor's Right to Reinstate after Acceleration.* If Trustor meets certain conditions, Trustor shall have the right to have enforcement of this Deed of Trust discontinued at any time prior to the earliest of (a) five (5) days before sale of the Property pursuant to any power of sale contained in this Deed of Trust, (b) such other period as

applicable law might specify for the termination of Trustor's right to reinstate, or (c) entry of a judgment enforcing this Deed of Trust. Those conditions are that Trustor (a) pays Beneficiary all sums which then would be due under this Deed of Trust and the Note as if no acceleration had occurred, (b) cures any default of any other covenants or agreements, (c) pays all expenses incurred in enforcing this Deed of Trust, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Beneficiary's interest in the Property and rights under this Deed of Trust, and (d) takes such action as Beneficiary may reasonably require to assure that Beneficiary's interest in the Property and rights under this Deed of Trust, and Trustor's obligation to pay the sums secured by this Deed of Trust, shall continue unchanged. Beneficiary may require that Trustor pay such reinstatement sums and expenses in one or more of the following forms, as selected by Beneficiary: (a) cash, (b) money order, (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity, or (d) electronic funds transfer. Upon reinstatement by Trustor, this Deed of Trust and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 13(c) or elsewhere in this Deed of Trust or under the Note.

30. *Sale of Note; Change of Loan Servicer.* The Note or a partial interest in the Note (together with this Deed of Trust) can be sold one or more times without prior notice to Trustor. A sale might result in the change in the entity (known as the "Loan Servicer") that collects payments due under the Note and this Deed of Trust and performs other mortgage loan servicing obligations under the Note, this Deed of Trust and applicable law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Trustor will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information which applicable law requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Trustor will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

31. *Request for Notices.* The undersigned Trustor(s) and the Beneficiary(s) named herein hereby request that copies of any and all notice of default and notice of sale hereunder be mailed to each of them at the addresses set forth in Section 18 hereof, or to such other address as he/she/it may hereafter designate in writing. However, Trustee shall be under no obligation to notify any party hereto of any pending sale hereunder or of any action or proceeding of any kind in which Trustor, Beneficiary and/or Trustee may be named as a defendant, excepting only with respect to such actions as may be brought by Trustee.

- 34. *Miscellaneous.*** Trustor acknowledges that Trustor has had adequate opportunity to carefully read this Deed of Trust and to consult with an attorney of Trustor's choice prior to signing it No consent, approval or authorization of or notice to any person or entity is required in connection with Trustor's execution of and obligations under this Deed of Trust No course of prior dealing, usage of trade, parol or extrinsic evidence of any nature may be used to supplement, modify or vary any of the terms here
