REPRESENTATIONS. The following representations are made to Lender, subject to disclosures made and accepted by Lender in writing or contained in the Property Report:

Use of Property. After due inquiry and investigation, Indemnitor has no knowledge, or reason to believe, that there has been any use, generation, manufacture, storage, treatment, refinement, transportation, disposal, release, or threatened release of any Hazardous Substances by any person on, under, or about the Property.

Hazardous Substances. After due inquiry and investigation, Indemnitor has no knowledge, or reason to believe, that the Property, whenever and whether owned by previous Occupants, has ever contained asbestos, PCBs, lead paints or other Hazardous Substances, whether used in construction or stored on the Property.

No Notices. Indemnitor has received no summons, citation, directive, letter or other communication, written or oral, from any agency or department of any county or state or the U.S. Government concerning any intentional or unintentional action or omission on, under, or about the Property which has resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying or dumping of Hazardous Substances into any waters, ambient air or onto any lands or where damage may have resulted to the lands, waters, fish, shellfish, wildlife, biota, air or other natural resources.

AFFIRMATIVE COVENANTS. Indemnitor covenants with Lender as follows:

Use of Property. Indemnitor will not use and does not intend to use the Property to generate, manufacture, refine, transport, treat, store, handle or dispose of any Hazardous Substances, PCBs, lead paint or asbestos.

Compliance with Environmental Laws. Indemnitor shall cause the Property and the operations conducted on it to comply with any and all Environmental Laws and orders of any governmental authorities having jurisdiction under any Environmental Laws and shall obtain, keep in effect and comply with all governmental permits and authorizations required by Environmental Laws with respect to such Property or operations. Indemnitor shall furnish Lender with copies of all such permits and authorizations and any amendments or renewals of them and shall notify Lender of any expiration or revocation of such permits or authorizations.

Preventive, Investigatory and Remedial Action. Indemnitor shall exercise extreme care in handling Hazardous Substances if Indemnitor uses or encounters any. Indemnitor, at Indemnitor's expense, shall undertake any and all preventive, investigatory or remedial action (including emergency response, removal, containment and other remedial action) (a) required by any applicable Environmental Laws or orders by any governmental authority having jurisdiction under Environmental Laws, or (b) necessary to prevent or minimize property damage (including damage to Occupant's own property), personal injury or damage to the environment, or the threat of any such damage or injury, by releases of or exposure to Hazardous Substances in connection with the Property or operations of any Occupant on the Property. In the event Indemnitor fails to perform any of Indemnitor's obligations under this section of the Agreement, Lender may (but shall not be required to) perform such obligations at Indemnitor's expense. All such costs and expenses incurred by Lender under this section and otherwise under this Agreement shall be reimbursed by Indemnitor to Lender upon demand with interest at the Note default rate, or in the absence of a default

rate, at the Note interest rate. Lender and Indemnitee intend that Lender shall have full recourse to Indemnitee for any sum at any time due to Lender under this Agreement. In performing any such obligations of Indemnitee, Lender shall at all times be deemed to be the agent of Indemnitee and shall not by reason of such performance be deemed to be assuming any responsibility of Indemnitee under any Environmental Law or to any third party. Indemnitee hereby irrevocably appoints Lender as Indemnitee's attorney-in-fact with full power to perform such of Indemnitee's obligations under this section of the Agreement as Lender deems necessary and appropriate.

Notices. Indemnitee shall immediately notify Lender upon becoming aware of any of the following:

- (1) Any spill, release or disposal of a Hazardous Substance on any of the Property, or in connection with any of its operations if such spill, release or disposal must be reported to any governmental authority under applicable Environmental Laws.
- (2) Any contamination, or imminent threat of contamination, of the Property by Hazardous Substances, or any violation of Environmental Laws in connection with the Property or the operations conducted on the Property.
- (3) Any order, notice of violation, fine or penalty or other similar action by any governmental authority relating to Hazardous Substances or Environmental Laws and the Property or the operations conducted on the Property.
- (4) Any judicial or administrative investigation or proceeding relating to Hazardous Substances or Environmental Laws and to the Property or the operations conducted on the Property.
- (5) Any matters relating to Hazardous Substances or Environmental Laws that would give a reasonably prudent Lender cause to be concerned that the value of Lender's security interest in the Property may be reduced or threatened or that may impair, or threaten to impair, Indemnitee's ability to perform any of its obligations under this Agreement when such performance is due.

Access to Records. Indemnitee shall deliver to Lender, at Lender's request, copies of any and all documents in Indemnitee's possession or to which it has access relating to Hazardous Substances or Environmental Laws and the Property and the operations conducted on the Property, including without limitation results of laboratory analyses, site assessments or studies, environmental audit reports and other consultants' studies and reports.

