D. Nevada Department of Real Estate has required certain amendments for licensing the project for sale which are herein embodied.

E. This SIXTH AMENDED AND RESTATED DECLARATION has been adopted by a vote of the Members of the Association in accordance with Article 9.1(a) the FIFTH AMENDED AND RESTATED DECLARATION, as amended by the recording of Document #2018-921624 in the Official Records of Douglas County, Nevada, to recognize and provide for the Alternate Reservation System Agreement (the "ARS").

## ARTICLE II

### **RESERVATION RIGHTS. USE RIGHTS AND USE RESTRICTIONS**

2.1 Reservation and Use Rights of Owners. Subject to all of the terms and conditions contained elsewhere in this Declaration, an Owner shall have the right, for each Time Share owned, during each Use Year or each alternate Use Year, as the case may be, to use and occupy a Unit of the Unit Type purchased on the phase purchased for seven (7) nights; provided that such Owner shall have reserved such use and occupancy in accordance with the procedures for the making of reservations.

The Rules and Regulations shall describe procedures for reserving Use Periods consistent herewith, which procedures shall include at least the following provisions:

(a) Requests for reservations shall be grouped according to the following priorities:

- (1) multiple week Owners;
- (2) single week Owners.

Priorities within a class of Owners shall be given as follows:

- (1) consecutive week Requests;
- (2) single week Requests;
- (3) Split Unit Requests;
- (4) Split Week Requests.

(b) All requests shall be delivered in a manner as directed by the Association from time to time and shall state three (3) choices for reservations, in order of preference.

(c) All Split Week usage will include a three (3) or four (4) day period, including a Friday and Saturday night usage and a three (3) or four (4) day period of usage which cannot include a Friday or Saturday usage.

(d) Requests for reservations by Declarant shall be submitted no sooner than thirty (30) days after the reservations may be first obtained by the Owners.

(e) The Association shall respond to each reservation request within ten (10) days after receipt thereof.

(f) A servicing fee may be charged by management for extra services requested by an Owner such as reservation cancellations, reservation changes, Split Unit or Split Week reservations.

(g) Reservation requests may be honored up to twenty-three (23), twenty-two (22) and twenty-one (21) months prior for Multiple Week, Single Week and Split Unit or Split Week requests, respectively, to the month in which the Owner seeks to reserve use.

**2.2 Use and Occupancy.** Each Owner shall, have the exclusive right to occupy and use a Time Share Unit of the Unit Type purchased in the phase purchased and the Common Furnishings contained within such Time Share Unit and the non-exclusive right to use and enjoy the Common Areas during such Use Period or Use Periods as shall have been properly reserved by the Owner pursuant to the foregoing provisions of the Bylaws and Rules and Regulations. IT IS SPECIFICALLY ACKNOWLEDGED THAT AN OWNER MAY NOT ACTUALLY OCCUPY DURING A USE PERIOD ANY SPECIFIC TIME SHARE UNIT OF THE DESIGNATED UNIT TYPE. No Owner shall occupy a Time Share Unit nor exercise any other rights of ownership with respect to a Time Share Unit, other than the rights provided to Owners in this Article II, during any period other than the Owner's Use Period(s) unless expressly authorized by the Owner entitled to occupy the Time Share Unit during such time. Each Owner shall keep the Time Share Unit occupied by the Owner and the Common Furnishings therein in good condition and repair during the Owner's Use Period(s); vacate the Time Share Unit at the expiration of the Owner's Use Period(s); remove all persons and such Owner's personal property therefrom; leave the Time Share Unit and the Common Furnishings therein in good and sanitary condition and repair and otherwise comply with such reasonable check-out and other procedures and regulations as may from time to time be contained in the Rules and Regulations. Subject to the Rules and Regulations, any Owner may permit a Time Share Unit reserved by Owner to be occupied by other persons (Permitted Users) for the purposes permitted by this Declaration during the Owner's Use Period, but such Owner shall be responsible for any loss, damage, destruction or violation of this Declaration which occurs during such occupancy by a Permitted User as if such Owner was actually occupying the Time Share Unit.

If, as a result of an error in the administration of the reservation system by the Association or the Managing Agent, an Owner can reserve no designated Unit Type or Use Period during the Use Year, such Owner shall be entitled to compensation from the Association or the Managing Agent in an amount equal to the cost of the rental of comparable accommodations in the vicinity of the Project during the Use Year in question.

