TRANSFER OF RIGHTS IN THE PROPERTY

This Security Instrument secures to Lender: (i) the repayment of the Loan, and all renewals, extensions and modifications of the Note; and (ii) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in the County of Douglas, State of Nevada, and more fully described in Exhibit "A" (attached hereto and incorporated herein by this reference) which currently has the address of 1758 US Highway 50, Glenbrook, Nevada 89413 ("Property Address").

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; and (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and

to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the

Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. **Occupancy.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. **Preservation, Maintenance and Protection of the Property; Inspections.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration. Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. **Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. **Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or

repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred)

without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Services, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has

notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action

to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full payment of the Note, and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lenders' election to cause the Property to be sold, and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Intentionally Deleted.

SECOND HOME RIDER

THIS SECOND HOME RIDER is made this 5th day of July, 2022, and is incorporated into and shall be deemed to amend and supplement the Deed of Trust ("Security Instrument") of the same date given by the undersigned "Borrower," (whether there are one or more persons undersigned) to secure Borrower's Note to Bank of America, N.A., a National Banking Association ("Lender") dated July 5, 2022, and covering the Property described in the Security Instrument, which is located at:

1758 US Highway 50
Glenbrook, Nevada 89413

In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree that Uniform Covenant 6 of the Security Instrument is deleted and is replaced by the following:

6. Occupancy and Use: Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, and shall only use, the Property as Borrower's second home. Borrower shall keep the Property available for Borrower's exclusive use and enjoyment at all times, and shall not subject the Property to timesharing or other shared ownership arrangement or to any rental pool or agreement that requires Borrower either to rent the Property or give a management firm or any other person any control over the occupancy or use of the Property. Borrower shall not destroy, damage or impair the property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy and use of the Property as a second home. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and provisions contained in this Second Home rider.

CUSTOM MORTGAGE RIDER
(TO BE RECORDED WITH SECURITY INSTRUMENT)

This Rider ("Rider") is made as of July 5, 2022 and is incorporated into and shall be deemed to amend and supplement the Deed of Trust (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Note ("Note") to Bank of America, N.A. ("Lender") dated July 5, 2022 and covering the property described in the Security Instrument and known as or located at:

1758 US Highway 50
Glenbrook, Nevada 89413

Defined terms used in this Rider shall have the meaning set forth in the Security Instrument unless otherwise indicated.

ADDITIONAL COVENANTS

In addition to the covenants made in the Security Instrument, Borrower further covenants and agrees as follows:

1. Hazardous Substances. Borrower shall indemnify Lender and Trustee against, and reimburse them on demand for, any and all liabilities, costs and expenses (including without limitation reasonable fees and expenses of attorneys and other professional consultants and experts) of every kind which may be incurred by Lender or Trustee as a result of the presence of any Hazardous Substance about the Property, or the migration or release or threatened migration or release of any Hazardous Substance on, to, from or through the Property, at any time during or before Borrower's ownership of the Property, or any act, omission or event existing or occurring in connection with the handling, storage, removal or disposal of any such Hazardous Substance or any violation of any Environmental Law or the filing or imposition of any environmental lien or claim against the Property as a result of any of the above occurrences.

2. No Other Liens. Borrower will not, without the prior written consent of Lender, except as otherwise specified by applicable law, grant, suffer or permit any contractual or non-contractual lien on or security interest in the Property, except in favor of Lender, or fail to promptly pay when due all lawful claims, whether for labor, materials or otherwise. To the extent applicable law allows the creation of liens against the Property, Borrower will advise Lender in writing within ten (10) days of the creation of any such liens against the Property.

3. Financial Statements/Appraisals. Lender may at its option obtain once in each year (or as otherwise requested by Lender) an appraisal of the Property or any part thereof prepared in accordance with written instructions from Lender by a third party appraiser engaged directly by Lender if any of the following occur as determined by Lender in its sole discretion: (a) a Default has occurred and is continuing; (b) an adverse change has occurred in real estate market conditions in the area where the Property is located; (c) an appraisal is required or recommended by bank examiners and/or auditors or pursuant to banking regulations or bank policy then in effect; or (d) an adverse change has occurred in the financial condition of Borrower. Each such appraiser and appraisal shall be satisfactory to Lender. To the extent not prohibited by applicable law, the cost of each such appraisal shall be payable by Borrower to Lender on demand (which obligation Borrower hereby promises to pay). Without limitation of other or additional requirements in any of the other Loan Documents, Borrower will furnish to Lender, in form and detail satisfactory to Lender, a financial statement of Borrower no later than thirty (30) days after written request therefor by Lender. Each financial statement submitted pursuant to this section shall be certified in writing as true and correct by Borrower. Borrower will furnish to Lender at Borrower's expense all evidence which Lender may from time to time reasonably request as to compliance with all provisions of

the Note, Security Instrument as supplemented by this Rider, and any other documents provided by Borrower to Lender or executed in connection with the loan evidenced by the Note (collectively the "Loan Documents").

