Re: Douglas County #30054258 / January 1, 2019 Renewal Notification

Dear Ms. Wendy Lang:

Thank you for being a VSP® Vision Care customer.

Due to enrollment exceeding 500, it is now necessary to convert your plan from our commercial pool to an individually rated platform.

We put your employees first and guarantee their satisfaction. As the only national not-for-profit vision company, VSP gives you:

- Lowest Employee Out-of-Pocket
- Reduced Healthcare Costs
- World Class Service
- **NEW:** Covered Standard Progressive Lenses - Once again, VSP® is setting a new standard as the only vision care company to offer covered-in-full standard progressive lenses as part of your VSP Choice plan. Effective July 1, 2018, your employees have another option to enjoy clear, precise vision at an exceptional value. This is just one more way VSP puts your employees first and gives their VSP network doctor an additional tool to provide them with the personalized care they deserve.
- Primary Eyecare – Provides **medical and urgent eyecare** beyond the regular VSP vision care benefit with just a \$20 copayment – no limit on visits!

Douglas County has been a valued VSP client since January 1, 2015 and we currently cover 523 members. The plan offered is VSP's Choice Plan B which allows for an examination and lens once every calendar year, and frames once every other calendar year, with a \$10 exam copayment and a \$25 materials copayment.

Rates include all applicable taxes and health assessment fees known as of the date of your renewal.

To continue VSP's program for this next policy, sign and return the Renewal Agreement to me by e-mail at jason.watkins@vsp.com or fax to 916-463-3926 by December 1, 2018. Please consider VSP your long-term partner in helping you maximize your benefit dollars.

Cordially,

Jason Watkins