**2.3 Failure to Vacate.** If any Owner, or any Exchange User or Permitted User fails to vacate a Time Share Unit at the end of the Use Period, or otherwise uses or occupies a Time Share Unit during a period other than the Use Period, or prevents another Owner, Exchange User or Permitted User (the "Detained Owner" or "Detained User") from using or occupying a Time Share Unit during such Detaining Owner's Use Period, such Owner, Exchange User or Permitted User (the "Detaining Owner") shall be subject to any or all of the following remedies at the sole discretion of the Association: (a) the Association may terminate utility services to the Time Share Unit; (b) be subject to immediate removal,

eviction or ejection from the Time Share Unit wrongfully occupied; (c) be deemed to have waived any notice required by law with respect to any legal proceedings regarding removal, eviction or ejection (to the extent that such notices may be waived under Nevada law); (d) reimburse the Association and the Detained Owner for all costs and expenses incurred as a result of such conduct, including but not limited to costs of alternate accommodations, travel costs, court costs and reasonable attorneys fees incurred in connection with removing, evicting or ejecting the Detaining Owner from such Time Share Unit, and costs (including reasonable attorneys fees) incurred in collecting such reimbursement(s), all of which costs may be assessed against the Detaining Owner as a "Personal Charge" (as hereinafter defined in Paragraph 5.8 below); and (e) pay to the Detained Owner entitled to use the Time Share Unit during such wrongful occupancy, as liquidated damages (in addition to the costs and expenses set forth in subparagraph 2.4(d), above), a sum equal to two hundred percent (200%) of the fair market value per day of the Time Share Unit for each day or portion thereof, including the day of surrender, during which the Detaining Owner prevents occupancy of the Time Share Unit; (f) prohibit the Detaining Owner from subsequent use until all damages incurred are paid in full. The Association shall be responsible for determining the "fair rental value" of the Time Share Unit. "Fair rental value" for the Time Share Unit shall be based upon the costs of renting comparable accommodations located within the vicinity of the Project. By accepting any conveyance of a Time Share, each Owner agrees that, in the event of a failure to vacate by the Owner, the Owner's Exchange Users, or the Owner's Permitted User, damages would be impracticable or extremely difficult to ascertain and that the measure of liquidated damages provided for herein constitutes fair compensation to those who are deprived of occupancy. The Association shall use reasonable efforts to attempt to remove such Detaining Owner from the Time Share Unit, and/or to assist the Detained Owner in finding alternate accommodations during such hold-over period; to secure, at the expense of the Association, alternate accommodations for any Detained Owner. The Association may, in its sole discretion, deem it necessary to contract for a period greater than the actual period for which the use is prevented in order to secure alternate accommodations as set forth above. If an Owner, Exchange User or a Permitted User, by intentional or negligent act, renders a Time Share Unit uninhabitable for the successive Use Period(s), such Owner, Exchange User or Permitted User shall be deemed a Detaining Owner, the foregoing provisions of this Paragraph 2.3 shall apply and such Time Share Owner, Exchange User and/or Permitted User(s) of successive Use Period(s) just as if such Owner, Exchange User or Permitted User had refused to vacate the Time Share Unit at the end of the Use Period. For the purposes of this Paragraph 2.3, the act or negligence of a Permitted User, or Exchange User shall be deemed to be the act of the Owner; provided, however, that such Owner shall be responsible for the payment of amounts to the extent the same are not reimbursed by insurance. The Association may enforce obligations due under this Paragraph 2.3 by suspending the Detaining Owner's privileges with respect to use and occupancy of the Project

2.4 Use Restrictions. A Time Share Unit shall not be occupied by more than the number of persons specified in the Rules and Regulations for the Unit Type. No Owner shall make or authorize any alterations, additions or improvements to a Time Share Unit or the Common Furnishings; paint, repaint, tile, paper or otherwise refinish or redecorate the inner surfaces of the walls, ceilings, floors, windows or doors bounding any Time Share Unit which such Owner may from time to time occupy, or remove, alter or replace any portion of the Common Furnishings. The right to perform all of the foregoing acts has been delegated to the Association by this Declaration. The foregoing prohibitions,

however, shall not modify or affect the obligation of each Owner for the prudent care and ordinary maintenance and upkeep of all property subject to the Owner's use. No animals or household pets of any kind, except qualified Service Animals, shall be allowed or kept in or upon the Property, except as may be approved by the Board of Directors. The Board of Directors may designate smoking and non-smoking Units.

No Owner, specifically excluding Declarant, shall further parcel, subdivide or time share the Interest conveyed to the Owner which is the subject of this Declaration.

**2.5 Rental of Units.** The Association hereby reserves the exclusive right to occupy and to rent to the general public each Time Share Unit during all times not included in any Use Period, subject to the conditions of this paragraph. Any rentals received by the Association shall inure to the Association's benefit.

No rental by the Association shall interfere with or diminish the rights of Owners to use and occupy Units in accordance with this Declaration and the Rules and Regulations. An Owner's request for a reservation shall be honored, unless the requested Use Period for every Time Share Unit of the designated Unit Type in the applicable phase has been previously reserved by another Owner, or has been rented to a member of the public prior to receipt of that Owner's request.

Except for the rights and easements reserved to the Association as provided in this Paragraph 2.5, no third party, including, but not limited to the Managing Agent, and anyone acting on their behalf shall have any right to rent any Time Share Units or the occupancy of any Time Share Units to members of the general public; provided, however, that the foregoing shall not be construed as preventing an Owner in good standing from renting such Owner's Time Share Unit in the Owner's Use Period to a member of the general public for such Owner's own account.

