It is the intention of Trustor and Beneficiary that this Deed of Trust is an "instrument" (as defined in NRS 106.330) which secures "future advances" (as defined in NRS 106.320) and which is governed pursuant to NRS 106.300 through 106.400. It is the intention of the parties that the secured Obligations include that obligation of the Trustor to repay future advances of "principal" (as defined in NRS 106.345) in an amount up to \$1,315,000.00, and that the lien of this Deed of Trust secures the obligation of Trustor to repay all such future advances with the priority set forth in NRS 106.370(1). (2) the payment and performance of Trustor's obligations under the Loan Agreement and under all other present and future agreements executed by Trustor in favor of Beneficiary and relating to the Note, including, and any and all other documents or agreements executed by Trustor in connection with the Loan, and all documents and agreements referenced in any of the foregoing (collectively, "**Loan Documents**"). All references in any of the Loan Documents shall refer to this Deed of Trust.

Trustor warrants that, except as disclosed to Beneficiary in a writing that refers to this warranty, Trustor lawfully possesses and holds fee simple title to the Property without limitation on the right to encumber, and that this Deed of Trust is a valid first and prior lien on the Property subject only to the encumbrances set forth in Schedule B, Part I of the title insurance policy issued in favor of Beneficiary that ensures the priority of this Deed of Trust. Trustor, at its sole cost and expense, shall at all times keep, protect, defend, and maintain title to the Property free and clear of any liens or encumbrances that would or could impair the validity or priority of this Deed of Trust.

PROVIDED, HOWEVER, that (i) if the principal and interest and all other sums due or to become due under the Note, including, without limitation, any prepayment fee, premium or penalty, if required to be paid pursuant to the terms of the Note, shall have been paid at the time and in the manner stipulated therein and all other indebtedness secured hereby shall have been paid, or (ii) Trustor shall be entitled to the release of this Deed of Trust pursuant to the terms and conditions of the Loan Agreement, then in either such case, the estate, right, title and interest of Trustee and Beneficiary in the Property shall cease, and upon payment of Trustee's fees and costs and all recording costs and all reasonable attorneys fees and other costs and expenses of Beneficiary and/or Trustee paid in connection with such release, Trustee shall release this Deed of Trust and the Property shall become wholly free of the liens, security interests, conveyances and assignments created and evidenced hereby. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

Provided further that the Obligations secured hereby shall not include the payment and performance of the covenants and obligations of Trustor under that certain Environmental Indemnity Agreement of even date herewith, which obligations and covenants are not, notwithstanding anything to the contrary contained herein, secured by this Deed of Trust.

AGREEMENT

1. COVENANTS OF TRUSTOR. To protect the security of this Deed of Trust, Trustor agrees:

1.1 Performance. To pay all indebtedness and perform all obligations that are secured by this Deed of Trust in accordance with their terms.

1.2 Insurance. To maintain in force on the Property hazard insurance, public liability insurance and any other insurance containing such deductibles and terms as requested from time to time by Beneficiary, or required by law or the Loan Agreement. Approval of any insurance by Beneficiary will not be a representation of the solvency of any insurer or the sufficiency of any amount or form of insurance.

1.3 Assignment of Proceeds. All insurance proceeds on the Property, all proceeds of a sale of all or any portion of the Property, and all causes of action, claims, compensation, awards and recoveries for any damage, condemnation or taking of all or any part of the Property or for any damage or injury to it or for any loss or diminution in value of the Property, are hereby assigned to and shall be paid to Beneficiary. At Beneficiary's option, Beneficiary may appear in and prosecute (either in its own name or in the name of Trustor) or participate in any suits or proceedings relating to any such proceeds, causes of actions, claims, compensation, awards or recoveries and may adjust, compromise or settle any claim in connection therewith. Beneficiary shall apply any sums received by it under this Section 1.3 first to the payment of all of its reasonable costs and expenses (including but not limited to legal fees and disbursements) incurred in obtaining those sums, and then, in its absolute discretion and without regard to the adequacy of its security, to the payment of the indebtedness and obligations secured by this Deed of Trust, except as provided in Section 1.11 below. Any application of such funds to the indebtedness secured hereby shall not be construed to cure or waive any Event of Default or invalidate any acts of Beneficiary arising out of such Event of Default.

1.3.1 Notwithstanding the foregoing or anything else in this Section 1.3, Trustor shall have the right in the event of any casualty or condemnation, to pay Beneficiary the amount required pursuant to the Loan Agreement to obtain a release of this Deed of Trust and to have the amount of all insurance proceeds and/or condemnation awards applied toward such amounts. If Trustor does not so elect, Beneficiary shall have the right to require Trustor to repair or restore such damage or destruction, as provided hereinbelow. Should Beneficiary elect to so require such repair or restoration, Beneficiary shall apply all sums received by it under this Section (after payment of its costs and expenses incurred in obtaining such sums) to such repair or restoration and, if such sums are insufficient for such restoration or repair, then, Trustor shall pay to Beneficiary, within thirty (30) days after demand by Beneficiary therefor, an amount equal to such insufficiency, and, if such insufficiency is not so paid and Beneficiary pays such insufficiency from its own funds, same shall be added on to the principal balance of the Note and shall bear interest thereafter at the default rate (as described in the Note). In the event that either (A) Trustor does not request that the Property be restored or repaired as allowed hereinabove and Beneficiary has not required such restoration or repair as allowed hereinabove, or (B) the conditions precedent to such restoration or repair have not been met and satisfied (or waived by Beneficiary as provided above); then, in any of such events, all remaining sums received by Beneficiary hereunder shall be applied by Beneficiary to reduce the Debt secured hereby (and shall be applied toward paying the amount required to obtain a release of this Deed of Trust pursuant to the Loan Agreement). If there are insurance proceeds and/or condemnation awards in excess of amounts needed for restoration or repair, and provided that no Event of Default has occurred and is continuing, such excess shall be returned to Trustor.

1.4 Taxes and Assessments. Trustor agrees to pay when due all taxes, fees, impositions, and assessments which are or may become a lien on all or any portion of or interest in the Property or which are assessed against the Property or its rents, royalties, profits and income. Trustor also agrees to pay when due all lawful claims and demands of mechanics, materialmen, laborers and others for any work performed or materials delivered with respect to the Property, subject to any provisions of the Loan Agreement permitting Trustor to contest any such claims or demands. In the event of the passage after the date of this Deed of Trust of any law of the State of California, deducting from the value of land, for the purpose of taxation, any lien thereon, or changing in any way the laws now in force for the taxation of deeds of trust or debts secured by deeds of trust for state or local purposes or the manner of the collection of such taxes so as to affect this Deed of Trust, the entire principal balance

under said Note, together with all accrued interest thereon, at the option of Beneficiary, without demand or notice, forthwith shall become due and payable; provided, however, that such option shall be ineffective if Trustor is permitted by law to pay the whole of such tax, in addition to all other payments required hereunder, and, if prior to such specified date, Trustor does pay such tax and agrees to pay any such tax when hereafter levied or assessed against the Property, and such agreement shall constitute a modification of this Deed of Trust.

1.5 Perfection of Security. Trustor agrees to execute and deliver to Beneficiary, from time to time on demand and at Trustor's cost and expense, any documents required to perfect and continue the perfection of Beneficiary's interest in the Property.