4. Effective as Financing Statement. The Security Instrument shall be effective as a financing statement filed as a fixture filing with respect to all fixtures included within the Property and is to be filed for record in the real estate records of each city or county where the Property (including said fixtures) is situated.

5. Construction Mortgage. The Security Instrument constitutes a "Construction Mortgage" as defined in the Uniform Commercial Code adopted by the jurisdiction in which the Property is located to the extent that it secures an obligation incurred for the construction of improvements including the acquisition cost of the land.

6. No Liability of Trustee. The Trustee, where applicable, shall not be liable for any error or act done by Trustee in good faith, or be otherwise responsible or accountable under any circumstances whatsoever (including Trustee's negligence), except for Trustee's gross negligence or willful misconduct. Borrower will reimburse Trustee for, and save him harmless against, any and all liability and expenses which may be incurred by him in the performance of his duties. The foregoing indemnity shall not terminate upon discharge of the Secured Indebtedness or foreclosure, or release or other termination of the Security Instrument.

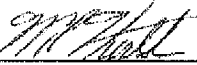

7. Entire Agreement; Further Assurances. The Loan Documents constitute the entire understanding and agreement between Borrower and Lender with respect to the transactions arising in connection with the indebtedness secured hereby and supersede all prior written or oral understandings and agreements between Borrower and Lender with respect to the matters addressed in the Loan Documents. Borrower will, promptly on Lender's request, execute, deliver, procure and/or file such further documents, and take such further action as is necessary, desirable or proper to carry out more effectively the purposes of the Loan Documents, to correct any defect in the Loan Documents, or to more fully identify and subject to the Security Instrument any property intended to be covered by the Security Instrument.

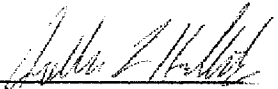

By signing below Borrower accepts and agrees to the terms and covenants contained in this Rider.

**CONSTRUCTION LOAN RIDER TO SECURITY INSTRUMENT
AND SECURITY AGREEMENT**

THIS CONSTRUCTION LOAN RIDER TO SECURITY INSTRUMENT AND SECURITY AGREEMENT is made this 5th day of July, 2022, and is incorporated into and shall be deemed to amend and supplement the Deed of Trust ("Security Instrument") of the same date given by the undersigned, Michael E. Hurlston and Joelle L. Hurlston, Trustees of The Hurlston Living Trust dated March 25, 2019 ("Borrower") to secure Borrower's Promissory Note (the "Note") to BANK OF AMERICA, N.A., a national banking association ("Lender") of the same date and covering the property described in the Security Instrument (the "Property") and located at: 1758 US Highway 50, Glenbrook, Nevada 89413.

ADDITIONAL COVENANTS

In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INCORPORATION OF CONSTRUCTION LOAN AGREEMENT.

Lender and Borrower entered into a Construction Loan Agreement (the "Agreement") this same date. The Agreement is incorporated herein by reference. Notwithstanding any provision in the Security Instrument or Note to the contrary, including without limitation the 30-day written notice and right to cure provisions contained in Paragraph 22 of the Security Instrument or in Paragraph 8(B) of the Note, an Event of Default under the terms of the Agreement shall be a default under the terms of the Note and the Security Instrument which default entitles the Lender to immediately accelerate the maturity of the Note, declare the then unpaid principal balance and accrued interest thereon immediately due and payable without notice and to exercise all available remedies under the Note, Agreement, and Security Instrument, including, without limitation, the Power of Sale. Failure to accelerate shall not constitute a waiver on the part of Lender of the right to exercise the same at any other time. It is understood and agreed that funds to be advanced upon the Note are to be used in the construction of certain improvements on the Property in accordance with the Agreement, and this Security Instrument is a "construction mortgage" pursuant to the laws of the State of Nevada. It is further understood and agreed that the right to reinstate set forth in Paragraph 19 of the Security Instrument shall not apply in the case of acceleration of the Note as a result of a breach of the Agreement.