Notwithstanding the provisions of this Paragraph 2.5, in the event any Owner: (a) becomes in excess of thirty (30) days delinquent with respect to any Assessment owed under the provisions of this Declaration; and (b) thereafter fails to pay any such delinquent Assessment or subsidy agreement payment within ten (10) business days following receipt from the Association of written notice to pay, the Association shall thereafter, and until all delinquent Assessments are paid in full, have the right to rent during all times not included in any Use Period, that Owner's Time Shares to the general public and all rentals therefrom shall inure to the Association's benefit.

**2.6 Repair and Maintenance Easements.** Declarant hereby grants the Association a non-exclusive easement across the Exhibit "B" Property for reasonable maintenance and repair of improvements placed on the Property to be exercised with reasonable notice to Declarant and in cooperation with said Declarant's use of the Exhibit "B" Property.

**2.7 Common Area Use/Easements.** Every Owner shall, together with their respective guests, lessees and invitees, during Owner's properly reserved Use Period have a perpetual non-exclusive easement of use and enjoyment in, to and throughout the Common Area and a perpetual non-exclusive easement for parking and pedestrian and vehicular access, ingress, egress and support over and through that certain portion of the Exhibit "B" Property in the areas more particularly described in Exhibit "C" attached hereto and incorporated herein by this specific reference (the "Access Easement Area"). By this Declaration, Declarant hereby grants and conveys to the Property and to the Association, for the benefit of the Owners and their guests, lessees and invitees, a permanent and perpetual non-exclusive easement (the "Access Easement") for utilities, parking and

pedestrian and vehicular access, ingress, egress and support on, over, along, across, through and above the Access Easement Area. Declarant reserves for itself and its designees, a perpetual non-exclusive easement for utilities, parking and pedestrian and vehicular access, ingress, egress, and support on, over, along, across, through and above the Access Easement Area and the Project. All such non-exclusive easements, specifically including the Access Easement, shall run with the land, shall be appurtenant to and pass with title to each Time Share, shall burden the Exhibit "B" Property, shall be easements in gross benefiting all present and future Owners in perpetuity, and shall be subject to the following rights and restrictions.

(a) Declarant's right to improve the Exhibit "B" Property and to change and relocate any established easement or right of way of utilities, parking, access, ingress, egress or support from time to time. Any change or relocation shall be subject to the consent of the Board of Directors of the Association which shall not be unreasonably withheld, so long as the Owners and their guests, lessees and invitees continue to enjoy the Access Easement granted pursuant Paragraph 2.7 above without interruption or material interference.

(b) The right of the Board of Directors of the Association to adopt, amend and enforce the Rules and Regulations.

(c) The right of the Board of Directors of the Association to limit the number of guests.

(d) The right of the Association to suspend the right of an Owner to use the Recreational Facilities or other Common Area facilities for any period during which any assessment against the Owner remains unpaid.

(e) The right of the Association to borrow money to improve, repair or maintain the Property.

(f) The right of the Association to assign, rent, license or otherwise designate and control use of Common Area.

2.8 Easement for Construction, Sales, Resales, Customer Service and Related Purposes. Declarant, on behalf of itself, its agents, employees, contractors, subcontractors, invitees, successors, assigns and other authorized personnel reserves unto itself, for a period within three (3) years of the last timeshare phase offered, but no more than twenty (20) years from the date of the first interval sale, an exclusive easement in, over and through the Units, Recreation Facilities, and the Common Areas for the purposes of: (1) completing the development of the Project; (2) marketing, selling and reselling the Time Shares; (3) maintaining customer relations and providing post-sale service to Owners; (4) displaying signs and erecting, maintaining and operating, for leasing, sales, construction and administrative purposes, model Units and a customer relations, customer service and sales office complex on the Property, and (5) showing the Units and Common Area and arranging for the use of any Recreational Facilities within the Common Areas by prospective purchasers..

2.9 Transfer of Interest. No person other than the Declarant owning an interest in a Time Share shall sell, convey, hypothecate or encumber less than all of the Owner's interest in such Time Share. Any sale, conveyance, hypothecation or encumbrance by any such person of less than all of an Interest in any singular Time Share shall be null, void and of no effect.

2.10 Separate Mortgages. Upon receipt of a Deed, each Owner shall have the right to mortgage or otherwise encumber all, but not less than all, of the Owner's Time Share. Any mortgage shall be subordinate to all of the provisions of this Declaration, and in the event of foreclosure, the provisions of this Declaration shall be binding upon any Owner whose title is derived through foreclosure, assignment in lieu of foreclosure or otherwise. Notwithstanding any other provision of this Declaration, no breach of the provisions herein contained, nor the enforcement of any lien created pursuant to the provisions hereof shall defeat or render invalid the lien of any mortgage of any Interest if such mortgage is recorded in the Office of the County Recorder of Douglas County, Nevada, and is bona fide, given in good faith and for value. A Mortgagee, however, with respect to any Time Share, shall only be obligated to pay assessments upon delivery of title to the Time Share to Mortgagee.