1.6 Rents and Income.

1.6.1 As set forth below, all of the existing and future rents, royalties, income, revenue, and profits of the Property (collectively "**Rents**") that arise from its use or occupancy are hereby absolutely and presently assigned to Beneficiary. However, until an Event of Default, Trustor will have a license to collect and receive the Rents. At any time following an Event of Default, Beneficiary may terminate Trustor's license in its discretion at any time without notice to Trustor and may thereafter collect the Rents itself or by an agent or receiver. Neither the foregoing assignment nor the exercise by Beneficiary of any of its rights or remedies under this Deed of Trust shall be deemed to make Beneficiary a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Property or the use, occupancy, enjoyment, or operation of all or any portion thereof, unless and until Beneficiary, in person or by agent, assumes actual possession thereof. Possession by a court-appointed receiver will not be considered possession by Beneficiary. Neither Beneficiary nor a receiver shall have an obligation to pay the costs of operation and management of the Property unless the Rents actually collected by Beneficiary or the receiver are sufficient to pay such costs. An assignment of leases and rents by Trustor is subject to the Uniform Assignment of Rents Act codified as NRS Chapter 107A, as amended from time to time, and in the event of any conflict or inconsistency between the provisions of such assignment and the provisions of such act, the provisions of NRS Chapter 107A shall control.

1.6.2 Trustor shall obtain Beneficiary's prior written consent to the terms and tenants of all occupancy agreements and leases of all or any portion of the Property prior to Trustor's execution of any such lease or occupancy agreement. In addition, Trustor shall obtain Beneficiary's prior written consent to any standard form, and to any material deviation from such form, prior to the execution of any lease or occupancy agreement by Trustor.

1.6.3 Without the prior written consent of Beneficiary, Trustor shall not accept prepayments of rent exceeding one month under any leases or occupancy agreements affecting any of the Property, nor modify or amend any such leases or occupancy agreements, nor in any manner impair Beneficiary's interest in the Rents of the Property. Trustor shall fully and timely perform all covenants of the lessor under any such leases or occupancy agreements. Upon Beneficiary's request, Trustor shall execute and deliver to Beneficiary for recordation an assignment of leases on Beneficiary's form. Trustor represents and warrants that Trustor has good title to the leases and the full right and power to assign the same; and that no other person has any right, title, or interest therein; that Trustor has duly and punctually performed all the terms, covenants, conditions, and warranties of the leases on Trustor's part to be performed; that the leases are valid and unmodified and in full force and effect; that Trustor has not previously sold, assigned, transferred, hypothecated, or pledged the Rents, whether now due or hereafter to become due; that any Rents due and issuing from the Property or any portion thereof for any period after the date hereof have not been collected; and that payment of any of the Rents has not otherwise been anticipated, waived, released, discounted, set-off, or otherwise discharged or compromised; that Trustor has not received any funds or deposits from tenants other than as previously disclosed in a Tenant Estoppel; and that the tenants under the leases are not in

default with respect to any of the terms of the leases. If any of the foregoing representations or warranties of Trustor shall be found to be untrue, or Trustor shall default in the observance or performance of any obligation, term, covenant, condition, representation, or warranty contained in this Section 1.6, then, in each such instance, upon Beneficiary's delivery of five (5) days' written notice to Trustor of such occurrence, the same shall constitute and be deemed to be a default under the Note, this Deed of Trust, the Loan Agreement, and the other Loan Documents, entitling Beneficiary to declare all sums secured by this Deed of Trust immediately due and payable, and to exercise any and all of the rights and remedies provided under this Deed of Trust, the Note, the Loan Agreement, and the other Loan Documents, in addition to any other rights or remedies it may have at law or in equity.

1.6.4 Each lease or occupancy agreement affecting any of the Property must provide, in a manner approved by Beneficiary, that the tenant shall recognize as its lessor any person succeeding to the interest of Trustor upon any foreclosure of this Deed of Trust or transfer in lieu of foreclosure.

1.7 **Acceleration.** Without the prior written consent of Beneficiary (which consent may be withheld in Beneficiary's sole and absolute discretion), Trustor shall not sell, encumber, assign, contract to sell, grant an option to sell, lease, or otherwise transfer or convey the Property or any portion thereof or interest therein or suffer its title therein to be divested whether voluntarily, by operation of law or otherwise, and Trustor shall not dissolve, cease doing business or terminate its existence. If such an event occurs without Beneficiary's prior written consent, Beneficiary may, in its sole option and upon written notice to Trustor, accelerate the maturity date of the sums secured hereby and declare all such sums immediately due and payable.

1.8 **Waste; Changes in Zoning; Subdivision.**

1.8.1 Trustor shall not commit any waste on the Property or take any actions that might invalidate any insurance carried on the Property. Trustor shall maintain the Property, and every portion thereof, in good condition and repair. Beneficiary shall have the right, but not the obligation, to enter upon and take possession of the Property and to make additions, alterations, repairs, or improvements to the Property which Beneficiary may consider necessary or proper to keep the Property in good condition and repair. No Improvements may be removed, demolished or materially altered without the prior written consent of Beneficiary, which Beneficiary may withhold in its sole and absolute discretion. No personal property in which Beneficiary has a security interest may be removed from the Property unless it is immediately replaced by similar property of at least equivalent value on which Beneficiary will immediately have a valid first lien and security interest.

1.8.2 Without the prior written consent of Beneficiary, which Beneficiary may withhold in its sole and absolute discretion, Trustor shall not seek, make or consent to any change in the zoning or conditions of use of the Property. Trustor, at its sole cost, shall comply with and make all payments required under the provisions of any covenants, conditions or restrictions affecting the Property, including but not limited to those contained in any declaration and constituent documents of any condominium, cooperative or planned development project on the Property. Trustor, at its sole cost, shall comply with all existing and future requirements of all governmental authorities having jurisdiction over the Property.

1.8.3 If this Deed of Trust covers a subdivision or common interest development ("**Subdivision**"), as defined under any California law relating to the development or sale of a "common interest development" or a "subdivision," Trustor shall obtain, comply with and keep in effect all present and future permits, maps, bonds and other agreements required by applicable laws and regulations for the lawful construction or sale of the Subdivision lots and/or units. Trustor must also

maintain an active sales program for the Subdivision, and always be in a position to convey insurable title to the lots and/or units to purchasers.

1.9 Books and Records.

1.9.1 Trustor shall keep adequate books and records of account of the Property and its own financial affairs on an accrual basis sufficient to permit the preparation of financial statements therefrom in accordance with generally accepted accounting principles. Beneficiary shall have the right to examine, copy and audit Trustor's records and books of account at all reasonable times. If the Property is at any time used for commercial or residential income purposes, Trustor will deliver to Beneficiary, upon request, certified financial statements and profit and loss statements for Trustor and the Property prepared in accordance with generally accepted accounting principles.

1.9.2 Trustor will promptly furnish from time to time, upon Beneficiary's request, a duly acknowledged written statement setting forth all amounts due on the indebtedness secured by this Deed of Trust and stating whether any offsets or defenses exist, and containing such other matters as Beneficiary may reasonably require.

1.10 Defend Security. Trustor shall, at its own expense, appear in and defend any action or proceeding that might affect Beneficiary's security or the rights or powers of Beneficiary or that purports to affect any of the Property. If Trustor fails to perform any of its covenants or agreements contained in this Deed of Trust, the Loan Agreement, or any of the other Loan Documents, or if any action or proceedings of any kind (including but not limited to any bankruptcy, insolvency, arrangement, reorganization or other debtor relief proceeding) is commenced which might affect Beneficiary's interest in the Property or Beneficiary's right to enforce its security, then Beneficiary may, at their option, make any appearances, disburse any sums and take any actions as may be necessary or desirable to protect or enforce the security of this Deed of Trust or to remedy the failure of Trustor to perform its covenants, including without limitation payment on behalf of Trustor of any taxes, assessments, liens, insurance premiums, and repair or maintenance costs (without, however, waiving any default of Trustor). Trustor agrees to pay all reasonable out-of-pocket expenses of Beneficiary thus incurred (including but not limited to fees and disbursements of counsel). Any sums disbursed or advanced by Beneficiary shall be additional indebtedness of Trustor secured by this Deed of Trust and shall be payable by Trustor upon demand. Any such sums so disbursed or advanced by Beneficiary shall bear interest at the Default Interest Rate as set forth in the Note. This Section 1.10 shall not be construed to require Beneficiary to incur any expenses, make any appearances, or take any other actions.

