DOUGLAS COUNTY CLERK
MINDEN, NVBY [Signature] DEPUTY**MINDEN-TAHOE AIRPORT****HANGAR AND BUILDING SPACE LEASE 1142**

This Hangar and Building Space Lease (Lease) is entered into by Douglas County, Nevada (County), a political subdivision of the State of Nevada, which owns and operates the Minden-Tahoe Airport (Airport), and Media Stew, LLC., a Nevada Corporation¹ (Lessee) with an address at 1142 Airport Road, Minden, Nevada 89423. County and Lessee may at times be referred to herein as the "Parties," or individually as the "Party."

RECITALS:

WHEREAS, the County owns and operates Minden-Tahoe Airport located in Douglas County, Nevada, and is authorized to contract for the use of Airport premises and facilities and the provision of products and services thereon; and

WHEREAS, Lessee desires to lease the Premises for the Term set forth herein, and to make additional investments therein, which Lessee agrees will be fully amortized upon the expiration of the Initial Term; and

WHEREAS, Lessee desires to use the Premises for the purpose of aircraft storage and aircraft maintenance; and

WHEREAS, Lessee has satisfactorily demonstrated to County that Lessee complies with the Minden-Tahoe Airport's Leasing Policy; and

WHEREAS, County deems it advantageous to lease to Lessee the Premises under the terms and conditions set forth herein:

NOW, THEREFORE, in consideration of the terms herein, County and Lessee agree:

ARTICLE 1: Preliminary Matters**1.1. Definitions**

The words and phrases contained in this Lease shall have the meanings ascribed to them in Exhibit A, hereto, or if not defined in Exhibit A, then those meanings ascribed in the Minden-Tahoe Airport's Rules and Regulations (or any successor document thereto), as adopted and revised by Resolution of the Douglas County Board of Commissioners.

1.2. Term & Holdover

The "Initial Term" of this lease shall be **five (5)** calendar years, commencing on the **1st day of September, 2022 ("Effective Date")**, and expiring on **31st day of September 2027** unless sooner terminated in accordance with the terms of this Lease. Thereafter, so long as Lessee is not in Breach, Noncompliance, or Default under this Lease and has not on

¹ NV Entity No: E0220742016-6

more than one prior occasion been in Breach, Noncompliance or Default (which has since been cured), Tenant shall have an option to extend the Initial Term for a period of **five (5)** years ("Option Term").

- a. Thereafter, if Lessee remains in possession of the Premises such holding over shall not be construed as a renewal or extension of this Lease, but shall create only a month-to-month holdover tenancy under the same terms herein.
 - i. Holdover shall be subject to County's termination of this Lease and repossession of the Premises at any time.
 - ii. At the beginning of any holdover period, Rent shall automatically be adjusted to match the then-in-effect standard rental rate for an improved property on the Airport, provided however that rent shall never be automatically adjusted downward. The effective rent increase may exceed 50%.
 - iii. Lessee shall be liable to County for all loss or damage on account of any holding over against County's will after the expiration or termination of this Lease, whether such loss or damage may be contemplated at this time or not. No receipt or acceptance of money by County from Lessee after the expiration or termination of this Lease, after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue or extend the Term, affect any such notice, demand or suit, imply consent for any action for which County's consent is required, or operate as a waiver of any right of County to repossess the Premises.

Lessor shall use its best efforts to give Lessee possession as nearly as possible on or before the Effective Date. If Lessor is unable to provide Lessee with possession of the Premises in a timely fashion, rent shall abate for the period of delay. Lessee shall make no other claim against Lessor for any such delay.

1.3. **Leased Premises**

The Leased Premises consists of a Hangar consisting of approximately 2,700 square feet, all of which is described and depicted on Exhibit B, hereto. Subject to the terms of this Lease, Lessee shall be entitled to the peaceful possession and quiet enjoyment of the Premises during the Term.

1.4. **Condition of Premises**

Lessee has inspected the Premises and has had an adequate opportunity to enter the Premises and satisfy itself as to the condition of the Premises. Lessee accepts the Premises in the condition existing on the Effective Date of this Lease. Lessee accepts the Premises in "as is" condition with no assurance, warranty, or guarantee of any kind including, without limitation, any representation or warranty as to the condition of the soil, water, or other material condition as might occasion unexpected costs for site preparation, development, or operations. County makes no representation as to the condition of the Premises, drainage or storm water runoff through the Premises and/or to the condition or quality of the Premises or Airport at the time of the signing of this Lease or thereafter.

1.5. **Subordination Clause**

The Parties acknowledge that County is a recipient of federal grant funding issued by the Federal Aviation Administration and that the County is required to adhere to certain requirements as a result of this funding. The Parties agree that this Lease shall be subordinate to the terms of any instrument or document under which County acquired the Airport land or improvements thereto, of which the Premises are a part, and shall be given only such effect as will not conflict nor be inconsistent with such terms. This Lease shall be subordinate to the terms of any existing or future contract between County and the United States of America relating to the development, operation or maintenance of Airport, the entering of which has been or might be required as a condition precedent to the expenditure of federal funds for the development of Airport. Such contract documents are public records and may be requested by Lessee at any time in accordance with NRS Chapter 239.

1.6. **Reservation of Rights**

County expressly reserves the following rights from the Lease for the Premises:

- a. County reserves a license to use the exterior walls, floor, roof and plenum in, above and below the Premises exclusively for the repair, maintenance, use and replacement of pipes, ducts, utility lines and systems, structural elements serving the Buildings and for such other purposes for the benefit of Lessee, County, or other entities occupying the Building. In exercising its rights reserved herein, Lessor shall exercise its best effort not to interfere with the normal operation and quiet enjoyment of Lessee's business on the Premises.
- b. All gas, oil, water, geothermal, and mineral rights in and under the soil;
- c. A public right of flight through the air space above the ground;
- d. The right to grant utility easements to others over, under, through, across, or on the Premises, provided that: (1) such easements are at least five (5) feet from any building owned by Lessee; (2) such use will not unreasonably or materially interfere with Lessee's use of the Premises; and (3) such reservation or grant shall not result in any cost to Lessee;
- e. The right to regulate and control the use of all Airport and airfield facilities including, but not limited to, the airfield, aprons, ramps, taxiways, and taxi lanes as now exist and as might be constructed adjacent to the Premises; and,
- f. The right, during (and in preparation for) aviation related or special events conducted at the Airport, to require Lessee to relinquish operational use of any common area of Airport or unenclosed area of the Premises, provided that Airport shall not execute this right for more than 15 days in any 12 consecutive calendar months. Lessee shall not be entitled to any abatement or reduction of Rent or any other compensation, recourse, or remedy as a result of Lessee's inability to use or access the Premises or Airport during such an event.

