The setup period will occur between September 25-30, 2022 (as coordinated between Airport Director and Contractor), and breakdown will occur between the show end on October 2, 2022 and close of business on October 3, 2022. This Contract will become effective on the date it is approved and signed by representatives of both Parties ("Effective Date").

2. INDEPENDENT CONTRACTOR STATUS. The Parties agree that Contractor (including associates and employees) shall have the status of an independent contractor and that this contract, by explicit agreement of the parties, incorporates and applies the provisions of NRS 333.700, as necessarily adapted to the parties, including that Contractor is not a Douglas County employee and that there shall be no:

The Materials and Services are more particularly described and shall be completed in accordance with the requirements set forth in Exhibit A hereto.

5. PAYMENT FOR SERVICES. Contractor agrees to provide the services set forth in Paragraph 4 for a total cost not to exceed Twelve Thousand, Five Hundred Dollars (\$ 12,500) (the "Contract Price").

Of the total Contract Price, \$5,000 shall constitute the Deposit, and the remaining \$7,500 shall constitute the Remaining Balance. Prior to receiving payments, Contractor shall complete and submit to County the County's required vendor registration forms. Subject to the terms set forth in Paragraph 7, below, payment will be made on the following schedule:

In no event shall the the total value of the additional accommodations listed above exceed \$5,000 unless with prior written approval from the County.

given a reasonable opportunity to cure the breach. Provided, however, that except as otherwise set forth in this Contract, early termination will not relieve a Party of any obligation that became due prior to the date of termination.

In the event that the County cancels the Airshow, the following shall apply:

- If the Airshow is canceled more than 30 days in advance of the Airshow date, the Contractor shall, as its sole compensation, be entitled to retain its deposit.

In such event, Contractor shall, within 30 days after the Airshow dates, reimburse the County for the Deposit.

7. LICENSING. Contractor agrees to maintain any required licenses to perform any services for County. The failure to maintain any required license will result in immediate termination of this Contract.

8. ADVERTISING/PROMOTION. In the course of advertising or promoting the Airshow, County may acknowledge Contractor's participation as a performer. Such acknowledgement may occur in external communication, including, without limitation, the Aviation Roundup website and its marketing and outreach materials. Contractor grants to County a non-transferable, non-exclusive, non-sublicensable, irrevocable license to display the marks displayed on Exhibit A for the purpose set forth above.

Contractor may also, in its marketing materials, identify itself as a performer at the 2022 Aviation Roundup. The County grants to Contractor a non-transferable, non-exclusive, non-sublicensable, revocable license to use, copy and display the marks set out in Exhibit B for the limited purpose of advertising its participation in the airshow.

9. GENERAL LIABILITY INSURANCE. Douglas County's liability coverage will not extend to the Contractor and Contractor is required to acquire and maintain general liability insurance pertinent to the Services described in Paragraph 4 in the minimum amount of \$1,000,000 during the term of no less than September 25 through October 3, 2022. The County, its contractors, volunteers, agents and employees must be listed as an additional insured party on the policy. Proof of insurance must be sent to the Douglas County Airport Manager. Such proof of insurance must be provided by September 25, 2022; Douglas County must be notified at least 30 days in advance of any cancellation or nonrenewal of such insurance.

10. NONAPPROPRIATION. All payments required pursuant to the Contract are contingent upon the availability of County funds. In accordance with NRS 354.626 and any

other applicable provision of law, the financial obligations between the Parties will not exceed those monies appropriated and approved by the County for the Contract for the then current fiscal year under the Local Government Budget Act. The Contract will terminate and the County's obligations will be extinguished if the County fails to appropriate the necessary funding.

Nothing in the Contract will be construed to provide Contractor with a right of payment from any entity other than the County. Any funds budgeted by the County pursuant to the terms of the Contract that are not paid to Contractor will automatically revert to the County's discretionary control upon the completion, termination, or cancellation of the Contract. The County will not have any obligation to re-award or to provide, in any manner, the unexpended funds to Contractor. Contractor will have no claim of any sort to the unexpended funds.

