A. TO PROTECT THE SECURITY OF THIS DEED OF TRUST, TRUSTOR AGREES:

1. No Waste. To keep said Property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged, or destroyed thereon, and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said Property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said Property in violation of law; and to do all other acts which from the character or use of said Property may be reasonably necessary, the specific enumerations herein not excluding the general.

2. Development Entitlements. To keep the Development Entitlements appurtenant to or banked on the Land, and not to sell, contract to sell, encumber, or dispose of the Development Entitlements or any portion thereof or interest therein.

3. Insurance. To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor, and shall be released to permit repair or reconstruction if Trustor is not in default as long as the value of said property as repaired or reconstructed adequately collateralizes the full amount of the obligation secured hereby that is then outstanding. Such application or release shall not cure or waive any default or notice of default or notice of Trustee's sale hereunder or invalidate any act done pursuant to such notice.

4. Defend Beneficiary. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses of Beneficiary and Trustee, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear or be named, and in any suit brought by Beneficiary or Trustee to foreclose this Deed of Trust.

Should Trustor fail to make any payment or do any act as herein provided, then Beneficiary or Trustee, but without obligation to do so and without notice to or demand upon Trustor, and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said Property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel, and pay his reasonable fees.

Beneficiary also shall deposit with Trustee this Deed, said note or notes and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of such notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell, in the manner required by law, said Property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee shall deliver to such purchaser its deed conveying the Property so sold, but without any covenant or warranty, expressed or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale and reasonable attorneys' fees, Trustee shall apply the proceeds of sale to payment of: All sums expended under the terms hereof, not then repaid, with accrued interest thereupon from the date of expenditure at the highest rate allowed by law in effect at the date hereof; all other sums then secured hereby, with accrued interest; and the remainder, if any, to the person or persons legally entitled thereto.

7. **Successor Trustee.** Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said Property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, power and duties. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and neuter, and the singular number includes the plural.

9. **Acceptance.** Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be party unless brought by Trustee.

10. **No Alienation.** Trustor shall not, directly or indirectly, sell, convey, assign, transfer, alienate or otherwise dispose of the Property or the Improvements or any part thereof, or any interest therein, either voluntarily or by operation of law, without the written consent of Beneficiary being first obtained. Consent by Beneficiary to one such transaction shall not constitute a consent to or waiver of the right to withhold consent to a subsequent transaction. Any transaction in violation of this provision shall

cause all indebtedness secured by this Deed of Trust, at the option of Beneficiary and without demand or notice, immediately to become due and payable. This option may be exercised at any time after the occurrence of such event and the acceptance by Beneficiary of one or more payments on the Note following the date of such event shall not constitute a waiver of Beneficiary's right to accelerate.

11. In this Deed of Trust, unless the context otherwise requires, the masculine includes the feminine and/or neuter and the singular includes the plural, in each case, vice versa. The term "Beneficiary" includes any future holder of the note secured hereby.