ARTICLE 2: Rent, Fees, and Charges

2.1. **Security Deposit**

Upon signing this Lease, Lessee shall pay County a Security Deposit in the amount of **\$2,511.00**, which is equal to three months' initial Rent ("Deposit"). The Deposit may be applied by County to discharge any outstanding obligations of Lessee under this Lease. If the County so applies any portion of the Deposit during the Term or any permitted holdover, then Lessee shall, within ten (10) calendar days thereafter, deposit additional funds with the County to promptly restore the original deposit amount.

Upon Expiration or earlier Termination, the Deposit will first be applied to any of Lessee's obligations, and the amount remaining shall be returned to Lessee within ninety (90) calendar days thereafter.

2.2. **Rent**

Beginning on **September 1, 2022**, Lessee shall pay County monthly Rent, in the monthly amount of **\$0.31** per square foot for the 2,700 square feet of hangar (a total of **\$837.00** per month). This equates to an annual rent obligation of **\$10,044.00**.

2.3. **Rent Adjustments**

a. Each year, the Rent may, in the County's discretion, be adjusted in accordance with the Consumer Price Index for All Urban Consumers, United States City Average, All Items ("CPI-U"), published by the United States Department of Labor's Bureau of Labor Statistics. If the CPI-U is discontinued or revised, then any such other federal index or computation, with which it is replaced, shall be applied in order to obtain substantially the same result as if the CPI-U had been applied; if no such index exists at the time of adjustment, then the Rent shall be increased by 2%.

i. If the County plans to adjust the Rent, then the County must provide Lessee with written notice at least 30 calendar days prior to the upcoming Anniversary Date, and the adjustment shall be effective as of the Anniversary Date. The adjustment shall continue thereafter until subsequently adjusted.

ii. The adjustment will be calculated as follows:

1. The County will calculate an "Adjustment Rate," which shall be equal to: (A) the unadjusted index for all items for the calendar month, which is two months prior to the Anniversary Date on which the rent adjustment will take effect, divided by (B) the unadjusted index for the same calendar month preceding the most recent Rent Adjustment; or if no prior adjustment has been made then for the same calendar month preceding the Effective Date.

2. The adjusted Rent shall be equal to the Rent in effect at the time of adjustment multiplied by the Adjustment Rate.

b. The County may, in its discretion, make occasional Fair Market Value adjustments to the Rent (FMV Adjustment) as follows:

[INTENTIONALLY DELETED]

- c. If so required by law, the Rent may be otherwise adjusted during the course of the Lease.

2.4. **Additional Fees and Charges**

- a. *Fees and Charges incurred by the County on Lessee's account*: Lessee shall promptly pay additional fees and charges, upon written notice of such fees by County, if County:
 - i. Has paid any sum or incurred any obligation or expense, which Lessee has agreed to pay or reimburse to County;
 - ii. Has paid or incurred any expense or obligation because of Lessee's failure, neglect, or refusal to perform any obligation under this Lease when due; or
 - iii. Has incurred any fine or other penalty as a result of the activities, operations, or other conduct of Lessee or anyone acting by or for Lessee, its officers, directors, managers, members, shareholders, agents, invitees, or licensees.
- b. *Utilities*: Lessee is solely responsible for the acquisition and cost of utility services, including without limitation: water, sewer, electricity, telecommunication services, or gas. Lessee shall pay any fees associated with separately metering or accounting for the Premises for such utilities. Lessee shall pay all utility obligations when due, and shall not permit any utility fee or charge to become delinquent.
- c. *Other Fees and Charges*: Lessee shall promptly pay to County any obligation due under any other agreement between the Parties. Lessee shall not allow any fee or charge due under any other agreement between the Parties to become delinquent.

2.5. **Payment of Rent and Fees**

- a. *Legal Tender*: Payments due under this Lease shall be made in legal tender of the United States, and quantities reflect U.S. Dollars. Lessee shall make any payments by check or money order, made payable to and delivered to the County by the due date.
- b. *Due Date (Rent)*: Rent is due on the **1st** day of every month, and Lessee shall pay such Rent when due without adjustment, abatement, deduction, or offset. Rent payments are made in advance for the use of the Premises.
- c. *Due Date (Other)*: Unless otherwise specified herein, fees and charges are due as set forth on the invoice or notice from the County to Lessee, provided that such date shall never be sooner than the 10th calendar following delivery of the notice or invoice.
- d. *Late Payment Fee*: If any portion of Lessee's Rent or other payment obligation remains unpaid more than five (5) calendar days after it is due, then the County will assess a "Late Payment Fee" of One-Hundred Dollars (\$200.00), to compensate

County for the additional administrative costs resulting from Lessee's failure to timely pay full and complete Rent. The Late Payment Fee is due upon the thirtieth day after it is assessed to Lessee's account.

- e. *Late Payment Interest*: If any outstanding Rent or other fee or charge obligation remains unpaid for more than 29 days, then the County shall assess interest on the unpaid balance, dating back to the date on which the Rent, fee or charge, first came due. Interest will be charged at the highest of either 18% per annum, or the maximum amount allowed by law. Interest shall not accrue with respect to disputed items being contested in good faith by Lessee, provided Lessee has delivered written notice of its dispute to County by no later than the due date of the disputed charge.
- f. *Late Payment Expenses*: Lessee shall pay and discharge all costs and expenses incurred or expended by County in collection of delinquent amounts due hereunder including, but not limited to, service charges, professional collection fees, and attorney's fees.
- g. *Application of Payment*: If at any time Lessee has an outstanding balance on Lessee's account, then Lessee's subsequent payments to County will be applied as follows: first to interest, then late payment fees, and finally the unpaid balance, with oldest charges being paid off first.
- h. *Advance Payment*: Lessee may deposit funds for Rent or other fees up to one year in advance, provided however that the County's acceptance of any advance funds shall not be deemed as the County's agreement as to the accuracy of the amount deposited or as agreement by the County that the Rent or other fees in effect at the time of payment will remain unchanged for any period of time.

ARTICLE 3: Lessee's Use of Airport and Premises

3.1. Access and Use

- a. *Ingress & Egress*: Lessee shall have the reasonable, nonexclusive right of ingress to and egress from the Premises over and across common areas and public roadways serving the Premises and Airport.
- b. *Common Area*: The "Common Area" includes common parking facilities immediately adjacent to the hangar building, each of which are depicted on Exhibit B, hereto. Lessee shall have the nonexclusive right to use the Common Area. County shall have the sole and exclusive control of the Common Area and the right to make changes to the Common Area.
- c. *Parking*: Lessee shall have the right to use, as available and in common with others, the parking areas at Airport, which County has designated for such use. Lessee agrees to pay any fee or charge, as may be imposed in the future by resolution of the Board, for such use.