2.11 Partition and Subordination of Tenancy-in-Common Attributes.

(a) It is intended that this Declaration alone shall govern all rights with respect to the use, possession, enjoyment, management and disposition of the Interests originally conveyed by deed in the Property. Accordingly, all rights with respect to the use, possession, enjoyment, management or disposition of a Time Share in the Property which an Owner might otherwise have as a tenant-in-common (including but not limited to any common law or statutory right jointly to use, possess or manage commonly owned property), are hereby unconditionally and irrevocably subordinated to this Declaration for so long as this Declaration shall remain in effect; provided, however, that, in the event that an election to terminate this Declaration is made pursuant to Paragraph 9.2, an Owner shall have the rights specified in Paragraph 9.2.

(b) Except as provided in subparagraph 2.11(a) above and Paragraph 9.2 below, no Owner or other person or entity acquiring any right, lien or interest in any of the property shall seek or obtain, through any legal procedures, judicial partition of the property. If, however, any Interest is owned by two (2) or more persons as tenants-in-common or as joint tenants or as community property, nothing herein contained shall prohibit a judicial sale of that Interest in lieu of partition as between such co-tenants or joint tenants.

2.12 Protection of Interest. Except as provided in Paragraph 2.11, no Owner shall permit the Owner's Interest to be subject to any lien, claim or charge, the enforcement of which may result in a sale or threatened sale of the Interest of any other Owner or any part thereof, or should the use and enjoyment of any portion thereof by any Owner be threatened by reason of any lien, claim or charge against the Interest of any other Owner, or should proceedings be instituted to effect any such sale or interference, any Owner acting on the Owner's own behalf or through the Association or the Association acting on behalf of any one (1) or more Owners (unless promptly indemnified to the Owner's or its satisfaction) may, but shall not be required to, pay or compromise the lien, claim or charge without inquiry into the proper amount or validity thereof and, in such event, the Owner whose Interest was subjected to such lien, claim or charge shall forthwith pay the amount so paid or expended to the Owner or the Association, whomsoever shall have paid or compromised the lien, claim or charge, together with such reasonable attorneys' fees and related costs as the Owner or it may have incurred.

2.13 Inventory Control. The inventory control systems described in Exhibit E assign an inventory number to each Time Share which permanently identifies the Time Share and identifies the Time Share Phase, Unit Type, as an annual or alternate year interest and whether the alternate year use is for odd or even numbered years.

### **ASSESSMENTS**

#### **5.1 Creation of Personal Obligations for Assessments.**

(a) Each Owner holds one (1) fractional undivided interest in the Property for each Time Share owned and the Declarant shall be deemed to be the holder of all fractional interests in Time Shares other than those held by Owners or the Association. Declarant, for each fractional interest held by it, hereby covenants, and each Owner by entering into a Purchase Agreement or accepting the conveyance of a Time Share, whether or not it shall be so expressed in the Purchase Agreement or Deed, shall be deemed to have covenanted and agreed, for each Interest held, to pay to the Association the Maintenance Assessment, all special assessments and personal charges, including those described in Paragraphs 5.5, 5.6, 5.7 and 5.8, respectively (all of which are sometimes herein individually and collectively referred to as "Assessment(s)"), which shall be established, made and collected as hereinafter provided.

(b) The Assessments, together with interest, costs and reasonable attorneys' fees shall be the personal obligation of each Owner at the time the assessment becomes due and payable and shall be a lien and charge upon the interest against which the assessment is made upon its delinquency and notice to the Owner of the delinquency. No Owner may waive or otherwise avoid liability for the assessments by non-use of the Owner's Interest or any part thereof or any abandonment thereof.

(c) Maintenance Assessments shall commence at the date an Owner's occupancy rights commence.

**5.2 Purpose of Assessments.** Assessments shall be used exclusively to promote the recreation, health, safety and welfare of the Members, the improvement, operation and maintenance of the Property and all easements appurtenant thereto, and to pay for the administration of the Association's operations, reimbursement of expenses incurred by the Association, and other expenditures incurred in the performance of the duties of the Association as set forth in this Declaration.

**5.3 Maintenance Expenses.** As used herein, "Maintenance Expenses" means the aggregate amount of expenses, as set forth in the Budget, incurred by the Association during the applicable fiscal years: (i) to operate, manage, maintain and repair the Property and the Common Furnishings, and to administer the Association's operation of the Property; (ii) to provide for reserves to ensure payment when due of the cost of capital expenditures relating to the repair of the Property and the repair and replacement of Common Furnishings and capital equipment, and for such other purposes as are required by good business practice (the "Reserve Expenses"); (iii) to provide for the possibility that some assessments to it may not be paid on a current basis; (iv) to provide for the payment of amounts due under the Facilities Use Agreement; (v) to provide for the payment of amounts due to maintain and repair any easement rights appurtenant to the Property; and (vi) to provide for the payment of the fee of