B. OCCUPANCY OF PROPERTY.

The first sentence of Paragraph 6 of the Security Instrument is modified and amended as follows:

"Borrower shall occupy, establish, and use the Property as Borrower's principal residence within thirty (30) days after July 5, 2024, and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy."

C. NO OTHER LIENS.

Borrower will not, without the prior written consent of Lender, except as otherwise specified by applicable law, grant, suffer or permit any contractual or non-contractual lien on or security interest in the Property, except in favor of Lender, or fail to promptly pay when due all lawful claims, whether for labor, materials or otherwise. Borrower is, and shall hereafter remain, the owner of the

Collateral free and clear of all voluntary or involuntary liens, encumbrances, attachments, security interests, purchase money security interests, assignments, mortgages, charges or other liens or encumbrances of any nature whatsoever, with the exception of (a) the mortgage and security interest created herein, (b) liens for real estate taxes not yet due and payable, and (c) those liens or encumbrances listed on the lender's title insurance policy issued in connection with the Note and this Security Instrument.

D. FINANCIAL STATEMENTS/APPRAISALS.

Lender may at its option obtain once in each year (or as otherwise requested by Lender) an appraisal of the Property or any part thereof prepared in accordance with written instructions from Lender by a third party appraiser engaged directly by Lender if any of the following occur as determined by Lender in its sole discretion: (a) a default has occurred and is continuing under the Security Instrument, Note, Agreement, or any other Loan Document; (b) an adverse change has occurred in real estate market conditions in the area where the Property is located; (c) an appraisal is required or recommended by bank examiners and/or auditors or pursuant to banking regulations or bank policy then in effect; or (d) an adverse change has occurred in the financial condition of Borrower. Each such appraiser and appraisal shall be satisfactory to Lender. To the extent not prohibited by applicable law, the cost of each such appraisal shall be payable by Borrower to Lender on demand (which obligation Borrower hereby promises to pay). Without limitation of other or additional requirements in any of the other Loan Documents, Borrower will furnish to Lender, in form and detail satisfactory to Lender, a financial statement of Borrower no later than ninety (90) days after the anniversary date of the immediately preceding financial statement received by Lender. Each financial statement submitted pursuant to this section shall be certified in writing as true and correct by Borrower. Borrower will furnish to Lender at Borrower's expense all evidence which Lender may from time to time reasonably request as to compliance with all provisions of the Note, Security Instrument as supplemented by this Rider, and any other documents provided by Borrower to Lender or executed in connection with the loan evidenced by the Note (collectively the "Loan Documents").

E. HAZARDOUS SUBSTANCES.

Borrower shall indemnify Lender and Trustee against, and reimburse them on demand for, any and all liabilities, costs and expenses (including without limitation reasonable fees and expenses of attorneys and other professional consultants and experts) of every kind which may be incurred by Lender or Trustee as a result of the presence of any Hazardous Substance about the Property, or the migration or release or threatened migration or release of any Hazardous Substance on, to, from or through the Property, at any time during or before Borrower's ownership of the Property, or any act, omission or event existing or occurring in connection with the handling, storage, removal or disposal of any such Hazardous Substance or any violation of any Environmental Law or the filing or imposition of any environmental lien or claim against the Property as a result of any of the above occurrences.

F. TERMINATION OF CONSTRUCTION LOAN RIDER.

So long as Borrower is not in default under the terms of the Note, the Agreement, the Construction Contracts, or the Security Instrument, and provided that Borrower has completed or caused to be completed the improvements described in the Agreement, this Rider shall terminate ninety (90) days after the later to occur of (a) Lender's final advance of all proceeds of the loan evidenced by the Note and final termination of Lender's commitment to lend under the Agreement, or (b) the Rollover Date as defined in the Note, and then this Rider shall thereafter no longer be in effect. Provided, however, termination of this Rider shall not terminate Lender's security interest in the Collateral or any part of the Property or otherwise limit or impair the Security Instrument and the liens granted, created, and/or renewed and extended by the Security Instrument.

G. SECURITY AGREEMENT.

Without limiting any of the provisions of the Security Instrument, Borrower, as Debtor (and being referred to in this paragraph as "Debtor," whether one or more), expressly GRANTS unto Lender, as Secured Party (and being referred to in this paragraph as "Secured Party," whether one or more), a security interest in the following described property (including both those now and those hereafter existing) (collectively, "Collateral") to the full extent that such properties may be subject to the Uniform Commercial Code-Secured Transactions as adopted by the State of Nevada (the "UCC").