- d. *Aeronautical Use:* Lessee's use of Airport and airfield facilities shall be as directed and regulated by County, and Lessee shall not use the Airport or airfield facilities except as directed by the County. Lessee shall have the right, in common with others so authorized, to use the landing area and appurtenances of Airport, together with all facilities, improvements and services (including approach areas, runways, taxiways, taxi lanes, aprons, aircraft parking areas, navigational and avigational aids, lighting facilities, and other conveniences for flying, landing and takeoff of aircraft), to the extent that such facilities or services are made available for common use by the County. This right may be limited by the rights of other users of the airport, including uses relating to any firefighting activities.
- e. *General Aviation Use:* Lessee may occupy and use the Premises for aviation related purposes and for no other purpose.
- f. *No Residential Use:* Lessee shall not develop or use, nor permit the development or use of any hangar or other facility on the Premises for residential use.

- h. *Licenses, Certifications, and Permits:* Lessee shall obtain and maintain in effect at all applicable times and at its sole cost:
 - i. Any licenses, certificates, and permits required for its development, improvement, occupancy, use, maintenance, and operation of the Premises; and
 - ii. Any licenses, permits, and other operating, use or safety certifications required by federal, state, and local regulatory agencies for its use, operations, and activities and associated operations on Airport property, specifically including the Premises

Upon request, Lessee shall provide County with copies of any and all such licenses, permits and other documentation evidencing compliance herewith.

- i. *Hazardous Activities:* Lessee shall make active efforts to ensure that no act or omission, relating to Lessee's activities, would in any way create a hazard to persons or property, or would otherwise serve to jeopardize or invalidate any policies of insurance or increase the premium rate(s) charged for any insurance carried on the Premises or Airport, or which would be in violation of federal, state or local laws, rules and regulations thereby subjecting the County or others to sanctions, fines or penalties impeding the operation of Airport. If such act or failure to act shall result in cancellation of any insurance policy, then Lessee shall, immediately upon notice by County, do whatever shall be necessary to cause reinstatement of that policy. Furthermore, if Lessee shall do or permit to be done any act not authorized hereunder or fail to do any act required under this Lease, regardless of whether or not such act constitutes a breach of this Lease, which causes an increase in premiums for any

Airport insurance policy, Lessee shall immediately remedy such action and pay the increase in premiums, upon notice from County to do so; and, in any event, Lessee holds County harmless from and against any expense and damages resulting from any action as set forth herein.

3.2. **Conditions, Limitations and Use Restrictions**

Lessee's use of the Premises and Airport shall be subject to the following nonexclusive list of conditions, limitations, and restrictions:

- b. *Interference with Airport Operation*: Lessee shall not make use of the Premises or Airport in any manner which might interfere with or permit interference with the use, operation or maintenance of the Airport. If this term is breached, County reserves the right to cause the abatement of such interference at the expense of Lessee and to place such temporary restrictions on the operations of Lessee as County deems necessary in the public interest.
- c. *Limited Use*: Except as explicitly provided under this Lease, Lessee's operations hereunder and those of its agents, invitees, licensees, and Sublessees are expressly limited to the Premises. Lessee is limited to the uses and operations as approved herein. As such, Lessee is expressly prohibited from expanding or altering its scope of uses and operations beyond the scope of this Lease or any other agreements entered into between the County and Lessee or to engage in commercial or business enterprise at Airport which is reserved to premises, use provisions, operating conditions, and restrictions not intended or covered hereunder or authorized by way of separate agreement between County and Lessee.
- d. *Disabled Aircraft*: As soon as possible after release by proper authorities, Lessee shall remove, any of its disabled aircraft from the airfield, landing area and ramp, place such disabled aircraft in an area as County might designate, and store such disabled aircraft only upon such terms as established by County. If Lessee fails to remove or ensure the removal of a disabled aircraft as expeditiously as possible, County may, but shall not be obligated to, cause the removal of the aircraft at Lessee's expense, and Lessee shall indemnify and hold County harmless from any claims or damages which might result from such removal.

- e. *Interference with Insurance*: Lessee shall not do or permit to be done anything, either by act or failure to act, that shall cause the suspension, cancellation, or violation or the provisions or any part thereof, of any policy of insurance for Airport, or that shall cause a hazardous condition so as to increase the risks normally attendant upon operations permitted by this Lease.
- f. *Improvements*: Lessee shall not install, nor permit the installation of any Improvement without County's prior written approval. Any Improvement installed without such approval shall be removed promptly at Lessee's cost.
- g. *Contracts with Third-Parties*: Lessee shall not contract for (or otherwise obtain) products or services, which are provided at or from the Premises by a third party, regardless of the nature of such products or services, unless the third party has a valid commercial operator agreement with the County to provide such products or services at the Airport. However, if any repairs or replacements are solely necessitated by the negligence or willful acts of Lessee, then the cost of such repairs or replacements shall be the sole responsibility of Lessee. [Intentionally Deleted]

ARTICLE 6: Insurance

6.1. General Insurance Requirements

- a. Lessee shall, at its sole cost and expense, procure and maintain in effect insurance coverage with limits not less than those set forth herein. All companies that provide insurance policies required under this Lease shall have an A.M. Best rating of A-VII or better.
- b. Insurance certificates shall show that written notice of cancellation or of any material change in coverage shall be delivered to the Airport in advance of the effective date of the change.
- c. Upon the effective date of the Lease, Lessee shall deliver to County certificates of insurance establishing that Lessee has obtained and is maintaining the policies, coverages, and endorsements required by the Lease. During the month of January each year, Lessee must provide the Airport with annual insurance coverage documentation. The County may, from time to time, demand other or additional evidence of required insurance.
- d. The County does not represent that the insurance coverage and limits established in this Lease necessarily will be adequate to protect Lessee or Lessee's interests.

Insurance limits required herein shall not be deemed as a limitation on Lessee's liability.

- e. All policies (primary and excess) and Certificates of Insurance shall include Lessee as a named insured. All policies shall be primary coverage for any and all claims and losses arising from the use, occupancy and operation of the Leased Premises and the Airport. All policies shall name, and Certificates shall show by separate endorsement that policies name, the County as an Additional Insured and shall waive all rights of subrogation against the County for the coverage; any other insurance available to County shall be excess and shall not contribute with this insurance.