11. CONSTRUCTION OF CONTRACT. The Contract will be construed and interpreted according to the laws of the State of Nevada. There will be no presumption for or against the drafter in interpreting or enforcing the Contract. The Contract Documents consist of this document, and Exhibit A. The Parties agree to be bound by the terms, conditions and specifications set forth in all Contract Documents, except as specifically modified or amended. The terms of the Contract Documents shall, to the extent reasonably practical, be read as complimentary to one another. In the event of an irreconcilable conflict between the terms of the Contract Documents, the terms of this document shall prevail, thereafter the terms of Exhibit A.

12. DISPUTE RESOLUTION. In the event a dispute arises between the Parties, the Parties promise and agree to first meet and confer to resolve any dispute. If such meeting does not resolve the dispute, then the Parties agree to mediate any dispute arising from or relating to the Contract before an independent mediator mutually agreed to by the parties. The fee, rate or charge of the mediator will be shared equally by the Parties, who will otherwise be responsible for their own attorney's fees and costs. If mediation is unsuccessful, litigation may only proceed before a department of the Ninth Judicial Court of the State of Nevada in and for the County of Douglas that was not involved in the mediation process and attorney's fees and costs will be awarded to the prevailing party at the discretion of the court.

13. COMPLIANCE WITH APPLICABLE LAWS. Contractor promises and agrees to fully and completely comply with all applicable local, state and federal laws, regulations, orders, or requirements of any sort in carrying out the obligations of the Contract, including, but not limited to, all federal, state, and local accounting procedures and requirements, all hazardous materials regulations, and all immigration and naturalization laws.

14. ASSIGNMENT. Contractor will neither assign, transfer nor delegate any rights, obligations or duties under the Contract without the prior written consent of the County.

15. PUBLIC RECORDS LAW. Contractor expressly understands and agrees that all documents submitted, filed, or deposited with the County by Contractor, unless designated as confidential by a specific statute of the State of Nevada, will be treated as public records pursuant to NRS chapter 239 and shall be available for inspection and copying by any person, as defined in NRS 0.039, or any governmental entity. Contractor expressly and indefinitely waives all of its

rights to bring, including but not limited to, by way complaint, interpleader, intervention, or any third party practice, any claims, demands, suits, actions, judgments, or executions, for damages or any other relief, in any administrative or judicial forum, against the County or any of its officers or employees, in either their official or individual capacity, for violations of or infringement of the copyright laws of the United States or of any other nation.

16. INDEMNIFICATION. Contractor agrees to indemnify, defend, and save and hold the County, its agents and employees harmless from any and all claims, causes of action or liability arising from or related to Contractor's negligent performance pursuant to the terms of the Contract by Contractor or Contractor's agents or employees.

17. MODIFICATION OF CONTRACT. The Contract and the attached exhibits constitute the entire agreement and understanding between the Parties and may only be modified by a written amendment signed by both of the Parties.

18. AUTHORITY. The Parties represent and warrant that they have the authority to enter into this agreement. Each signatory individually warrants that he or she is authorized to sign on behalf of the party for whom he or she is signing.

19. STANDARD OF CARE. Contractor will perform all services in a manner consistent with that level of care and skill ordinarily exercised by other members of Contractor's profession currently practicing in the same locality under similar conditions.

20. THIRD PARTY BENEFICIARY. Nothing contained in this Agreement is intended to convey any rights or to create a contractual relationship with any third party or to otherwise allow a third party to assert a cause of action against either Contractor or County.

21. FORCE MAJEURE. Neither Party shall be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations hereunder due to unforeseeable protests, strikes, legal impossibility, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, emergencies or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event, the intervening cause must not be through the fault of the Party asserting such an excuse, and the excused Party is obligated to promptly perform in accordance with the terms of this Agreement after the intervening cause ceases.

22. WAIVER. The County's failure to insist upon Contractor's performance of any obligation hereunder shall not constitute a waiver of the County's right to enforce that obligation and the County may require compliance with that obligation or any other obligation at any time.

23. NOTICES. All notices, requests, demands and other communications hereunder must be in writing and will be deemed delivered when sent via certified mail, return receipt requested or by commercial courier, provided the courier's regular business is delivery service and provided further that it guarantees delivery to the addressee by the end of the next business day following the courier's receipt from the sender, addressed as follows (or any other address that the Party to be notified may have designated to the sender by like notice):