1.11 Damage and Destruction. Notwithstanding anything contained herein to the contrary, if any part of the Property is damaged or destroyed by any means, including, without limitation, by flood, earthquake, wind or fire, Trustor shall promptly restore the Property to its prior undamaged condition, in accordance with the following:

1.11.1 Trustor shall present within 60 days of such damage or destruction to Beneficiary a plan for restoration which includes, among other things, plans and specifications prepared by an architect satisfactory to Beneficiary, cost estimates and time schedules which in Beneficiary's sole discretion are satisfactory;

1.11.2 Trustor shall enter into, with Beneficiary's prior written consent, which consent shall not be unreasonably withheld, a contract with contractor(s) providing for complete restoration in accordance with such restoration plan previously approved by Beneficiary within three (3) months of such damage or destruction; and

1.11.3 The insurance proceeds available by reason of such damage or destruction that are received by Beneficiary pursuant to Section 1.3 above (less Beneficiary's costs and expenses incurred in obtaining such funds) plus additional sums provided to Beneficiary by Trustor for restoration purposes shall be at least equal to the anticipated costs of completing such construction, which anticipated costs shall include, but not be limited to, appropriate interest reserves and contingency funds reasonably required by Beneficiary.

When Trustor has complied with all of the preceding portions of this Section 1.11, Beneficiary may condition disbursement of the sums specified in Subsection 1.11.3 above to Trustor on terms and conditions such as those governing disbursements of loan funds in construction loans made by Beneficiary for similar properties.

1.12 Condemnation. Trustor hereby assigns to Beneficiary, as security for Trustor's obligations under the Loan Documents, all compensation, awards and other payments (collectively, "**Compensation**") payable to Trustor in connection with any taking of all or any portion of the Property for public use, and any proceeds of any related settlement regardless of whether eminent domain proceedings are instituted in connection therewith. Trustor shall deliver to Beneficiary immediately upon receipt all Compensation and related settlement proceeds. Beneficiary may apply all such amounts to the payment of the secured Obligations in such order and manner as the Beneficiary, in its discretion, shall elect. Trustor hereby specifically, unconditionally and irrevocably waives all rights of a property owner granted under applicable law, including NRS 37.115, which provide for allocation of condemnation proceeds between a property owner and a lienholder.

1.13 Security Agreement and Fixture Filing. This Deed of Trust is intended to be and shall constitute a Security Agreement as defined in both the Nevada Uniform Commercial Code and the California Uniform Commercial Code, the Trustor being the Debtor and the Beneficiary being the Secured Party. This Deed of Trust also constitutes a fixture filing under the Nevada Uniform Commercial Code and the California Uniform Commercial Code. The Trustor irrevocably authorizes the Beneficiary to file financing statements describing the Mortgaged Property, and each component thereof, in all jurisdictions in which such financing statements are required to be filed to perfect the grant of the security interest in the Mortgaged Property, and each component thereof. Further, the Trustor authorizes the Beneficiary to file financing statements covering "all assets", "all personal property" of "al personal property and fixtures" of the Trustor as contemplated by Nevada Revised Statutes ("**NRS**") Section 104.9504 of the Nevada Uniform Commercial Code and Section 9-504 of the California Uniform Commercial Code. Any reproduction of this Deed of Trust or of any other security agreement or financing statement shall be sufficient as a financing statement. This Deed of Trust is intended to be a financing statement within the purview of subclause 2 of NRS 104.9502 of the Nevada Uniform Commercial Code and Section 9-502(b) of the California Uniform Commercial Code with respect to the Mortgaged Property, and each component thereof, and the goods described herein, which goods are or may become fixtures relating to Land and/or the Improvements Trustor hereby grants Beneficiary a security interest in any items of personal property described in **Exhibit "B"** attached hereto which are not herein effectively made a part of the real property, for the purpose of securing all indebtedness and other obligations of Trustor now or hereafter secured by this Deed of Trust. Trustor agrees to execute and deliver financing and continuation statements covering said property from time to time in such form as Beneficiary may require to perfect and continue the perfection of Beneficiary's security interest with respect to said property, and to reimburse Beneficiary for any costs incurred in filing such financing statements and any continuation statements. Trustor shall not create or allow the creation of any other security interest in said property. Upon the occurrence of any default by Trustor hereunder, Beneficiary shall have the rights and remedies of a secured party under the California Commercial Code, as well as all other rights and remedies available at law or in equity or as provided herein, all at Beneficiary's option. Trustor and Beneficiary agree that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in any way derogating from or impairing this declaration and the hereby stated intention

of the parties hereto that everything used in connection with the operation or occupancy of said property or the production of income therefrom is and, at all times and for all purposes and in all proceedings, both legal and equitable, shall be regarded as real property encumbered by this Deed of Trust, irrespective of whether (a) any such item is physically attached to the buildings and improvements, (b) serial numbers are used for the better identification of certain equipment, or (c) any such item is referred to or reflected in any such financing statement so filed at any time. Such mention in the financing statement is declared to be for the protection of the Beneficiary in the event any court or judge shall at any time hold that notice of Beneficiary's priority of interest must be filed in the Commercial Code records to be effective against a particular class of persons, including, but not limited to, the federal government and any subdivisions or entity of the federal government.

1.14 Compensation; Exculpation; Indemnification.

1.14.1 Trustor hereby agrees to indemnify Beneficiary against, and holds them harmless from all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees and other legal expenses, cost of evidence of title, cost of evidence of value, and other expenses which either may suffer or incur (a) by reason of this Deed of Trust; or (b) by reason of the execution of this trust or in performance of any act required or permitted hereunder or by law; or (c) as a result of any failure of Trustor to perform Trustor's obligations; or (d) by reason of any alleged obligation or undertaking on Beneficiary's part to perform or discharge any of the representations, warranties, conditions, covenants or other obligations contained in any other document related to the Property. Notwithstanding the foregoing, Trustor shall not be liable under this Subsection 1.14.1 to the extent that Trustor establishes that such liability is attributable solely and directly to the gross negligence or willful misconduct of Beneficiary.

1.14.2 Trustor shall pay all indebtedness arising under this Section 1.14 immediately upon demand by Beneficiary together with interest thereon from the date the indebtedness arises at the Default Interest Rate set forth in the Note (after giving effect to any notice and/or cure periods). Trustor's duty to indemnify Beneficiary shall survive the release and cancellation of the Obligations and the release and reconveyance or any partial release or reconveyance of this Deed of Trust.

1.15 Due On Sale and Encumbrance. Trustor acknowledges and agrees that the creditworthiness and expertise of Trustor in owning and operating the Property covered by this Deed of Trust which secures the Note is the basis upon which Beneficiary has determined that it is protected against impairment of the security and risk of default and thereby has agreed to lend Trustor the principal sum set forth above. Except as may be expressly set forth in the Loan Agreement for any "**Permitted Transfer**" (as defined in the Loan Agreement), Trustor agrees that: (a) said Property shall not be sold, agreed to be sold, conveyed, transferred, assigned, disposed of, or further encumbered, whether voluntarily, involuntarily, by operation of law or otherwise, and (b) any event constituting a "**Transfer**" (as defined in the Loan Agreement) shall cause the then outstanding principal balance and interest thereon and other sums secured by this Deed of Trust, at the option of Beneficiary, to immediately become due and payable.