- f. At a minimum, Lessee is required to provide and maintain the following insurance: Lessee shall, at its sole cost and expense, procure and maintain in effect insurance coverage with limits not less than those set forth herein, with insurers and under forms and policies satisfactory to the County, acceptance of which shall not unreasonably be withheld. The County reserves the right to require complete copies of such insurance policies for the purpose of determining acceptability. Lessee shall furnish the Airport with copies of policies or certificates from insurance carrier(s) showing all insurance required hereunder to be in full force and effect as required herein. Certificates shall show by separate endorsement, and policies shall contain the provisions, that written notice of cancellation or of any material change in coverage under the policies shall be delivered to the Airport thirty (30) calendar days in advance of the effective date thereof; provided, however, Lessee shall be responsible for such notification to Airport whether or not the insurer complies with such notice provision. Lessee shall maintain all insurance hereunder with insurance underwriters authorized to do business in the State of Nevada with an A.M. Best rating of A+, satisfactory to the County. Lessee is required to provide and maintain the following insurance:
 - A. Aircraft Liability policy, including Bodily Injury and Property Damage, with a total limit of at least \$1,000,000 per occurrence, including bodily injury and property damage, with a sublimit of \$100,000 per passenger, which shall include, but not be limited to the following extensions:
 - i. Aircraft Physical Damage, provided that such coverage shall be for the full insurable value of the aircraft;
 - ii. Ground Hangar keeper's Liability;
 - iii. Premises;
 - iv. Contractual, including coverage for assumption of liability set forth in this Lease;
 - v. Liability while operating mobile equipment on Airport property, if and to the extent applicable and necessary; and
 - vi. Personal injury, in the amount of at least \$75,000.

Regarding the coverages set forth in Subparagraphs i and ii, for any aircraft owned or leased by any third party and to be kept on the Premises pursuant to a sublease or rental agreement between Lessee

and the aircraft owner or lessee, whether such sublease is oral or written and whether or not such sublease is consented to by County pursuant to the terms of this Lease, Lessee shall, before the aircraft is placed on the Premises: (a) procure such coverages in the full insurable value of the aircraft; and (b) have all owners and/or lessees of the aircraft sign a hold harmless and waiver of subrogation, waiving all claims against County and releasing County from all claims relating to loss of or damage to the aircraft.

- B. Fire and extended risks insurance covering any and all Leased Premises improvements, furnishings, fixtures and equipment. Such insurance shall be in an amount equal to 100% of the full insurable replacement value of such improvements. County shall not be liable for any damage to Leased Premises improvements or for damage to any personal property brought onto the Leased Premises.
- C. Automobile Liability policy (including bodily injury and property damage), covering owned, non-owned and hired automobiles, if any, for use under this Lease, with minimum limit of \$1,000,000 combined single limit per occurrence.
- D. Workers' Compensation Insurance and Employer's Liability coverage shall be in accordance with the laws of the State of Nevada applicable to all employees, if any.

All policies (primary and excess) and Certificates of Insurance shall be provided by the Lessee as named insured to the Airport evidencing proper limits of coverage as set forth herein. All policies shall be primary coverage for all claims and losses arising from the use, occupancy and operation of the Leased Premises and the Airport. All policies shall name and Certificates shall show by separate endorsement that all policies name the County, its officers, agents and employees as Additional Insureds and shall, consistent with this Section, waive all rights of subrogation against the County, its officers, agents, and employees for the hangar keeper's liability coverage; provided, however, any other insurance available to County shall be excess and shall not contribute with this insurance. County has and hereby reserves for all purposes of this Lease the right to revise the insurance requirements set forth herein as to amounts, limitations and types of coverage, and Lessee hereby agrees to comply with such revised requirements upon notice from County. County shall have the right to determine its own legal counsel in all matters under this Lease. Lessee must provide the Airport with annual insurance coverage documentation.

ARTICLE 7: Damage, Indemnification & Legal Action

7.1. Damage or Destruction of Premises

Except as otherwise provided in this Article, in the event that the whole or any portion of the Property is damaged or destroyed by fire or other casualty:

- a. The proceeds of the Lessee's insurance shall be applied on account of any necessary repair or restoration. Should Lessor fail or decline to make repairs, then Lessee's sole remedy shall be termination of the lease as set forth in Paragraph 8.2.

7.2. Indemnification

Lessee shall keep, save, release, protect, defend (at the election of County), indemnify, and hold harmless County, from and against any and all claims, fines, demands, suits, causes of action, liability, and damages including, but not limited to, costs of court and administrative proceedings and fees of attorneys and other professionals incurred by County, unless caused solely by the tortious or other wrongful conduct of County, in connection with:

- a. Lessee's operations or conduct on the Premises and other areas upon the Airport;
- b. Any act or omission by Lessee or Lessee's agents, which is related to the terms and provisions of this Lease;
- c. Lessee's development, improvement, use, occupancy, maintenance, management, and operation of the Premises;
- d. Defects in aircraft, vehicles, equipment, fixtures, and other products owned, used, operated, installed or stored by Lessee on any Airport location, including the Premises;
- e. Any hazardous or toxic substance, material or waste (as now or hereafter defined or classified under applicable federal, state or local law), including petroleum products, which is brought, deposited, stored on or removed from the Premises or Airport by (or on behalf of) Lessee; or contamination of the Premises, neighboring property, or any other Airport property resulting from any of the foregoing. The foregoing may include, without limitation, claims relating to any tanks, dispensers, pipes, lines, cables, conduits, or other facilities or equipment on or about the Premises, sued for the delivery, storage or dispensing of fuel or other petroleum products.

This indemnification of County by Lessee includes, without limitation, costs incurred in connection with any investigation of site conditions or any clean-up, remediation, removal, reclamation, or restoration work, upon or under the Premises or neighboring property, if originating from the Premises. Lessee's obligation to indemnify County as provided herein shall survive the expiration or early termination of this Lease.

7.3. Pending Action or Claim

Upon receiving notice of any claim or the like, Lessee shall, at its cost, immediately investigate and, if necessary, cure or commence to cure by taking all action prescribed by applicable federal, state and local laws. Lessee shall immediately notify Airport in writing of:

- a. any environmental or other enforcement, clean-up, removal, or other governmental or regulatory action instituted, completed or threatened pursuant to any federal, state or local law;
- b. any claim made or threatened by any person against Lessee for damages, contribution or cost recovery, compensation, loss or injury resulting from or claimed to result from the presence of hazardous material or the condition of the Premises;
- c. any occurrence which might reasonably give rise to or result in a claim as set forth, above;
- d. any claim, demand, or the like which in any way affects or might affect County; and,
- e. reports to any regulatory agency or governmental authority arising out of or in connection with the delivery to, storage on or removal from the Premises of hazardous material, including any complaints, notices, warnings, or asserted violations in connection therewith.

