Work performed under Section II B-1 \$30 per hour (salary and mileage)
Work performed under Section II B-2 \$50 per hour (salary and vessel)

II. PATROL ACTIVITIES:

- A. Time schedules for patrols will be flexible to allow for emergencies, other priorities, and day-to-day needs of both Cooperator and the U.S. Forest Service. Ample time will be spent in each area to make residents and visitors aware that law enforcement officers are in the vicinity.
- B. Patrol in the following campgrounds, developed sites, and dispersed areas:
 - 1. Cooperator will conduct vehicle and foot patrols at Nevada Beach on the July 4th and Labor Day holiday weekends. The patrol will consist of a minimum of two deputies paired with (if available) a Forest Service Law Enforcement Officer at the fee station entrance. The patrols will occur between 1600 and 0100.
 - a. Patrols are to be made in a marked Sheriff's vehicle and on foot. The assigned Deputies will possess a radio capable of operating on Forest Service frequencies or other jointly available frequencies and will maintain communications with the

Forest Service LEOs.

- b. For each Patrol Shift, the assigned personnel will complete and turn in an Officer's Daily Log, or similar document. These logs must accompany the request for reimbursement.
- 2. Cooperator will provide special boat patrols along National Forest shorelines and beaches to detect, enforce, and report violations of laws and regulations as they pertain to resource and property protection and public and employee safety.
 - a. Patrols are to be made in a marked Sheriff's vessel. The assigned Deputies will possess a radio capable of operating on Forest Service frequencies or other jointly available frequencies and will maintain communications with the Forest Service LEOs.
 - b. For each Patrol Shift, the assigned personnel will complete and turn in an Officer's Daily Log, or similar document. These logs shall accompany the request for reimbursement.
- 3. Cooperator will notify Camino ECC (530) 642-5170 of all known injury/fatality incidents that occur on National Forest System lands as soon as possible.
- 4. The Cooperator will furnish a proposed Forest patrol schedule to the Forest Service for review that concentrates on holiday weekends, special event and weekends. Patrols will normally occur between Memorial Day and Labor Day weekends, but may be conducted on a call-as-needed basis with Forest Service approval. The Forest patrol schedule will be implemented upon the concurrence of the Cooperator and the Forest Service. Forest patrols will be provided as Cooperator staffing allows.

Total reimbursement for this category shall not exceed the amount of: \$5,000.00.

III. EQUIPMENT AND SUPPLIES:

See Cooperative Law Enforcement Agreement Provision IV-K for additional information.

The Forest Service will loan those surplus items that will further the cooperative effort. These items are property, but in most cases will be expendable. The items will be tracked and accounted for by the Tahoe National Forest Patrol Captain. Items will be returned to the Forest Service when no longer needed and will report the damage or destruction of such property when applicable or no longer serviceable.

If any of these surplus items have original high value, serial numbers, sensitivity in storage, security or use, they will be loaned and accounted for on an amendment to this operating plan.

If the equipment is abused or neglected, as determined by the Forest Service, the Cooperator may be billed for the repairs or replacement of like equipment.

IV. SPECIAL ENFORCEMENT SITUATIONS:

- A. Special Enforcement Situations include but are not limited to: Fire Emergencies, Drug Enforcement, and certain Group Gatherings.
- B. Funds available for special enforcement situations vary greatly from year to year and must be specifically requested and approved prior to any reimbursement being authorized. Requests for funds should be made to the U.S. Forest Service designated representative listed in Item I-A of this Annual Operating Plan. The designated representative will then notify the Cooperator whether funds will be authorized for reimbursement. If funds are authorized, the parties will then jointly prepare a revised Annual Operating Plan.
 - 1. Drug Enforcement: This will be handled on a case by case basis. The request will normally come from the patrol Captain; however, it may come from the Special Agent in Charge or their designated representative. Reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to the incident will coordinate all of their activities with the designated officer in charge of the incident.
 - 2. Fire Emergency: During emergency fire suppression situations and upon request by the Forest Service pursuant to an incident resource order, the Cooperator agrees to provide special services beyond those provided under Section II-A, within the Cooperator's resource capabilities, for the enforcement of State and local laws related to the protection of persons and their property. The Cooperator will be compensated at the rate specified in Section I-B; the Forest Service will specify times and schedules. Upon concurrence of the local patrol Captain or their designated representative, an official from the Incident Management Team managing the incident, Cooperator personnel assigned to an incident where meals are provided will be entitled to such meals.
 - 3. Group Gatherings: This includes but is not limited to situations which are normally unanticipated or which typically include very short notices, large group gatherings such as rock concerts, demonstrations, and organization rendezvous. Upon authorization by a Forest Service representative listed in Section I-A for requested services of this nature, reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to this type of incident will normally coordinate their activities with the designated officer in charge of the incident.

This includes but is not limited to situations which are normally unanticipated or which typically include very short notice, large group gatherings such as rock concerts, demonstrations, and organizational rendezvous.