the Manager. Without limiting the generality of the foregoing, Maintenance Expenses shall include: all charges, costs, and expenses whatsoever incurred by the Association for or in connection with the administration and operation of this Property; real property taxes and other taxes assessed against the Property; or the Common Furnishings or any other interests of the Owners (except as and to the extent that such taxes are separately assessed to the individual Owners) in this Property; assessments and other similar governmental charges levied on or attributable to the Property, insurance, including fire and other casualty and liability insurance obtained pursuant to this Declaration; any liability whatsoever for loss or damage arising out of or in connection with the Property or any fire, accident, or nuisance therein; cost of repair, reinstatement, rebuilding and replacement of the Property or the Common Furnishings therein; the cost of all basic utility services, including water, electricity, refuse removal, telephone and any other similar service attributable to the Property, the unpaid share of any assessment levied during the previous calendar year against any Owner who has defaulted in payment thereof to the extent that the same becomes uncollectible; wages, accounting and legal fees, management fees, maid service, and cleaning fees, and other necessary expenses of upkeep, maintenance, management and operation actually incurred with respect to the Property. Maintenance expenses for any applicable Fiscal Year shall not exceed the actual increase in costs or a maximum one hundred twenty percent (120%) of maintenance expenses for the preceding Fiscal Year or any increase in Maintenance Expenses attributable to an increase in real property taxes based upon a change in the method of assessment by the county assessor, unless a majority of Members other than Declarant shall consent thereto by vote or written assent. The Reserve Expenses portion of the Budget may consist of specific items and amounts for which such Reserve Expenses are being collected.

5.4 Budget Surplus. At the end of any Fiscal Year, any sums held by the Association which are paid to it as Maintenance Assessments and which were not expended by the Association, shall be applied to reduce the following year's Maintenance Assessment.

5.5 Maintenance Assessment. On a Fiscal Year basis, an assessment ("Maintenance Assessments") for each Time Share Unit shall be determined as follows:

(a) Determine the expenses allocable to each of the Timeshare Units by dividing the total of all expenses by the total square footage of all Timeshare Units, in the aggregate and multiplying by the Unit Area (square feet) of each Unit Type.

(b) In calculating the total number of Time Shares for the above purposes each Alternate Year Time Share in a Unit Type shall be counted as equivalent to one-half (1/2) of a Time Share.

(c) Notwithstanding the foregoing method of pro-rating Maintenance Assessments, the Board shall have the power and authority to adopt any other more equitable method; provided that it first makes written findings specifying its reasons in detail for adopting this alternative method.

5.6 Payment of Maintenance Assessment. The Maintenance Assessment shall be paid as follows:

(a) For any fiscal year in which an Owner purchases a Time Share from the Declarant, as provided in that Owner's Purchase Agreement.

(b) For any other fiscal year, the Maintenance Assessment shall be payable with respect to each Time Share other than those owned by Declarant in one lump sum due on or before a date set by the Association, or if the Association shall elect, in

installments. Alternate Year Owners' payment shall be payable in the fiscal year in which the Owner's Use Period falls or one-half annually, as determined by the Association.

(c) Declarant's Maintenance Assessment shall be paid by Declarant in cash as mutually agreed by the Board of Directors and Declarant.

5.7 Special Assessments. If the Maintenance Assessments are, or will become, inadequate to meet all expenses incurred by the Association hereunder for any reason, including nonpayment by any Owner of Assessments on a current basis, the Board of Directors shall promptly determine the approximate amount of such inadequacy, prepare and distribute a supplemental budget and levy against each Member and Declarant, as to Interests deemed owned by them, a special assessment (the "Special Assessment") in an amount sufficient to provide for such inadequacy, provided, however, that without the vote or written assent of a majority of Members, Special Assessments shall not, in the aggregate, exceed five percent (5%) of budgeted gross Maintenance Expenses for the applicable fiscal year. Any Special Assessment shall be due and payable in one lump sum or periodically, as determined by the Board of Directors, and shall be due and payable within fifteen (15) days after receipt of a statement therefore.

The Board may also make Special Assessments as follows without the vote or written assent of the Association:

(i) A special assessment for the repair or rebuilding of a dwelling unit(s) which does not exceed ten percent (10%) of the budgeted gross expenses of the Association for the fiscal year in which the assessment is levied.

(ii) Special assessments against an owner or owners for the purpose of reimbursing the Association for costs incurred in bringing the owner(s) into compliance with provisions of the governing instruments for the Property.

5.8 Personal Charge(s). The term "Personal Charge(s)" means any expense resulting from the act or omission of any Owner or Exchange User or Permitted User-occupying a Time Share during the Use Period of an Owner, including, without limitation, the cost of long distance telephone charges or telephone message unit charges, food, beverages, sports supplies, optional maid service and other special services or supplies attributable to the occupancy of a Time Share during such Owner's Use Period. Personal Charges also means the cost (to the extent not reimbursed by insurance proceeds): (1) to repair any damage to the Time Share Unit, or the Common Areas; or (2) to repair or replace any Common Furnishings located therein on account of loss or damage occurring during such Owner's Use Period; or (3) the cost to satisfy any expense to any of the other Owners or their Permitted Users, Exchange Users or to the Association due to: (a) any intentional or negligent act or omission of such Owner, Exchange User or Permitted User; or (b) resulting from the breach by such Owner, Exchange User or Permitted User of any provisions of this Declaration, the Bylaws, or the Rules and Regulations. Such Personal Charges shall be payable by the Owner as follows:

(a) If the Association is able to determine the amount of Personal Charges at Check-Out Time, such Personal Charges shall be payable at Check Out Time; and

(b) Personal Charges which are not ascertainable as provided in subparagraph 5.8(a), above, shall be payable upon receipt of a statement therefor.