Lessee shall provide Airport with copies of all documentation related to the foregoing. Nothing herein shall be construed as limiting Lessee's right to compromise and/or defend against a claim, demand or the like to the extent of its interest therein.

7.4. Designation of In-State Agent

Lessee is a Nevada Business entity and designates the individual listed with the Nevada Secretary of State as the Registered Agent for any personal service requirements.

7.5. Lease Determinations & Appeal Process

- a. *County Representatives:* The Board has designated the Airport Manager and County Manager as the individuals which shall have the authority to make determinations regarding Lessee's compliance with the terms of this Lease.
- b. *Determination of Breach:* If the Airport Manager or County Manager determines that Lessee is noncompliant, in breach, or otherwise in Default under this Lease, then the Airport manager or County Manager will make a written, final determination and provide a notice to the Lessee, as more specifically set forth other sections of this Lease. The written determination shall include a statement which unambiguously clarifies that it constitutes a "final determination."
- c. *Appeal of Manager's Decision:* Lessee may appeal the Airport or County Manager's final determination to the Douglas County Board of Commissioners. Lessee must file a notice of its intent to appeal with the Clerk of the Board by no later than the tenth (10) business day after the Manager's decision is delivered to Lessee.

- i. Lessee's notice of appeal shall contain a written statement of the reasons why the Manager's final determination is erroneous or contrary to law. The written statement shall be complete with supporting evidence, citations to Lease provisions or other authoritative documents.
 - ii. Lessee's notice of appeal shall be accompanied with the appeal fee, which is established by resolution of the Board.
- d. *Review by BOCC*: the Board shall act as the appellate body for the Airport Manager's final determination. The appellate body, except as specifically stated herein, shall hear the appeal and render its decision within 60 calendar days after the filing of the notice of appeal and applicable fees.
 - i. The appellate body may affirm, reverse, or modify only those items raised in the appeal.
- e. *Modification of Appeal Process*: The Board may, by ordinance, establish or modify the process for appeals of final determinations made by the Airport Manager. If the Board adopts such an ordinance, then Lessee agrees to adhere to the established appeal process to the extent it differs from the foregoing.

7.6. Legal Costs

If any civil action or other judicial, quasi-judicial, or administrative action or proceeding is instituted to enforce any term of this Lease, to determine or declare the rights and duties of the parties hereto or to recover any amount due hereunder, then the losing party shall pay the prevailing party such sum as the court or other judicial or quasi-judicial tribunal might adjudge reasonable as attorney fees and/or legal or other costs, in addition to any sum awarded as damages or as a cost or disbursement permitted by statute or rule.

7.7. Liability Limitation

- a. *NRS Chapter 41*: The County will not waive and intends to assert available NRS Chapter 41 Limitations in all cases.
- b. *Punitive Damages*: Contract liability of either party shall not be subject to punitive damages.
- c. *Third Party Non-Compliance*: County shall not be liable to Lessee for any act or conduct, including unlawful conduct, by any Airport tenant, user, contractor, or other third party, unless otherwise expressly provided herein. Lessee shall not be a third-party beneficiary of any contract between the County and another; nor shall County have any duty to Lessee to enforce any such contract.
- d. *County Liability*: Except as might be caused by the gross negligence or willful misconduct of Airport, County shall not be liable to Lessee for any injury or damage

whatsoever that might result to any person or property by or from any cause whatsoever. Under no circumstance shall County ever be responsible for incidental, punitive, or consequential damages to Lessee, regardless of how such damages arise or are incurred by Lessee. Except as otherwise expressly provided herein, County shall not be liable to Lessee, its officers, directors, managers, members, shareholders, agents, invitees and/or licensees for any loss or damage caused by, resulting from, arising out of, relating to or in connection or conjunction with the interruption or cessation of Lessee's activities or operations hereunder.

7.8. Interpretation

- a. The wording of this Lease shall be construed simply, according to its fair meaning, and not strictly for or against either party. There shall be no presumption for or against the drafter in interpreting or enforcing this contract.
- b. References to Articles, Sections, Paragraphs or Exhibits are to articles, sections, paragraphs or exhibits hereof or hereto, unless otherwise specified.
- c. "Hereby," "herein," "hereof," "hereto," "hereunder" and similar words refer to this Lease.
- d. Words denoting persons include firms, partnerships, corporations, associations, trusts, and other legal entities, as well as natural persons.
- e. Headings preceding the text of sections, any cover page, table of contents, index and/or marginal notes are solely for convenience of reference, and are not parts of this Lease nor affect its meaning.
- f. Words importing the singular include the plural and vice-versa.
- g. Where general wording and specific wording appear to conflict, the specific shall take precedence over the general.
- h. References or citations to legislative acts, statutes, administrative regulations, and the like are to such acts and the like in their form as of the commencement of the Term, and as they might be amended, recodified, or supplanted.
- i. The various Articles, Sections, Paragraphs, Exhibits, clauses, and terms shall be read and construed together, to avoid ambiguity or contradiction where logically possible.
- j. If any Article, Section, Paragraph, clause, or term is deemed, by any court or other judicial or quasi-judicial tribunal having jurisdiction, to be illegal, invalid, or unenforceable, it shall be severed from the remainder of this Lease, which shall remain in full force.

7.9. Governing Law & Jurisdiction

This Lease was entered and shall be performed in the County of Douglas, State of Nevada, and the laws of the State of Nevada and Douglas County, Nevada shall govern the rights and duties of the parties and the interpretation of this Lease. Any action, claim or dispute, or other legal issue regarding this Lease shall be resolved first by mediation, with a mediator selected by mutual agreement of the Parties. Should the mediation not result in a resolution, then the dispute may be litigated in a court of competent jurisdiction in Douglas County Nevada.

ARTICLE 8: End of Lease

8.1. Expiration, Termination & Surrender

- a. *Expiration*: This Lease shall expire at the end of the Term, which includes the Option Term if properly exercised. Upon Expiration, Lessee shall have no further right hereunder, except as otherwise expressly provided herein. No notice of expiration of the Term shall be necessary.
- b. *Termination*: Upon termination, Lessee shall immediately surrender the Premises to County, which may recover the following amounts from Lessee:
 - i. Any unpaid fees or charges accrued through the date of termination; and
 - ii. Any costs incurred by County to enforce this Lease or incurred in retaking possession of the Premises, including court costs, attorney fees, other legal expenses.
- c. *Not Termination*: Acts by the County, such as acts of maintenance, efforts to procure a new lessee or other user for the Premises, or the appointment of a receiver or similar person on County's initiative to protect County's interests hereunder shall not constitute a termination of Lessee's rights or obligations hereunder.
- d. *Surrender*: Upon Expiration, or earlier termination, Lessee shall peaceably surrender use of the Premises in good condition, reasonable wear and tear, acts of God and other casualties excepted, and County may effect that surrender by any lawful means. Consistent with the other provisions within this section, upon Expiration or Termination:
 - i. Lessee shall thereupon have no further rights to access the Premises, except as otherwise expressly provided herein.
 - ii. County may remove any abandoned Trade Fixtures or other personal property from the Premises.
 - iii. County may remove any Improvements upon the Premises.
 - iv. County may otherwise direct the disposition of Improvements, Trade Fixtures or Personal Property upon the Premises.