1.16 Gaming. The Property does not include any gaming device as defined in Nev. Rev. Stat. 463.0155 or any rents, issues, profits, income or revenue, the receipt of which would require a gaming license under the provisions of Chapter 463, Nevada Revised Statutes.

2. EVENTS OF DEFAULT. An "**Event of Default**" shall have occurred under this Deed of Trust upon the occurrence of any of the following after the expiration of any applicable notice and cure period:

2.1 Trustor fails timely to make any payment required by the Note, any future advances, or any of the other Loan Documents; or

2.2 Trustor breaches any warranty or fails to perform any other covenant contained in this Deed of Trust or any of the other Loan Documents, and does not cure that failure within the period of time, if any, that Beneficiary may elect in its sole discretion to grant in writing to Trustor to cure that failure; or

2.3 A majority of the members of the Board of Directors of Trustor withdraw as members of the Board of Directors of Trustor or otherwise materially alter their relationship with Trustor without the prior written consent of Beneficiary; or

2.4 Any other Event of Default occurs under the Loan Agreement, the Note, or any of the other Loan Documents, or a default occurs under any other agreement of Trustor relating to the Loan.

At any time following an Event of Default (but not before), Beneficiary may, at its option, notify any tenants or other parties of the existence of the assignment of Rents contained herein. Trustor does hereby specifically authorize, instruct and direct each and every present and future tenant, lessee and licensee of the whole or any part of the Property to pay all unpaid and future Rents to Beneficiary upon receipt of a written notice from Beneficiary that an Event of Default has occurred, together with a demand from Beneficiary to so pay the same and Trustor hereby agrees that each such present and future tenant, lessee and licensee may rely upon such written demand notice and from Beneficiary to so pay said Rents without any inquiry into whether there exists an Event of Default hereunder or under the other Loan Documents or whether Beneficiary is otherwise entitled to said Rents.

3. REMEDIES FOR DEFAULT.

3.1 List of Remedies for Default. At any time following an Event of Default, Beneficiary may, at its option, and without notice to or demand upon Trustor (except as may be required under applicable law):

3.1.1 Acceleration of Debt. Declare any or all indebtedness secured by this Deed of Trust to be due and payable immediately;

3.1.2 Enter and Possess Property. Enter onto the Property, in person or by agent or by court appointed receiver, and take any and all steps which may be desirable in Beneficiary's judgment to complete any unfinished construction and/or to manage, operate, preserve, develop, maintain and protect the Property, and Beneficiary may apply any Rents, royalties, income or profits collected against the Obligations secured by this Deed of Trust without in any way curing or waiving any default of Trustor;

3.1.3 Assemble and Deliver Personal Property. Cause Trustor to assemble any Personal Property and deliver it to Beneficiary at a place designated by Beneficiary;

3.1.4 Judicial Foreclosure. Bring a court action to foreclose this Deed of Trust or to enforce its provisions or any of the indebtedness or Obligations secured by this Deed of Trust;

3.1.5 Power of Sale. Trustee agrees to have and to hold in trust this Deed of Trust, together with all and singular the privileges and appurtenances, thereunto belonging. Nevertheless, in the case of default in the payment of the Note, this Deed of Trust, the Loan Agreement, or any of them, or any part thereof, or in the payment of the interest thereon, according to the tenor and effect of the Note, this Deed of Trust, the Loan Agreement, or any of them, or in the payment of any prior encumbrance, principal or interest, if any, or in case default shall be made in or in case of violation or

breach of any of the terms, conditions, covenants or agreements herein contained, Beneficiary hereunder or the legal holder of the indebtedness secured hereby may declare a violation of any of the covenants herein contained and elect to exercise the power of sale in the manner provided under applicable law. If a release deed be required, it is agreed that Trustor, its heirs or assigns, will pay the expense thereof;

3.1.6 Appointment of a Receiver. Beneficiary shall have the right to petition the court, on an ex parte basis, for the appointment of a receiver for the Property. Trustor acknowledges and agrees that Beneficiary is entitled to the appointment of a receiver for the Property without regard to (a) the adequacy of the collateral or (b) the existence of any waste with respect to the Property. TRUSTOR HEREBY CONSENTS TO THE APPOINTMENT OF A RECEIVER ON AN EX PARTE BASIS. BENEFICIARY MAY PROVIDE ANY COURT WITH A COPY OF THIS AGREEMENT AS PROOF OF BENEFICIARY'S AUTHORITY, AND TRUSTOR'S CONSENT THERETO, TO OBTAIN A RECEIVER FOR THE PROPERTY. Such right shall be exercised, if at all, by Beneficiary in Beneficiary's sole and absolute discretion at any time on or after the date hereof;

3.1.7 Other Rights and Remedies. Exercise any other right or remedy available under any of the Loan Documents or otherwise available under law or in equity, including without limitation, rights and remedies with respect to the Personal Property that are available to a Secured Party under both the Nevada Uniform Commercial Code and the California Uniform Commercial Code. In exercising any of said remedies, the Beneficiary may proceed against the items of real property and any items of personal property specified as part of the Mortgaged Property, and each component thereof, separately or together and in any order whatsoever, without in any way affecting the availability of the Beneficiary's remedies under the Nevada Uniform Commercial Code and the California Uniform Commercial Code or of the remedies otherwise provided in this Deed of Trust. Without limiting the generality of this Section of the Deed of Trust, Trustor agrees that Beneficiary shall have the same right, power and authority to enter and inspect the Subject Property as is granted to a secured lender under NRS 40.507, and that Beneficiary will have the right to appoint a receiver to enforce the right to enter and inspect the Subject Property to the extent such authority is provided under Nevada law, including, without limitation, the authority granted to a secured lender under NRS 32.015;

3.1.8 Certain Additional Personal Property Remedies. In exercising its rights against the Personal Property that is a part of the collateral hereunder, Trustor agrees that any notification required by the Nevada UCC or the California UCC shall be deemed reasonably and properly given if sent in accordance with the Notice provisions of this Deed of Trust at least ten (10) days before any sale or other disposition of the personal property that is a part of the Mortgaged Property. Disposition of the Personal Property that is a part of the collateral shall be deemed commercially reasonable if made pursuant to a public sale advertised at least twice in a newspaper of general circulation in the community where the Property is located. It shall be deemed commercially reasonable for the Trustee to dispose of the Personal Property that is a part of the collateral without giving any warranties as to such personal property and specifically disclaiming all disposition warranties. Alternatively, Beneficiary may choose to dispose of some or all of the collateral, in any combination consisting of both personal property and real property, in one sale to be held in accordance with the Law and procedures applicable to real property, as permitted by of the Nevada Uniform Commercial Code and the California Uniform Commercial Code. Trustor agrees that such a sale of personal property together with real property constitutes a commercially reasonable sale of the personal property; and/or

3.1.9 Additional Nevada Remedies. Without limiting the generality of the remedies set forth above, Trustee, if and as directed by Beneficiary, shall have all of the rights and may exercise all of the powers set forth in the applicable law of the State of Nevada, including those powers set forth in NRS Section 107.080 or any successor provision of law. Trustee may sell the

