**Disclosure: This property is adjacent to "Open Range"**

This property is adjacent to open range on which livestock are permitted to graze or roam. Unless you construct a fence that will prevent livestock from entering this property, livestock may enter the property and you will not be entitled to collect damages because livestock entered the property.

The parcel may be subject to claims made by a county or this State of rights-of-way granted by Congress over public lands of the United States not reserved for public uses in chapter 262, section 8, 14 Statutes 253 (former 43 U.S.C. § 932, commonly referred to as R.S. 2477), and accepted by general public use and enjoyment before, on or after July 1, 1979, or other rights-of-way. Such rights-of-way may be:

- (2) Used by persons, including, without limitation miners, ranchers or hunters, for access or recreational use, in a manner which interferes with the use and enjoyment of the parcel.

- Disclose to the purchaser information regarding grazing on open range;
- Retain a copy of the disclosure document signed by the purchaser acknowledging the date of receipt by the purchaser of the original document;
- Provide a copy of the signed disclosure document to the purchaser; and
- Record, in the office of the county recorder in the county where the property is located, the original disclosure document that has been signed by the purchaser.