- v. Lessee shall remain liable to County for any loss or damage on account of any holding over against County's will after the expiration or termination of this Lease, whether such loss or damage may be contemplated at this time or not.
- a. *Trade Fixtures & Improvements*: Consistent with the terms of this Lease, Lessee shall, prior to Expiration or Termination of this Lease, promptly dismantle and remove its Trade Fixtures and personal property from the Premises and Airport, provided that, if the Premises are damaged by reason of, or in the course of, the removal thereof, then Lessee, at its cost, shall promptly repair any and all such damage and restore the Premises to its condition prior to the commencement of Lessee's use thereof, any reasonable wear and tear excepted. In particular, but without limitation, County may, at its discretion, direct Lessee to remove, at Lessee's cost, any and all underground storage tanks or above-ground tanks used for the handling of fuel, oil, or other petroleum products, and to remediate the Premises and/or any other area of Airport which might require or warrant remediation relating to Lessee's possession and/or use thereof.
 - vi. The failure to remove Trade Fixtures shall not constitute an extension or holdover of the Term. If Lessee fails so to remove its Trade Fixtures or Improvements (as directed) or to restore or remediate the Premises, then County may, at its discretion, perform or have performed that removal and restoration, and Lessee shall reimburse County the cost thereof, plus an administrative charge of fifteen percent (15%). County shall not be liable to Lessee for any loss of or damage to the Improvements or any Trade Fixture as a result of its exercise of its rights hereunder.
- b. *Abandonment*: Trade Fixtures or other property remaining on the Premises after termination shall be deemed abandoned, unless Lessee has notified County in writing that Lessee intends to remove the property within ten (10) calendar days after termination, in which case the Trade Fixtures or other property remaining on the Premises shall not be deemed abandoned until the tenth (10th) calendar day after termination.
- c. *Cooperation*: Upon the expiration or earlier termination of this Lease, Lessee shall cooperate with County and with any succeeding lessee or other user in the transition of possession of the Premises from Lessee to such successor.

8.2. Termination by Lessee

If Lessee is not in Default, then Lessee may terminate this Lease by delivering written notice to the County ninety (90) calendar days in advance of Lessee's intent to terminate, provided that:

- a. A court of competent jurisdiction, the FAA, or other federal agency has issued an order or injunction specifically applicable to Lessee or the Premises that prevents or restrains Lessee's otherwise lawful and permissible use of the Premises, and such

injunction has remained in effect for a period of at least ninety (90) calendar days;
or

- b. The County has failed to perform an obligation when due under this Lease, and the County fails to cure or to commence duly diligent efforts to cure such default for a period of thirty (30) calendar days after receipt of Lessee's written notice to cure the breach; or
- c. The United States of America or any authorized agency thereof assumes the operation, control, or use of the Premises, or any substantial part thereof, in such a manner as substantially to restrict Lessee, for a period of at least ninety (90) calendar days, from operating thereon.

8.3. Lessee Default

Upon Lessee's Default, County will provide Lessee with a written "Notice of Default," stating the basis of the Default and providing a method for Lessee to appeal the determination. Lessee shall be deemed to be in Default if:

- a. *Noncompliance (first or second offense)*: Lessee is Noncompliant, and (if it is Lessee's first or second instance of Noncompliance) Lessee fails to cure such noncompliance for a period of more than 30 days after receiving an Initial Notice of Noncompliance from the County. Lessee shall be deemed to be Noncompliant if:
 - i. Lessee fails to perform any duty, or to satisfy any obligation, as required by this Lease or the Airport Documents;
 - ii. Lessee causes or permits any activity that is violative of this Lease or other Airport Documents, to occur on the Premises or at the Airport; or Lessee engages in any act or omission that is prohibited by the terms of this Lease or other Airport Documents.
 - iii. Lessee fails to perform any duty, or satisfy any obligation, as required by Douglas County Code; state, local, or federal law; or as required by any other rule or regulation imposed by any governmental entity with jurisdiction over the Leased Premises.
 - iv. Lessee is a business entity and fails to maintain active registration as a business entity with the Nevada Secretary of State.
 - v. Lessee fails to provide the Airport Manager documentation or other evidence of Lessee's compliance with the terms of this lease after the Airport Manager has requested such evidence.
- b. *Noncompliance (after second offense)*: Lessee is Noncompliant and has been Noncompliant on at least two prior occasions.

- b. *Safety Violation*: Lessee creates or permits a Safety Violation, and Lessee fails to diligently pursue remedial efforts within 24-hours of County's Initial Notice of Safety Violation. A Safety Violation includes any of the following:
- i. If Lessee permits to continue, for a period of more than six (6) calendar days, the existence of an unsanitary condition at, on, in, around or about the Premises or Airport, provided that such condition was caused by, resulted from, or arose out of or in connection or conjunction with, the activities of Lessee.
 - ii. If Lessee permits to continue, for a period of more than ten (10) calendar days, the existence of any condition that is violative of the International Fire Code, as adopted and incorporated into the Douglas County Code.
 - iii. If Lessee permits the Premises to be vacated for a period exceeding ten (10) calendar days without providing the County with advanced written notice.
 - iv. If Lessee fails to properly store or secure hazardous materials, including petroleum products.
- c. *Lease Transfer*: Lessee causes, or fails to prevent, the assignment, transfer, passing, or divestment of any of Lessee's rights or obligations under this Lease, unless the Board of County Commissioners has given prior written consent to such transaction. Default under this provision shall include:
- i. Any assignment or transfer by court order or by a third party.
 - ii. The appointment of a receiver, trustee, liquidator, or similar figure (pertaining to Lessee's property upon the Premises or Lessee's interest in the Lease) in any legal proceeding.
- d. *Federal Direction*: The United State of America (through the FAA or any other agency with oversight over the Airport) takes administrative or legal action to enforce any nondiscrimination covenant of this Lease, or to enforce any other provision of this Lease, other Airport Documents, or federal law, and directs the County to terminate this lease pursuant to the final decision in that matter.
- e. *Unlawful Activities*: Lessee causes or permits any unlawful activity, to occur upon the Premises or elsewhere on Airport property; or Lessee engages in any unlawful activity upon the Premises or elsewhere on the Airport.
- f. *Untruthfulness*: Lessee makes any representation to the County regarding Lessee's compliance with this Lease, other Airport Documents, or applicable laws, and that representation is not true.