Property in its entirety or in parcels, and by one or by several sales, as deemed appropriate by Trustee in its sole and absolute discretion. If Trustee chooses to have more than one foreclosure sale, Trustee may cause the foreclosure sales to be held simultaneously or successively, on the same day, or on such different days and at such different times as Trustee may elect. Trustee shall receive and apply the proceeds from the sale of the Property, or any portion thereof in accordance with NRS Section 40.462 or any successor provision of law. Immediately upon the recordation of a notice of breach and election to sell pursuant to NRS 107.080, there shall become due and owing by Trustor all Expenses incident to any foreclosure proceedings under this Deed of Trust and a reasonable commission as commission to Trustee making sales under orders or decrees of the equity court having jurisdiction, and no Person shall be required to receive only the aggregate amount of the Obligations to the date of payment unless the same is accompanied by a tender of such commission. The term "Expenses" means all fees, charges, costs and expenses of any nature whatsoever incurred at any time and from time to time (whether before or after an Event of Default) by Beneficiary or Trustee in making, funding, administering or modifying the Loan, in protecting the security of this Deed of Trust, in negotiating or entering into any "workout" of the Loan, or in exercising or enforcing any rights, powers and remedies provided in this Deed of Trust or any of the other Loan Documents, including attorneys' fees, court costs, receiver's fees, management fees and costs incurred in the completion, repair, maintenance and operation of, or taking possession of, or selling, the Property.

3.2 Sale of Property.

3.2.1 Record Notices of Default and Sale. For any sale under the power of sale granted by this Deed of Trust, Beneficiary shall cause Trustee to record and give all notices required by law. After compliance with such notice requirements, and upon the expiration of such time as is required by law, Trustee may sell the Property upon any terms and conditions specified by Beneficiary and permitted by applicable law.

3.2.2 Right to Postpone Sale. Trustee may postpone any sale by public announcement at the time and place noticed for the sale.

3.2.3 Sale of Multiple Lots/Parcels. If the Property consists of several lots or parcels, Beneficiary in its discretion may designate their order of sale or may elect to sell them through a single sale, or through two (2) or more successive sales, or in any other manner Beneficiary may elect. In the event Beneficiary elects to dispose of the Property through more than one (1) sale, Trustor shall pay the costs and expenses of each such sale and of any judicial proceedings wherein the same may be made.

3.2.4 Right to Purchase at Nonjudicial Sale. Any person, including Trustor, Trustee and Beneficiary, may purchase at any sale, and Beneficiary shall have the right to purchase at any sale hereunder by crediting upon the bid price the amount of all or any part of the indebtedness secured hereby.

3.2.5 Deed at Sale. Upon the completion of the sale, Trustee shall execute and deliver to the purchaser or purchasers a deed or deeds conveying the property sold, but without any covenant or warranty, express or implied, and the recitals in the deed or deeds of any facts affecting the regularity or validity of the sale shall be conclusive against all persons.

3.3 Application of Proceeds. The proceeds of any sale under this Deed of Trust shall be applied in the following manner:

3.3.1 First, Payment of the costs and expenses of the sale, including but not limited to Trustee's fees, legal fees and disbursements, title charges and transfer taxes, and payment of all

expenses, liabilities and advances of Trustee, together with interest on all advances made by Trustee at the maximum rate permitted to be charged by Trustee under applicable law.

3.3.2 Second, Payment of all sums expended by Beneficiary under the terms of this Deed of Trust and not yet repaid, together with interest on such sums at the Default Interest Rate set forth in the Note.

3.3.3 Third, Payment of the entire indebtedness and Obligations of Trustor secured by this Deed of Trust, in any order that Beneficiary chooses.

3.3.4 Fourth, The remainder, if any, to the person or persons legally entitled to it.

3.4 Waiver of Rights. Trustor, for itself, its successors and assigns, waives all rights to direct the order in which any of the Property shall be sold in the event of any sale under this Deed of Trust, and also any right to have any of the Property marshaled upon any sale. Without limiting the generality of the foregoing, to the extent permitted by applicable law, Trustor waives all rights, legal and equitable, it may now or hereafter have to require marshaling of assets or to require foreclosure sales of assets in a particular order, including any rights provided by NRS 100.040 and 100.050. The Trustor shall not apply for or avail itself of any appraisal, valuation, redemption, stay, extension or exemption laws, or any so-called "moratorium laws", now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust, and the Trustor hereby waives the benefit of such laws. The Trustor, for itself, its successors and assigns, hereby wholly waives the period of redemption and any right of redemption provided under any existing or future law in the event of a foreclosure of this Deed of Trust. The Trustor, for itself and all who may claim through or under it, hereby agrees that any court having jurisdiction to foreclose such lien may order the Property sold as an entirety. The Trustor hereby waives any order or decree of foreclosure, pursuant to the rights herein granted, on behalf of the Trustor, and each and every person acquiring any interest in or title to the Property, subsequent to the date of this Deed of Trust, and on behalf of all other persons to the extent permitted by applicable law, and each successor and assign of Trustor, including any holder of a lien or security interest subordinate to this Deed of Trust, by acceptance of its interest or lien or security interest, agrees that it shall be bound by the above waivers, as if it had given the waivers itself.

3.5 Remedies Are Cumulative. All remedies contained in this Deed of Trust are cumulative, and Beneficiary has all other remedies provided by law, in equity, or in any other agreement between Trustor and Beneficiary. No delay or failure by Beneficiary to exercise any right or remedy under this Deed of Trust shall be construed to be a waiver of that right or remedy or of any default by Trustor. Beneficiary may exercise any one (1) or more of its rights and remedies at its option without regard to the adequacy of its security.

3.6 Payment of Expenses. Trustor shall pay all of Beneficiary's and Trustee's reasonable expenses incurred in any efforts to enforce any terms of this Deed of Trust, whether or not any lawsuit is filed, including but not limited to legal fees and disbursements, foreclosure costs, escrow fees, filing fees, recording fees, and title charges.

3.7 No Cure or Waiver. Neither Beneficiary's nor Trustee's nor any receiver's entry upon and taking possession of all or any part of the Property, nor any collection of Rents, issues, profits, Proceeds, other security or proceeds of other security, or other sums, nor the application of any collected sum to any Obligation, nor the exercise of any other right or remedy by Beneficiary or Trustee or any receiver shall cure or waive any breach, Event of Default or notice of default under this Deed of Trust, or nullify the effect of any notice of default or sale (unless all Obligations then due have been paid and performed and Trustor has cured all other defaults), or impair the status of the security, or prejudice Beneficiary or Trustee in the exercise of any right or remedy, or be construed as an

affirmation by Beneficiary of any tenancy, Lease, or option or a subordination of the lien of this Deed of Trust.

3.8 Power To File Notices and Cure Defaults. Subject to any notice and cure rights set forth herein or in any of the other Loan Documents, Trustor hereby irrevocably appoints Beneficiary and its successors and assigns as Trustor's attorney-in-fact, which agency is coupled with an interest:

(a) to execute and record any notices of completion, cessation of labor, or any other notices that Beneficiary deems appropriate to protect Beneficiary's interest, and

(b) upon the occurrence of an Event of Default, to perform any obligation of Trustor hereunder; provided, that:

(c) Beneficiary, as such attorney-in-fact, shall only be accountable for such funds as are actually received by Beneficiary; and

(d) Beneficiary shall not be liable to Trustor or any other person or entity for any failure to act under this section.

4. MISCELLANEOUS.

4.1 Invalidity. The invalidity or unenforceability of any one or more provisions of this Deed of Trust will in no way affect any other provision.

4.2 Statement. Trustor agrees to pay Beneficiary a reasonable charge, not to exceed the maximum allowed by law, for giving any statement of the status of the obligations secured by this Deed of Trust.