In this regard, Debtor and Secured Party further covenant and agree as follows:

1. In addition to any other remedies granted in the Security Instrument to Secured Party or Trustee, Secured Party may in the event of default under the Security Instrument, Note, Agreement or any other Loan Document, proceed under the UCC as to all or any part of the Collateral, and shall have and may exercise with respect to the Collateral all the rights, remedies, and powers of a secured party under the UCC, including without limitation the right and power to sell at public or private sale or sales or otherwise dispose of, lease, or utilize the Collateral, or any part or parts thereof, in any manner authorized or permitted under the UCC after default by a debtor and to apply the proceeds thereof toward payment of any costs, expenses, reasonable attorneys' fees, and legal expenses thereby incurred by Secured Party and toward payment of indebtedness described in the Security Instrument in such order or manner as Secured Party may elect. Not in limitation of the foregoing, the Property and Collateral may be sold in one or more public sales pursuant to applicable law. Unless Debtor receives express written notice to the contrary, it will be presumed that any foreclosure under the Security Instrument is a foreclosure against both the Property and the Collateral pursuant to the UCC and any deed executed and delivered by the Secured Party/Trustee as provided in the Security Instrument shall be a valid conveyance, assignment, and transfer of the Collateral. Debtor and all persons obligated to pay the indebtedness secured by the Security Instrument agree that notice of foreclosure or trustee's sale of the Property provided pursuant to the Security Instrument and the Property Code is and shall constitute commercially reasonable notice of the sale of the Property or any part of the Property, including without limitation the Collateral. Not in limitation of the foregoing and in addition to other remedies granted in the Security Instrument to Secured Party or Trustee, Secured Party may in the event of default under the Security Instrument, Note, Agreement or any other Loan Document apply for and immediately obtain appointment of a receiver of the Collateral, to be vested with the fullest powers permitted under applicable law. Secured Party may do so as a matter of right and without regard to, or the necessity to disprove: (a) the adequacy of the security for the indebtedness secured by the Security Instrument; or (b) the solvency of Debtor or any other person liable for payment of the indebtedness secured by the Security Instrument. Secured Party may have a receiver appointed without notice to Debtor or any other person. Debtor and every other person liable for payment of the indebtedness secured by the Security Instrument hereby: (a) waives, and authorizes Secured Party to waive, any requirement that a receiver post a bond; (b) waives any requirement for notice of appointment of a receiver; and (c) consents to such appointment.

2. Without limiting any other rights Secured Party may have, in the event of default under the Security Instrument, Note, Agreement, or any other Loan Document, Secured Party shall have the right to take possession of the Collateral and to enter upon any premises upon which the Collateral may be situated for such purpose without being deemed guilty of trespass and without liability for damages thereby occasioned and to take any action deemed necessary, appropriate, or desirable by Secured Party, at its option and in its sole discretion, to repair, refurbish, or otherwise prepare the Collateral for sale, lease, or other use or disposition as herein authorized.

3. To the extent permitted by law, Debtor expressly waives any notice of sale or other disposition of the Collateral and any other rights or remedies of a debtor or formalities prescribed by law relative to sale or disposition of the Collateral or exercise of any other right or remedy of Secured Party existing after default hereunder; and to the extent any such notice is required and cannot be waived, Debtor agrees that if such is mailed, postage prepaid, to Debtor at the address shown herein at least ten (10) days before the time of the sale or disposition, such notice shall be deemed reasonable and shall fully satisfy any requirement for giving of such notice.

4. After default, Secured Party is expressly granted the right, at its option, to transfer, at any time to itself or to its nominee, the Collateral or any part thereof and to receive the monies, income, proceeds, or benefits attributable or accruing thereto and to hold the same as security for amounts owing on any of the indebtedness, whether or not then due, in such manner as Secured Party may elect. All rights to marshalling of assets of Debtor, including any such right with respect to the Collateral, are hereby waived.

5. All recitals in any instrument of assignment or any other instrument executed by Secured Party or by Trustee incident to sale, transfer, assignment, lease or other disposition or utilization of the Collateral or any part thereof hereunder shall be requisite to establish full legal propriety of the sale or other action of any fact, condition, or thing incident thereto, and all prerequisites of such sale or other action and of any fact, condition, or thing incident thereto shall be presumed conclusively to have been performed or to have occurred.