Inspections. Lender reserves the right to inspect and investigate the Property and operations on it at any time and from time to time, and Indemnitee shall cooperate fully with Lender in such inspection and investigations. If Lender at any time has reason to believe that Indemnitee or any Occupants of the Property are not complying with all applicable Environmental Laws or with the requirements of this Agreement or that a material spill, release or disposal of Hazardous Substances has occurred on or under the Property, Lender may require Indemnitee to furnish Lender at Indemnitee's expense an environmental audit or a site assessment with respect to the matters of concern to Lender. Such audit or assessment shall be performed by a qualified consultant approved by Lender. Any inspections or tests made by Lender shall be for Lender's purposes only and shall not be

construed to create any responsibility or liability on the part of Lender to any Indemnitor or to any other person.

INDEMNITOR'S WAIVER AND INDEMNIFICATION. Indemnitor hereby agrees to and shall indemnify, defend, and hold harmless Lender and Lender's officers, directors, employees and agents, and Lender's successors and assigns and their officers, directors, employees and agents from and against any and all claims, demands, losses, liabilities, costs, fines, penalties and expenses (including without limitation attorneys' fees at trial and on any appeal or petition for review, consultants' fees, remedial action costs, natural resource damages and diminution in value) incurred by such person (a) arising out of or relating to any investigatory or remedial action involving the Property, the operations conducted on the Property, or any other operations of Indemnitor or any Occupant and required by Environmental Laws or by orders of any governmental authority having jurisdiction under any Environmental Laws, including without limitation any natural resource damages, or (b) arising out of or related to any noncompliance with or violation of Environmental Laws or any applicable permits or approvals, or (c) on account of injury to Lender or any person whatsoever or damage to any property arising out of, in connection with, or in any way relating to (i) the breach of any covenant, representation or warranty contained in this Agreement, (ii) the violation of any Environmental Laws, permits, authorizations or approvals, (iii) the use, treatment, storage, generation, manufacture, transport, release, spill, disposal or other handling of Hazardous Substances on the Property, or (iv) the contamination of any of the Property by, or the presence, release or threatened release of, Hazardous Substances by any means whatsoever (explicitly including without limitation any presently existing contamination of the Property, whether or not previously disclosed to Lender), or (d) pursuant to this Agreement. Indemnitor's obligations under this section shall survive the termination of this Agreement and as set forth below in the **Survival** section. In addition to this indemnity, Indemnitor hereby releases and waives all present and future claims against Lender for indemnity or contribution in the event Indemnitor becomes liable for cleanup or other costs under any Environmental Laws.

PAYMENT: FULL RECOURSE TO INDEMNITOR. Indemnitor intends that Lender shall have full recourse to Indemnitor for Indemnitor's obligations under this Agreement as they become due to Lender. Such liabilities, losses, claims, damages and expenses shall be reimbursable to Lender as Lender's obligations to make payments with respect thereto are incurred, without any requirement of waiting for the ultimate outcome of any litigation, claim or other proceeding, and Indemnitor shall pay such liability, losses, claims, damages and expenses to Lender as so incurred within thirty (30) days after written notice from Lender. Lender's notice shall contain a brief itemization of the amounts incurred to the date of such notice. In addition to any remedy available for failure to pay periodically such amounts, such amounts shall thereafter bear interest at the Note default rate, or in the absence of a default rate, at the Note interest rate.

SURVIVAL. The covenants contained in this Agreement shall survive (A) the repayment of the Indebtedness, (B) any foreclosure, whether judicial or nonjudicial, of the Property, and (C) any delivery of a deed in lieu of foreclosure to Lender or any successor of Lender. The covenants contained in this Agreement shall be for the benefit of Lender and any successor to Lender, as holder of any security interest in the Property or the indebtedness secured thereby, or as owner of the Property following foreclosure or the delivery of a deed in lieu of foreclosure.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Agreement, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. Indemnitee also will pay any court costs, in addition to all other sums provided by law. Fees and expenses shall include attorneys' fees that Lender, Trustee, or both incur, if either or both are made parties to any action to enjoin foreclosure or to any legal proceeding that Indemnitee institutes. The fees and expenses are secured by this Agreement and are recoverable from the Property.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Nevada without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Nevada.

Joint and Several Liability. All obligations of Indemnitee under this Agreement shall be joint and several, and all references to Indemnitee shall mean each and every Indemnitee. This means that each Indemnitee signing below is responsible for all obligations in this Agreement.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Indemnitee, shall constitute a waiver of any of Lender's rights or of any of Indemnitee's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent

instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender. Indemnitor hereby waives notice of acceptance of this Agreement by Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Indemnitor agrees to keep Lender informed at all times of Indemnitor's current address. Unless otherwise provided or required by law, if there is more than one Indemnitor, any notice given by Lender to any Indemnitor is deemed to be notice given to all Indemnitors.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect the legality, validity or enforceability of any other provision of this Agreement.

Successors and Assigns. Subject to any limitations stated in this Agreement on transfer of Indemnitor's interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Indemnitor, Lender, without notice to Indemnitor, may deal with Indemnitor's successors with reference to this Agreement and the Indebtedness by way of forbearance or extension without releasing Indemnitor from the obligations of this Agreement or liability under the Indebtedness.

Time is of the Essence. Time is of the essence in the performance of this Agreement.

Waive Jury. All parties to this Agreement hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by any party against any other party.