4.3 Notices. All notices given under this Deed of Trust must be in writing and will be effectively served upon personal delivery or, if mailed, no later than forty-eight (48) hours after deposit in first class or certified United States mail, postage prepaid, sent to Beneficiary at its address appearing in the recording information block on the front page of this Deed of Trust and sent to Trustor at its address appearing below its signature, which address may be changed by written notice. However, the service of any notice of default or notice of sale under this Deed of Trust as required by law will, if mailed, be effective on the date of mailing.

4.4 Rights of Beneficiary To Release Debtors or Security. Without affecting Trustor's liability for the payment of any of the indebtedness secured by this Deed of Trust, Beneficiary may from time to time and without notice to Trustor (a) release any person liable for the payment of this indebtedness, (b) extend or modify the terms of that indebtedness, (c) accept additional real or personal property of any kind as security, or alter, substitute or release any property securing that indebtedness, or (d) consent to the making of any map or plat of the Property, or to reconvey any part of the Property, or to join in granting any easement or creating any restriction on the Property, or to join in any subordination or other agreement affecting this Deed of Trust.

4.5 Inspection Rights. Beneficiary may at any reasonable times enter upon and inspect the Property in person or by agent.

4.6 Reconveyance. Upon the payment in full of all sums secured by this Deed of Trust, Beneficiary agrees to reconvey the Property, and upon payment by Trustor of its fees and all other sums owing to it under this Deed of Trust, Beneficiary shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons must pay all costs of recordation.

The recitals in the reconveyance of any facts will be conclusive as to all persons. The grantee in the reconveyance may be described as "the person or persons legally entitled thereto."

4.7 Governing Law. The provisions of this Deed of Trust regarding procedural matters and the perfection and enforcement of the liens and security interests herein granted shall be governed by and construed under the laws of the State of Nevada. All other provisions of this Deed of Trust shall be governed by the laws of the State of California, without regard to conflicts of laws principles. However, if there ever is a question about whether any provision of this Deed of Trust is valid or enforceable, the provision that is questioned will be governed by the laws of whichever state would find the provision to be valid and enforceable.

4.8 Use of Pronouns. The term "**Trustor**" includes both the Trustor and any subsequent owner or owners of any of the Property, and the term "**Beneficiary**" includes the Beneficiary and also any future owner or holder, including pledges and participants, of the Note or any interest therein. Whenever the context requires, the singular includes the plural and vice versa and each gender includes each other gender.

4.9 Headings; Underlining. The headings of the articles and sections of this Deed of Trust are for convenience only and do not limit its provisions. The use of underlining in this Deed of Trust is for convenience only, and the parties understand and agree that the presence or absence of underlining shall not be used in interpreting or construing this Deed of Trust or any provision hereof.

4.10 Waiver. Neither the acceptance of any partial or delinquent payment or performance nor the failure to exercise any rights upon a default shall be a waiver of Trustor's obligations hereunder. Beneficiary's consent to any act or omission by Trustor will not be a consent to any other or subsequent act or omission or a waiver of the need for such consent in any future or other instance.

4.11 Successors and Assigns. Subject to the provisions of Section 1.7 hereof, the terms of this Deed of Trust shall bind and benefit heirs, legal representatives, successors and assigns of Trustor and Beneficiary.

4.12 Joint and Several Liability. If Trustor consists of more than one person or entity, each shall be jointly and severally liable to perform the obligations of Trustor.

4.13 Subrogation. Beneficiary shall be subrogated to the lien of all encumbrances, whether released of record or not, paid in whole or in part by Beneficiary pursuant to this Deed of Trust or by the proceeds of any loan secured by this Deed of Trust.

4.14 Statutes of Limitation. Trustor hereby waives the pleading of any and all statutes of limitation as a defense to any action brought against Trustor by Beneficiary, to the fullest extent permitted by law.

4.15 Time of the Essence. Time is of the essence as to all obligations under this Deed of Trust.

4.16 Requests For Notice. Trustor requests that a copy of any notice of default and notice of sale required by law be mailed to it at its address set forth above.

4.17 Savings Clause. Regardless of any provision contained in this Deed of Trust, the Loan Documents, or any documents executed or delivered in connection therewith, Beneficiary will never be considered to have contracted for or to be entitled to charge, receive, collect, or apply as interest and hereby disavows any intention to so receive, collect, or apply as interest, any amount in excess of the maximum amount permissible under applicable law. Without limiting its general

applicability, the preceding sentence specifically applies to any acceleration of the Obligations or any part thereof. In the event that Beneficiary ever receives, collects, or applies as interest any such excess, the amount which would be excessive interest will be applied to the reduction of the principal balance of the Obligations, and, if the principal balance of the Obligations is paid in full, any remaining excess shall forthwith be paid to Trustor, and Trustor agrees to accept such payment from Beneficiary, together with interest on such sums at the maximum lawful rate then in effect. In determining whether the interest paid or payable exceeds the maximum amount permissible under applicable law, Beneficiary and Trustor shall, to the greatest extent permitted under applicable law:

4.17.1 characterize any non-principal payment (other than payments which are expressly designated as interest payments hereunder) as an expense or fee rather than as interest;

4.17.2 exclude voluntary prepayments and the effect thereof; and

4.17.3 amortize, prorate, allocate, and spread the total amount of interest throughout the entire contemplated item of the Obligations so that the interest rate is uniform throughout the term.

4.18 Acceptance of Trust; Powers and Duties of Trustee. Trustee accepts this trust when this Deed of Trust is recorded. From time to time upon written request of Beneficiary and presentation of this Deed of Trust for endorsement, and without affecting the personal liability of any person for payment of any indebtedness or performance of any Obligation secured hereby, Trustee may, without liability therefor and without notice, and upon the direction of Beneficiary: reconvey all or any part of the Property; consent to the making of any map or plat thereof; join in any grant of easement thereon, any declaration of CC&Rs, any extension agreement or any agreement subordinating the lien or charge hereof.

4.19 Removal of Trustee. Beneficiary may remove Trustee or any successor Trustee at any time or times and appoint a successor Trustee by recording a written substitution in the county where the Real Property covered by this Deed of Trust is located, or in any other manner permitted by law. Upon that appointment, all of the powers, rights and authority of Trustee will immediately become vested in its successor.

4.20 Amendments. This Deed of Trust cannot be altered, amended, modified, terminated, waived, released or discharged except in a writing signed by the party against whom enforcement is sought. To the extent permissible under applicable law, any amendments or modifications hereof or of the Loan Documents shall not affect the priority of the lien of this Deed of Trust, and any person or entity purporting to have or to take a junior deed of trust or other lien upon the Property or any interest therein shall be subject to the rights of the Beneficiary to amend, modify, increase, vary, alter or supplement this Deed of Trust and/or any of the other Loan Documents. This right shall include, without limitation, the right to extend the maturity date of any or all of the secured Obligations, the right to increase the Obligations secured hereby and the right to waive or forebear the exercise of any of its rights hereunder or under any of the other Loan Documents, in each and every case without obtaining the consent of the holder of such junior lien and without the lien or security interest of this Deed of Trust losing its priority over the rights of any such junior lien.

4.21 Incorporation of Nevada Statutory Provisions. Where not inconsistent with the provisions of this Deed of Trust, the following covenants, Nos. 1; 2 (full replacement value); 3; 4 (Default Rate, as defined in the Note); 5; 6; 7 (a reasonable percentage); 8 and 9 of Nevada Revised Statutes Section 107.030 are hereby adopted and made a part of this Deed of Trust.