## ARTICLE VI

All sums payable hereunder by an Owner shall bear interest at eighteen percent (18%) per annum from the due date, or if advanced or incurred by the Association, or any other Owner pursuant to authorization contained in this Declaration, commencing ten (10) days after repayment is requested. All enforcement powers of the Association shall be cumulative. Each Owner by entering into a Purchase Agreement or accepting a Deed shall be deemed to have covenanted and agreed that the Association shall have all of the rights, powers and remedies set forth in this Article VI and elsewhere in this Declaration.

6.2 Certain Specific Enforcement Powers. In amplification of, and not in limitation of, the general powers specified in Paragraph 6.1, above, the Association shall have the following rights and powers:

(a) Suspension of Privileges. If any Owner or Permitted User or Exchange User shall be in breach of this Declaration, the Bylaws or the Rules and Regulations, the Purchase Agreement, or Mortgage with a Mortgagee, including, but not limited to, the failure of such Owner to pay any Assessment on or before the due date thereof, subject to the limitations hereinafter in this subparagraph 6.2(a) set forth, the Association will suspend the right of such Owner, Exchange User or Permitted User(s): (1) to reserve and/or occupy any Time Share Unit; and (2) the right of such Owner to participate in any vote or other determination provided for herein. If such suspension of privileges is based on the failure of an Owner to pay Assessments or mortgage payments or any other amounts) due hereunder when due, the suspended privileges of such Owner shall be reinstated automatically at such time as the Owner shall have paid to the Association or Mortgagee, in cash or by cashier's or certified check, all amounts past due as of the date of such reinstatement. No guarantee is made to the reinstatement of any reservation made prior to the suspension.

If such suspension of privileges is based on any act or omission other than the failure of an Owner to pay assessments or any other amount(s) due hereunder when due, no such suspension shall be made except after a meeting of the Board at which a quorum of the Board is present, duly called and held for such purpose in the same manner as provided in the Bylaws for the noticing, calling and holding of a special meeting of the Board. Written notice of such meeting and the purpose thereof, including the reasons for the suspension sought, shall be given to the Owner whose privileges are being sought to be suspended at least fifteen (15) days prior to the holding of such meeting. Such notice shall be given as provided at Paragraph 9.3, below. Such Owner shall be entitled to appear at such meeting and present a case in

writing or orally as to why the privileges should not be suspended. The decision as to whether such privileges should be suspended shall be made by a majority of the members of the Board present at such meeting. Written notice of suspension and the reasons therefor shall be given to the suspended Owner and the suspension shall become effective on the date such notice is given.

(b) Enforcement by Lien. The Association shall have a secured lien, in the nature of a Mortgage or Deed of Trust with power of sale, on each Interest as security for the prompt and faithful performance of the Owner of such Interest's assessment obligations under this Declaration, the Bylaws and the Rules and Regulations, together with the payment of interest, costs of enforcement, including reasonable attorneys' fees, in connection therewith. Such lien may be enforced by sale by the Association, its agent or attorney after failure of the Owner to make the secured payment provided such sale is conducted in accordance with the provisions of 119A of Nevada Revised Statutes. The purchaser at any foreclosure sale shall obtain title subject to the provisions of this Declaration. The Association may bid at the foreclosure sale and may hold, lease, mortgage or convey any Interest acquired at such sale.

6.3 Subordination to Certain Mortgages. The lien provided for herein shall be prior to all encumbrances made by an Owner or imposed by legal process upon any Owner except taxes, bonds, assessments and other levies, which by law, are prior thereto, whether the notice of default and claim of lien is recorded prior or subsequent to any such encumbrances. However, the lien provided for herein shall be subordinate to the lien of any first mortgage or other first encumbrance made in good faith and for value and recorded in the Office of the County Recorder of Douglas County, Nevada, prior to the recordation of a notice of default and claim of lien hereunder (the "Prior Mortgage"). The sale or transfer of any Interest shall not defeat or affect the lien provided for herein; provided, however, that the sale or transfer of any Interest subject to Prior Mortgage pursuant to a judicial foreclosure or exercise of a power of sale under such Prior Mortgage pursuant to a proceeding diligently pursued within twenty-four (24) months of delinquency under the secured obligation or by deed in lieu, only if the deed in lieu is recorded within ninety (90) days of its execution by the Grantor, shall extinguish the lien provided for herein as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such Interest, or the purchaser thereof, from liability for any subsequent liability or performance thereafter becoming due or from the lien thereof.