6. Secured Party may require Debtor to assemble the Collateral and make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties. All expenses of retaking, holding, preparing for sale, lease, or other use or disposition, selling, leasing, or otherwise using or disposing of the Collateral and the like hereunder, including also all reasonable attorneys' fees, legal expenses, and costs, shall be added to the indebtedness secured by the Security Instrument and Debtor shall be liable therefor.

7. Certain of the Collateral is or will become "fixtures" (as that term is defined in the UCC) on the Property, and the Security Instrument upon being filed for record in the real estate records shall operate also as a financing statement upon such of the Collateral that is or may become fixtures.

8. A copy of this Security Instrument, which is signed by Debtor, may also serve as a financing statement under the UCC between Debtor and Secured Party, whose addresses are set forth herein.

9. So long as an amount remains unpaid on any indebtedness secured by the Security Instrument, Debtor shall not execute and there shall not be filed in any public office any financing statement or statements affecting the Collateral other than financing statements in favor of Secured Party hereunder without Secured Party's prior written consent and approval.

10. Secured Party is authorized to file in jurisdictions where this authorization will be given effect a financing statement signed only by Secured Party, Debtor shall join Secured Party in executing one or more financing statements pursuant to the UCC in form satisfactory to Secured Party and shall pay the cost of filing the same or filing or recording the Security Instrument as a financing statement in all public offices at anytime and from time to time whenever filing or recording of any financing statement or the Security Instrument is deemed by Secured Party to be necessary or desirable. Any carbon, photographs, or other reproductions of this document may be filed by Secured Party and shall be sufficient as a financing statement.

11. Debtor further warrants and represents to Secured Party that, except for the security interest granted hereby in the Collateral, Debtor is the owner and holder of the Collateral, free of

any adverse claim, security interest, or encumbrance, and Debtor agrees to defend the Collateral against all claims and demands of any person at any time claiming the same or any interest therein, except rights of tenants to use thereof and subject to the other matters set forth herein. Debtor further warrants and represents that Debtor has not heretofore signed any financing statements in connection with the Collateral and that there are no financing statements signed by Debtor now on file in any public office.

12. FUTURE ADVANCES.

The Security Instrument is given wholly or partly to secure future obligations that may be incurred under the Note. The face amount of obligations evidenced by the Note and secured by the Security Instrument is \$5,281,000.00, and the maximum amount, including present as well as future advances evidenced by the Note, that may be secured by the Security Instrument at any one time shall not exceed the \$5,281,000.00. Provided, however, the maximum amount may be increased by such additional amounts as may be advanced by Lender pursuant to the Security Instrument (in Lender's sole and absolute discretion) and all such additional amounts shall be deemed necessary expenditures for the protection of the security in accordance with and to the extent allowed by Nevada law. Future advances of the loan evidenced by the Note shall be made as provided in the Agreement. Borrower and Lender have not contracted to require written notation or evidence of each future advance to be made under the Note.

13. NO LIABILITY OF TRUSTEE.

The Trustee, where applicable, shall not be liable for any error or act done by Trustee in good faith, or be otherwise responsible or accountable under any circumstances whatsoever (including Trustee's negligence), except for Trustee's gross negligence or willful misconduct. Borrower will reimburse Trustee for, and save him harmless against, any and all liability and expenses which may be incurred by him in the performance of his duties. The foregoing indemnity shall not terminate upon payment of the Note or foreclosure, or release or other termination of the Security Instrument.

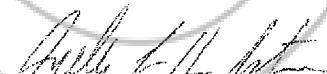

14. TRUSTEE'S FEES.

In addition to the provisions for Trustee's fee made in Paragraph 21 of the Security Instrument the following additional provisions are made: In all events Trustee shall be entitled to its expenses and reasonable attorneys' fees. In the event foreclosure is commenced, but not completed, the Borrower shall pay all expenses incurred by the Trustee, including reasonable attorneys' fees, and a partial commission computed on five percent (5%) of the outstanding indebtedness computed in accordance with the following schedule: One-fourth (1/4th) thereof before the Trustee issues a notice of hearing on the right to foreclose; one-half (1/2) after issuance of said notice; three-fourths (3/4th) thereof after such hearing; and the full commission after the initial sale.

By signing below, Borrower accepts and agrees to the terms and covenants contained in this Construction Loan Rider to Security Instrument and Security Agreement.