5. ABSOLUTE ASSIGNMENT OF LEASES AND RENTS.

5.1 Scope of Assignment. Trustor hereby absolutely and irrevocably grants, sells, assigns, transfers and sets over to Beneficiary:

5.1.1 Rents. All of the rents, issues, profits, royalties, income and other benefits (collectively, "**Rents**") now existing or hereafter created and affecting all or any portion of the Property or the use or occupancy thereof.

5.1.2 Leases. All of Trustor's right, title and interest in and to all leases, subleases, subtenancies, licenses, occupancy agreements and concessions covering Property or any portion thereof or space therein now or hereafter existing, including all modifications, amendments, extensions and renewals thereof, and all rights and privileges incident thereto (collectively hereafter referred to as the "**Leases**").

5.1.3 Security Deposits. All security deposits, guaranties and other security now or hereafter held by Trustor as security for the performance of the obligations of the Lessees under the Leases.

5.2 Assignment. This Assignment is intended by Trustor and Beneficiary to create and shall be construed to create an assignment to Beneficiary of all of Trustor's right, title and interest in the Rents and in the Leases. Trustor and Beneficiary further agree that, during the term of this Assignment, the Rents shall not constitute property of Trustor (or of any estate of Trustor) within the meaning of 11 U.S.C. Section 541, as amended from time to time.

5.3 Grant of License. By its acceptance of this Assignment and so long as an Event of Default shall not have occurred and be continuing hereunder, Beneficiary hereby grants to Trustor a revocable license to enforce the Leases, to collect the Rents, to apply the Rents to the payment of costs and expenses incurred in connection with the development, construction, operation, maintenance, repair and restoration of the Property, and to any indebtedness secured thereby and to distribute the balance, if any, to Trustor.

5.4 Revocation of License. Upon the occurrence of an Event of Default, and at any time thereafter during the continuance of such default, Beneficiary shall have the right to exercise any and all remedies available, including without limitation the right to revoke the license granted to Trustor hereby by giving written notice of such revocation to Trustor. Upon such revocation, Trustor shall promptly deliver to Beneficiary all Rents then held by Trustor and Beneficiary shall thereafter be entitled to enforce the Leases, to collect and receive, without deduction or onset, all Rents payable thereunder, including, but not limited to, all Rents which were accrued and unpaid as of the date of such revocation and to apply such Rents as provided in this Deed of Trust.

5.5 Appointment of Trustor as Agent for Beneficiary.

5.5.1 Purpose of Appointment. Upon such revocation, Beneficiary may, at its option, appoint Trustor to act as agent for Beneficiary for the purpose of:

- (a) Managing and operating the Property and paying all expenses incurred in connection therewith and approved by Beneficiary.
- (b) Enforcing the provisions of the Leases.
- (c) Collecting all Rents due thereunder.

5.5.2 Notice To Trustor To Act as Agent. If Beneficiary so elects, Beneficiary shall give written notice thereof to Trustor and Trustor agrees to act as agent of assignee for the purpose or purposes specified in such notice. Trustor shall promptly comply with all instructions and directions from Beneficiary with respect thereto. Trustor shall not be entitled to any management fee, commission or other compensation unless expressly agreed to in writing by Beneficiary.

5.5.3 Deposit of Rents Collected. All Rents collected by Trustor as agent for Beneficiary pursuant to this Paragraph shall be immediately deposited in an insured account in the name of Beneficiary in a bank or other financial institution designated by Beneficiary. All Rents collected by Trustor and all amounts deposited in such account, including interest thereon, shall be the property of Beneficiary and Trustor shall not be entitled to withdraw any amount from such account without the prior written consent of Beneficiary.

5.5.4 Purpose of Agency. The agency hereby created shall be solely responsible for the purpose of implementing the provisions of this Assignment and collecting the Rents due Beneficiary hereunder. Nothing contained herein shall place upon Beneficiary the responsibility for the management, control, operation, repair, maintenance or restoration of the Property nor shall Beneficiary be liable under or be deemed to have assumed Trustor's obligations with respect to the Leases. Beneficiary may at any time terminate the agency relationship with Trustor by written notice to Trustor.

5.6 Collection by Beneficiary. Upon the occurrence of an Event of Default and at any time thereafter during the continuance thereof, Beneficiary shall have the right, in addition to the rights granted pursuant to this Section 5.6 hereof, to collect all or any portion of the Rents assigned hereby directly or through a court-appointed receiver or pursuant to a notice to the Lessees. Such rights shall include without limitation any and all of the following:

5.6.1 Notice to Lessees To Pay Rents to Beneficiary. The right to notify the Lessee or Lessees under the Leases, with or without taking possession of the Property, to demand that all Rents under such Leases thereafter be paid to Beneficiary;

5.6.2 Enter and Possess the Property. The right to enter into possession of the Property, to assume control with respect to and to pay all expenses incurred in connection with the development, construction, operation, maintenance, repair or restoration of the Property, to enforce all Leases and to collect all Rents due thereunder, to apply all Rents received by Beneficiary, to amend, modify, extend, renew and terminate any or all Leases, to execute new Leases and to do all other acts which Beneficiary shall determine, in its sole discretion, to be necessary or desirable to carry out the purposes of this Assignment; and

5.6.3 Specific Performance. The right to specifically enforce the provisions of this Assignment and if Beneficiary shall so elect, to obtain the appointment of a receiver pursuant to and in accordance with the provisions of this Deed of Trust.

5.7 Protection of Lessees. Trustor and Beneficiary agree that all Lessees under any Leases shall be bound by and required to comply with the provisions of this Assignment. In connection therewith, Trustor and Beneficiary further agree as follows:

5.7.1 Notice to Lessees of Assignment. If requested by Beneficiary, Trustor shall: (a) notify each Lessee under any Lease now affecting all or any portion of the Property of the existence of this Assignment and the rights and obligations of Trustor and Beneficiary hereunder; (b) provide each Lessee with a copy of this Assignment; and (c) obtain such Lessee's agreement to be bound and comply with the provisions hereof.

5.7.2 Reference to Assignment. All Leases hereafter executed with respect to the Property or any portion thereof shall contain a reference to this Assignment and shall state that such Lessee shall be bound by and shall comply with the provisions hereof.

5.8 Occurrence of Event of Default. Upon the occurrence of an Event of Default and at any time thereafter during the continuance thereof, Beneficiary may, at its option, send any Lessee a notice to the effect that: (a) an Event of Default has occurred and that Beneficiary has revoked Trustor's license to collect the Rents; (b) Beneficiary has elected to exercise its rights under this Assignment; and (c) such Lessee is thereby directed to thereafter make all payments of Rents and to perform all obligations under its lease or for the benefit of Beneficiary or as Beneficiary shall direct.

5.8.1 Notice to Lessee To Comply With Leases. Upon receipt of any such notice from Beneficiary, each Lessee is hereby instructed by Trustor and Beneficiary to comply with the provisions of such notice, to make all payments of Rents and to perform all obligations under the lease to and for the benefit of Beneficiary or as Beneficiary shall direct. Such notice and direction shall remain effective until the first to occur of:

(a) the receipt by Lessee of a subsequent notice from Beneficiary to the effect that such Event of Default has been cured or that Beneficiary has appointed Trustor to act as agent for Beneficiary pursuant to this Assignment;

(b) the appointment of a receiver pursuant to this Assignment, in which event such Lessee shall thereafter make payments of Rents and perform all obligations under the leases as may be directed by such receiver; or

(c) the issuance of an order of a court of competent jurisdiction terminating this Assignment or otherwise directing such Lessee to pay Rents and perform its obligations in a manner inconsistent with said notice.