6.4 Information Exchange with Mortgagee. The Association and a Mortgagee may exchange phone, address and account status information on Members.

## ARTICLE VII

### DAMAGE. DESTRUCTION. CONDEMNATION

7.1 In General. In the event of any damage or destruction, whether resulting from an insured casualty, uninsured casualty or a partial taking in eminent domain proceedings of the Property or the Common Furnishings other than by ordinary wear and tear, the Association shall, subject to the provisions of Paragraphs 7.2 and 7.3, forthwith cause such damage or destruction to be repaired and shall use any available insurance or condemnation proceeds for such purpose. If the damage is not covered by condemnation proceeds or by insurance proceeds, or if the available insurance or condemnation proceeds are insufficient, the

Association shall, subject to the provisions of Paragraphs 7.2 and 7.3, and the next succeeding sentence, levy a Special Assessment ratably against all Owners and against Declarant for the amount required to meet the cost of such repair or restoration. In the event the damage or destruction was caused by the intentional or negligent act or omission of an Owner, Exchange User or Permitted User the cost of such repair or the amount of such deficiency shall be a Personal Charge and payable by such Owner as provided in Paragraph 5.8 above.

7.2 Extensive Damage or Destruction. In the event the amount of the Special Assessment which is required to be levied pursuant to Paragraph 7.1 above, shall exceed twenty percent (20%) or more of the budgeted gross expenses for the year, such Special Assessment shall not be levied unless both a majority of Owners and Declarant shall approve such Special Assessment. If such Special Assessment is not so approved within one hundred eighty (180) days following the date of such damage or destruction, this Declaration shall be terminated effective upon the recordation of a Certificate of Termination executed by the President or a Vice President and the Secretary or Treasurer of the Association stating that the Declaration has been terminated in accordance with the provisions of Paragraph 9.2 of the Declaration and the Association or any Owner shall thereafter have the right to maintain an action for sale in lieu of partition as to the Property and any proceeds or condemnation proceeds received as a result of such damage or destruction, shall be distributed according to the priorities set forth in Paragraph 9.2 below.

7.3 Minor Damage or Destruction. If the damage or destruction is such in the discretion of the Board of Directors as not to significantly affect the operations of the Property as a whole, the Board of Directors may take such other action as it deems appropriate under the circumstances including no action. .

7.4 Excess Insurance Proceeds. Any excess insurance or condemnation proceeds over the cost of repair or restoration or any insurance or condemnation proceeds available in the event the Property and Common Furnishings are not rebuilt, restored, repaired or replaced pursuant to the provisions of this Declaration, shall be distributed in accordance with the distribution formula set forth in Paragraph 9.2.

## **ARTICLE VIII**

### **ANNEXATION**

8.1 Annexation by Association. Upon approval in writing of the Association, pursuant to the affirmative vote or written consent of at least sixty-six and two-thirds percent (66 2/3%) of the voting power of the Members other than Declarant, the Owner of any property who desires to add it to the plan of this Declaration and to subject it to the jurisdiction of the Association, may cause the same to be done as hereafter provided in this Article VIII, or in any other manner permitted by laws.

8.2 Annexation by Declarant. Annexation by Declarant shall be only on the following conditions, the occurrence of which shall be certified by Declarant in the Declaration of Annexation:

- (a) The real property which may be annexed shall be all or a portion of the real property described in Exhibit "B" attached hereto and incorporated herein by this reference and shall be pursuant to and in substantial conformance with the Site Plan/Plot Plan (the "Plan of Phased Development") attached hereto as Exhibit "D"

and incorporated herein by this specific reference. With respect to the location of the planned future phases, they shall conform substantially with the attached Plan of Phased Development or as nearly so as reasonably feasible based upon soil testing and other location compatibility factors, and the units in such planned future phases will be of similar quality to the existing Units in the Property; and

(b) If there has been a rental program at the annexed property for at least one (1) year prior to the date of annexation, Declarant will commit in writing concurrent with the annexation to pay into the Association at close of the first sale of an Interest in the annexed property an appropriate amount for reserves for replacement or deferred maintenance of common area improvements in the annexed phase necessitated by the use and occupancy under the rental program; and

(c) Any annexation allowed under this Declaration will not result in overburdening of common facilities; and

(d) Any annexation allowed under this Declaration will not cause a substantial increase in assessments against existing Owners; and

(e) All annexed units shall be substantially the same type, size and quality of construction as existing units and with substantially similar common areas, or will be varied upon the discretion of the Declarant, limited as set forth in subpart (f) below, based on trends in marketing timeshare interests and with the express intention to sustain and enhance the overall viability of the Property and of all owners' interests therein, and the Declarant shall so certify in any such Declaration of Annexation; and

(f) If any variance-as described in subpart (e) above should occur, such that there is a material difference between the annexed units and the existing units, then (1) maintenance assessments for annexed units shall be calculated for proportionality with existing unit types pursuant to fair and equitable standards such that fixed costs shall be allocated per unit and variable costs shall be allocated by appropriate use factors, (2) for purposes of use by timeshare owners, timeshare owners of an annexed phase will have no right to make reservations to use a unit in another phase and would be limited to reserving time in units in the annexed phase such that the annexed phase would constitute a separate "type" of unit for reservation and exchange purposes, (3) the average size of the annexed units will be within 30% of the average size of the existing units.