If Lessee is a business entity, then any act or omission by any of its officers, directors, managing members, or other individuals acting on its behalf, will be attributed to Lessee as though Lessee itself committed the act or omission.

8.4. County Remedies

Upon Default by Lessee as described in this Lease, County may exercise any Remedy (or combination of Remedies), set forth herein or which is provided at law or equity. Thirty (30) calendar days after County's written Notice of Default is delivered to Lessee:

- a. County may terminate this Lease for cause, by delivering a Notice of Termination; and such termination shall be effective immediately on the date that the Notice of Termination is delivered, unless a later date is specified in the notice.
 - i. Except as set forth herein, if Lessee cures the Default after the County delivers the Notice of Default, the County may, but is not required to, waive its right to proceed to Termination.
- b. If, in the County's sole discretion, the County determines that Lessee's Default can be cured in a reasonable amount of time and that Lessee's continued tenancy is in the best interest of the Airport, County may expressly permit Lessee to engage in remedial efforts for a period to be determined by County. If the Default is cured within the determined period, then the cured Default shall not be used as a basis to terminate this Lease; provided, however, that the cured Default may later be used as evidence of Lessee's Noncompliance on a prior occasion. If the Default is not cured within the determined period, then County may immediately terminate this Lease.
- c. If County Terminates this Lease, then Lessee's right to the Premises is automatically Terminated unless the Parties otherwise agree in writing and County may exclude Lessee from the Premises by any lawful means.
- d. County may grant rights to possess or use all or any portion of the Premises to one or more third-parties for Lessee's account. In so doing:
 - i. County shall use reasonable efforts to mitigate its damages, and
 - ii. Lessee shall be responsible to County for any and all costs incurred by the County in conjunction with County's efforts; and
 - iii. Lessee remain responsible to County for the payment of fees and other charges due hereunder on the dates due as set forth herein, less any net revenues accruing to County as a result of any grant of rights to a third person; and

- iv. No act by County under this Paragraph shall terminate this Lease unless County so notifies Lessee, in writing, that County elects to terminate this Lease.
- e. The County may have a receiver appointed to collect fees and other charges payable to Lessee and/or to conduct Lessee's operations on the Premises. The County's act of filing a petition for the appointment of a receiver nor the consequent appointment of a receiver shall constitute an election by County to terminate this Lease unless otherwise specified by County in writing.

ARTICLE 9: Lease Transfers, Assignments and other Transactions

9.1. Assignment, Transfer and Subleasing

- a. *County Permission Required:* Except as otherwise expressly provided herein, Lessee shall not, in any manner, assign, transfer, sublease, or otherwise convey an interest in this Lease, nor sublease the Premises or any part thereof, without the prior written consent of County, which consent shall not be unreasonably withheld. Further, Lessee shall not pledge, oblige, encumber, or otherwise obligate this Lease, the Premises, Airport, or its interest therein, by any security interest, pledge, note or any other instrument in the nature thereof.
 - i. If Lessee desires to assign, transfer, sublease or otherwise convey an interest in this Lease, then Lessee shall submit to the County a written request for consent. The written request shall be completed in accordance with the Airport's Leasing Policy that is in effect at the time of the request.
 - i. The request shall be accompanied by a non-refundable administrative Lease Processing Fee. The Lease Processing Fee is set by the Board of County Commissioners by Resolution.
 - ii. The request shall also be accompanied by a digital, editable copy of Lessee's proposed assignment, transfer or sublease agreement.
 - iii. The County will evaluate the request in accordance with the Leasing Policy that is in effect at the time the completed request (including payment) is received by the County.
 - iv. The County may request additional information from Lessee regarding the proposed assignment, transfer or sublease.
 - v. The County may deny consent if it determines, in its sole discretion, that Lessee has not demonstrated that the proposed assignee, transferee, or sublessee is qualified in accordance with the Leasing Policy.
 - vi. The County may require amendments to Lessee's proposed assignment, transfer, or sublease agreement prior to consenting to the transaction.

- b. *Corporate Transactions*: If Lessee is a business entity, then any transfer of Lessee's stock, membership interest, or similar change of ownership shall be deemed an assignment and therefore subject to the terms of this Article, unless (1) there is no change in management personnel, and (2) Lessee retains at least 51% of the ownership interest.
- c. *Bona Fide Lenders*: Lessee must obtain the County's prior written consent in order to give, assign, transfer, mortgage, hypothecate, grant control of or encumber Lessee's interest under this Lease, and the leasehold estate so created, to a bona fide lender, a state or federally chartered lending institution, or a chartered insurance company or pension fund, on the security of the leasehold estate. If the County's consent is given, then Lessee may sign any and all instruments in connection therewith necessary and proper to complete such loan and perfect the security therefor to be given to such lender. One (1) copy of any and all such security devices or instruments shall be filed with County no later than seven (7) Business Days after the effective date thereof, and Lessee shall give County written notice of any change or amendment thereto. Any such encumbrance holder shall have the right, at any time during the time of the loan and while this Lease is in full force and effect, to do any act or thing required of Lessee in order to prevent a forfeiture of Lessee's rights hereunder, and all such acts or things so done shall prevent a forfeiture of Lessee's rights hereunder as if done by Lessee.
- d. *County's Fee Interest*: County will not subject its fee interest to the lien of any leasehold financing obtained by Lessee hereunder. County's fee interest shall be superior and prior to Lessee's leasehold interest.
- e. *Foreclosure*: Provided that Lessee complied with the requirements of Title 9 of this Lease, and provided that County had the first right of refusal to reacquire the Leased Premises, the County's written consent will not be required for:
 - i. A transfer of this Lease as the result of a sale under the power of sale or at a judicial foreclosure or a deed or assignment to the encumbrance holder in lieu of foreclosure.

9.2. Lessee's Responsibility for Third-Parties

Lessee understands and agrees that it is responsible for the conduct, actions, and omissions of itself, its agents, invitees, licensees, contractors, employees, representatives, and members (collectively "LTPs"). To the extent that Lessee is prohibited from engaging in any conduct or action under the terms of this Lease, such prohibition applies also to Lessee's LTPs. Lessee's failure to prevent its LTPs from engaging in prohibited conduct will be viewed as though Lessee, itself, engaged in such prohibited conduct. Lessee further understands that:

- a. Lessee shall be responsible and liable for any and all actions or omissions by any of its LTPs, and such responsibility and liability shall extend as if those actions or omissions were committed by the Lessee itself.