5.8.2 Lessee's Reliance on Notice From Beneficiary. Each Lessee shall be entitled to rely upon any notice from Beneficiary and shall be protected with respect to any payment of Rents made pursuant to such notice.

5.8.3 No Duty for Lessee To Investigate. Each Lessee who receives a notice from Beneficiary pursuant to this Assignment shall not be required to investigate or determine the validity or accuracy of such notice or the validity or enforceability of this Assignment. Trustor hereby agrees to indemnify, defend and hold such Lessee harmless from and against any and all loss, claim, damage or liability arising from or related to payment of Rents or performance of obligations under any lease by such Lessee made in good faith in reliance on and pursuant to such notice.

5.8.4 No Assumption by Beneficiary of Lease Obligations. The payment of Rents to Beneficiary pursuant to any such notice and the performance of obligations under any Lease to or for the benefit of Beneficiary shall not cause Beneficiary to assume or be bound by the provisions of such Lease, including, but not limited to, duty to return any security deposit to the Lessee under such lease unless and to the extent such security deposit was paid to Beneficiary by Trustor.

5.9 Application of Rents; Security Deposits. All Rents received by Beneficiary pursuant to this Assignment shall be applied by Beneficiary in any manner permitted under applicable law and/or, in Beneficiary's sole discretion, to any of the following:

5.9.1 First, to pay any costs and expenses of collection of the Rents that may be incurred by Beneficiary;

5.9.2 Second, to pay any costs and expenses incurred by Beneficiary in connection with the development, construction, operation, maintenance, repair or restoration of the Property;

5.9.3 Third, to the establishment of reasonable reserves for working capital and for anticipated or projected costs and expenses of the Property, including, without limitation, capital improvements which may be necessary or desirable or required by law;

5.9.4 Fourth, to the payment of any indebtedness then owing by Trustor to Beneficiary; and Thereafter, to remit the remainder, If any, to the person or persons entitled thereto.

In connection therewith, Trustor further agrees that all Rents received by Beneficiary from any Lessee may be allocated, if Beneficiary so elects, to the payment of all current obligations of such Lessee under its Lease and not to amounts which may be accrued and unpaid as of the date of revocation of Trustor's license to collect such Rents. Beneficiary may, but shall have no obligation to, pursue any Lessee for the payment of Rents which may be due under its lease with respect to any period prior to the exercise of Beneficiary's rights under this Assignment or which may become due thereafter. Beneficiary shall not be liable to any Lessee for the payment or return of any security deposit under any lease unless and to the extent that such security deposit has been paid to and received by Beneficiary, and Trustor agrees to indemnify, defend and hold Beneficiary harmless from and against any and all losses, claims, damages or liabilities arising out of any claim by a Lessee with respect thereto. Trustor further agrees that the collection of Rents by Beneficiary and the application of such Rents by Beneficiary to the costs, expenses and obligations referred to herein shall not cure or waive any default or Event of Default or invalidate any act (including, but not limited to, any sale of all or any portion of the Property or any property now or hereafter securing the Loan) done in response to or as a result of such Event of Default or pursuant to any notice of default or notice of sale issued pursuant to this Deed of Trust.

5.10 Covenants of Trustor. Trustor agrees as follows:

5.10.1 No Amendment or Termination of Leases. Trustor shall not enter into, amend, modify or terminate any lease of all or any portion of the Property, except in accordance with the provisions of this Deed of Trust;

5.10.2 No Acceptance of Advance Rent. Trustor shall not accept advance rent in excess of one (1) month from any Lessee without the prior written consent of Beneficiary;

5.10.3 Delivery of Leases. Upon request by Beneficiary, Trustor shall provide Beneficiary with true, correct and complete copies of all Leases, together with such other information relating to the Leases or to the Lessees thereunder as Beneficiary shall reasonably request; and

5.10.4 Beneficiary's Rights To Inspect Books and Records. Upon request of Beneficiary, Trustor shall make available to Beneficiary all books, records, financial statements and other information relating to the Leases, the collection of all Rents, and the disposition and disbursement thereof.

5.11 Priority of Assignment; Further Assurances. Trustor hereby represents and warrants that the Assignment of Rents hereby granted is a first priority assignment and that no other assignments of all or any portion of the Rents or the leases exist or remain outstanding. Trustor agrees to take such action and to execute, deliver and record such documents as may be reasonably necessary to evidence such assignment, to establish the priority thereof and to carry out the intent and purpose hereof, if requested by Beneficiary, Trustor shall execute a specific assignment of any lease now or hereafter affecting all or any portion of the Property.

5.12 Beneficiary Not Responsible for Trustor's Obligations. Nothing contained herein shall operate or be construed to obligate Beneficiary to perform any of the terms, covenants and conditions contained in any lease or otherwise to impose any obligation upon Beneficiary with respect

to any lease, including, but not limited to, any obligation arising out of any covenant of quiet enjoyment therein contained in the event the Lessee under any such Lease shall have been joined as a party defendant in any action to foreclose and the estate of such Lessee shall have been thereby terminated. Prior to actual entry into and taking possession of the Property by Beneficiary, this Assignment shall not operate to place upon Beneficiary any responsibility for the operation, control, care, management or repair of the Property or any portion thereof and the execution of this Assignment by Trustor shall constitute conclusive evidence that all responsibility for the operation control, care, management and repair of the Property is and shall be that of Trustor, prior to such actual entry and taking of possession.

5.13 Termination of Assignment. A full and complete release and reconveyance of this Deed of Trust shall operate as a full and complete release of all of Beneficiary's rights and interest hereunder. Upon the recordation of such release and reconveyance, this Assignment shall thereafter be void and of no further effect.

5.14 Trustor Waiver of Rights. Trustor waives, to the extent permitted by law, (a) the benefit of all laws now existing or that may hereafter be enacted providing for any appraisal before sale of any portion of the Trust Estate, and (b) all rights of redemption, valuation, appraisal, stay of execution, notice of election to mature or declare due the Obligations and marshaling in the event of foreclosure of the liens hereby created, and (c) all rights and remedies that Trustor may have or be able to assert by reason of the laws of the State of Nevada pertaining to the rights and remedies of sureties including, without limitation, and Nevada Rules of Civil Procedure, and (d) all rights and benefits under Nev. Rev. Stat. 40.430 (the Nevada one-action rule), and (e) all rights and defenses that it may have because Trustor's indebtedness is secured by real property, and (f) all rights and defenses arising out of an election of remedies by Beneficiary, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed Trustor's rights of subrogation and reimbursement.

THIS DEED OF TRUST SECURES, AMONG OTHER THINGS, A PROMISSORY NOTE THAT PROVIDES FOR, AMONG OTHER THINGS, ADJUSTMENTS TO THE RATE OF INTEREST. THIS DEED OF TRUST IS A LIEN AGAINST THE PROPERTY DESCRIBED HEREIN. NO FURTHER DEED OF TRUST WILL BE RECORDED AGAINST THE REAL PROPERTY WITHOUT THE PRIOR WRITTEN CONSENT OF BENEFICIARY. FAILURE TO COMPLY WITH THIS PROVISION SHALL CONSTITUTE A DEFAULT AND THE LOAN SHALL IMMEDIATELY BECOME DUE AND PAYABLE. CONSENT TO ONE FURTHER ENCUMBRANCE SHALL NOT BE DEEMED TO BE A WAIVER OF THE RIGHT TO REQUIRE SUCH CONSENT TO FUTURE OR SUCCESSIVE ENCUMBRANCES.

IN WITNESS WHEREOF, Trustor has executed this Deed of Trust as of the date first above written.