8.3 Procedure. Any annexation authorized hereunder shall be made by the owner of the property to be annexed by recording a Declaration of Annexation with respect to the property to be annexed, which shall extend the plan of this Declaration to the property to be annexed. Such Declaration of Annexation may contain such complementary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the development of the annexed property and as are not inconsistent with the overall plan of this Declaration and approved by the Board of Directors. In no event, however, shall any such supplementary Declaration revoke, modify or add to the covenants, conditions and restrictions established by this Declaration for prior phases.

## ARTICLE IX

### MISCELLANEOUS PROVISIONS

#### 9.1 Amendment.

Subject to the provisions of the next following sentence and Paragraph 7.2, this Declaration shall remain in effect for a period of fifty (50) years from the date of recordation hereof and thereafter shall remain in effect for successive periods of ten (10) years each unless, after the expiration of the original term, an election to terminate is made by the vote or written assent of a majority of the Owners. Following such election, the Association shall cause the Property to be sold and each Owner and Declarant if still existent hereby grants to the Association a special power of attorney coupled with an interest to execute, deliver and complete all documents, papers and instruments made in connection with or necessary for the consummation of such sale. The Association, subject to the rights of the holder(s) of any existing encumbrances relating to any of the Units, shall distribute the proceeds from the sale of the Property and Common Furnishings located thereon shall be distributed to both the Owners (and Declarant as to any Interests owned by the Declarant) pro rata.

In the absence of such notice, the Association shall not be required to recognize the transferee for any purpose, and any action taken, prior to the giving of such notice, by the transferee as an Owner may not be recognized by the Association. Prior to receipt of any such notification by the Association or the Managing Agent, any and all communications required or permitted to be given by the Association shall be deemed duly given and made to the transferee if duly and timely made and given to such transferee's transferor.

9.5 Severability. If any provision of this Declaration, or any section, sentence, clause, phrase or word of the application thereof in any circumstances, shall be held invalid, the validity of the remainder of this Declaration and of the application of the provision, sentence, clause, phrase or word under any other circumstances shall not be affected thereby.

9.6 Successor. The provisions of this Declaration shall be binding upon all parties having or acquiring a Time Share or any right, title or interest therein and shall be for the benefit of each Owner and Declarant and their respective heirs, successors and assigns. Each Owner and Declarant shall be fully discharged and relieved of liability for the covenants herein as such covenants relate to each Interest: (1) upon ceasing to own such Interest, and/or (2) upon paying all sums and performing all obligations hereunder relating to each Interest.

9.7 Violation or Nuisance. Every act or omission whereby any provision of this Declaration, the Bylaws or the Rules and Regulations is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated whether or not the relief sought is for negative or affirmative action, by Declarant, the Association or any Owner.

9.8 Interpretation. The captions of the articles, paragraphs and subparagraphs hereof are for convenience only and shall not be considered to expand, modify or aid in the interpretation, construction or meaning of this Declaration. As used herein the singular shall include the plural and the masculine shall include the feminine and neuter as the context so requires.

9.9 No Waiver. The failure to enforce any provision of this Declaration shall not constitute a waiver thereof or of the right to enforce such provision thereafter.

9.10 Douglas County Assurances. (b) If the statement of the Declarant referred to in subdivision (a) is not received by the governing body members within forty-five (45) days after the end of a quarter, or if the statement as received evidences a failure by the Declarant to fulfill an obligation to the Association to complete improvements, pay assessments as an owner time-share interests in the Property or to subsidize the costs of operating the program and maintaining the project, the governing body shall meet specially, together or by conference telephone call, to discuss and to vote on the question of initiating action against the Declarant and/or the Declarant's surety to enforce the Declarant's unfulfilled obligations.

(c) Any director of the Association shall be empowered to initiate an action in the name of the Association and at the Association's expense to enforce the Declarant's unfulfilled obligation if the governing body fails to meet to consider and vote on the question of enforcing the Declarant's obligation within seventy-five (75) days after the end of the quarter or if the governing body refuses to initiate such action after having met for that purpose. If any director determines that it is in the best interest of the members of the Association to initiate an action under the special authority, he or she shall do so in the name of the Association within ninety (90) days after the end of the quarter and the governing body shall thereafter take such steps as are necessary and appropriate in furtherance of the purpose of the action.

(d) Any disagreement or controversy between the Declarant and the Association with respect to the question of the fulfillment of the Declarant's obligations to complete and pay for improvements included in the offering, to pay for regular and special assessments as an owner of time-share interest in the project or to pay the costs of operating a time-share program and maintaining this project under a subsidization agreement shall, at the request of either party, be submitted to arbitration in accordance with the Commercial Arbitration Rules of The American Arbitration Association.