- b. Lessee is and will remain responsible to all parties for its acts and omissions and the acts and omissions of its LTPs, and County will in no way be responsible therefor. Lessee shall retain sole responsibility for safeguarding persons and property and its activities on Airport, including the Premises, at its sole cost, expense and liability.
- c. Lessee shall operate, and shall require LTPs to operate, in a safe, lawful, prudent, and professional manner, in accordance with all applicable regulations currently in effect and as they might be amended, and pursuant to directives issued by County in connection therewith. As applicable, Lessee shall make available to its LTPs copies of County's Airport Operations Manual, Airside Driving Rules and Regulations, Airport Rules and Regulations, and other applicable regulatory and procedural information.

ARTICLE 10: Governmental Conditions

10.1. Airport Requirements

The Airport receives grant funding from the Federal Aviation Administration, and is therefore subject to requirements set forth in the FAA's "Airport Sponsor Assurances." In consideration of the foregoing and of the promotion of civil aviation in general, the Parties agree as follows:

- a. *Right of Flight:* County reserves unto itself, its successors in interest and assigns, for the use and benefit of the public, the right of flight for the passage of aircraft in the airspace above the surface of the Premises. This right of flight shall include the right to cause in that airspace such noise, vibrations, dust, fumes, heat, wind, air movement and similar phenomena as might be inherent in the operation of any aircraft now known or hereafter used for navigation or flight through that airspace for landing at, taking off from or operating on or at Airport.
- b. *No Exclusive Rights:* Nothing in this Lease shall be construed as granting or authorizing the granting of an exclusive right within the meaning of the Federal Aviation Act of 1958, as applicable.
- c. *Height Restriction:* Lessee shall not erect nor permit the erection of any structure or object, nor permit the growth of any tree, above the mean sea level elevation applicable to the most critical area of Airport, in accordance with 14 C.F.R. Part 77. If this Part is breached, County may enter the Premises and remove the structure or object or cut the tree, all of which shall be at Lessee's cost.
- d. *Subordination of Lease:* The Parties agree that this Lease shall be subordinate to the terms of any instrument or document under which County acquired the Airport land or improvements thereto, of which the Premises are a part, and shall be given only such effect as will not conflict nor be inconsistent with such terms. This Lease shall be subordinate to the terms of any existing or future contract between County and the United States of America relating to the development, operation or

maintenance of Airport, the entering of which has been or might be required as a condition precedent to the expenditure of federal funds for the development of Airport. Such contract documents are public records and may be requested by Lessee at any time in accordance with NRS Chapter 239.

- e. *Nondiscrimination*: Lessee, for itself, its representatives, successors in interest, and assigns, as a part of the consideration hereof, agrees, as a covenant running with the land, that (a) no person, on the ground of race, color, sex or national origin, shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of the Premises; (b) in the construction of any improvements on, over or under the Premises and the furnishing of services thereon, no person, on the ground of race, color, sex, or national origin, shall be excluded from participation in, denied the benefits of or otherwise subjected to discrimination; and (c) Lessee shall use the Premises in compliance with all other requirements of Title VI of the Civil Rights Act of 1964, 14 C.F.R. 152 and 49 C.F.R. Part 21, Subtitle A, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation, and as Title VI and those Parts might be amended.
- f. *Nondiscrimination*: Lessee shall not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, sexual orientation, gender identity or expression, or age.
- g. *Disadvantaged Business Enterprises*: 49 C.F.R. Part 23, Disadvantaged Business Enterprises (DBE), and as it might be amended, and other similar regulations which might be enacted, might apply to Lessee's activities hereunder, unless exempted by those regulations. Lessee shall comply with the applicable regulatory agencies in reference thereto. The requirements of these regulations include, without limitation, compliance with DBE participation goals, the keeping of certain records of good faith compliance efforts, which would be subject to review by the various agencies, the submission of various reports and, if so directed, the contracting of specified percentages of goods and services contracts to DBEs.
- h. *Americans With Disabilities Act*: 49 C.F.R. Part 27, "Nondiscrimination on the basis of disability in programs or activities receiving Federal financial assistance," and as it might be amended, all applicable rules and regulations of the Department of Transportation and the Department of Justice for airport operators, all applicable Air Carrier Access Act rules (14 C.F.R. Part 382, "Nondiscrimination on the basis of disability in air travel") and such other similar regulations that might be enacted, might apply to Lessee's activities hereunder, unless exempted by those regulations. Lessee shall comply with the regulatory requirements relating thereto, which compliance might include, but not be limited to, designating a coordinator pursuant to Section 504 of the Americans With Disabilities Act, participating in complaint procedures, conducting self-inspections, receiving input from organizations of persons with disabilities and participating in efforts to improve program and structural accessibility. These efforts might be subject to review by the various

responsible agencies, the submission of various reports and, if so directed, the offering of specified services to support the equitable access and use of Airport and air transportation by persons with disabilities.

- i. *National Emergency*: This Lease shall be subject to whatever right the United States of America now has, or in the future might have, affecting the control, operation, regulation and taking over of the Airport, or the exclusive or nonexclusive use of Airport, by the United States during time of war, whether declared by the United States Congress or not, other military action, national emergency or the like.

10.2. Certifications

Lessee certifies, to the best of its knowledge and belief, that:

- a. *Anti-Lobbying*: No federally appropriated funds have been paid or will be paid, by or on behalf of Lessee, to any person for influencing or attempting to influence an officer or employee of any federal agency or a member, officer or employee of Congress, in connection with the award, making or entering of any federal contract and/or the extension, continuation, renewal, amendment or modification of any federal contract.
 - i. If any funds other than federally appropriated funds have been or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency or a member, officer or employee of Congress, in connection with any federal contract relating to this Lease, then Lessee shall complete and submit Standard Form-LLL, Disclosure of Lobby Activities, or as it might be revised or supplanted.
 - ii. Lessee shall require the inclusion of this certification language in the award documents for all sub-awards at all tiers, and shall require all sub-recipients to certify and disclose accordingly.
- b. *Citizenship (Ownership)*: Lessee is not owned nor controlled by one or more citizens or nationals of a foreign country included in the list of countries that discriminate against United States business entities, published by the Office of the United States Trade Representative or any successor thereto;
- c. *Citizenship (Contract)*: Lessee has not knowingly (after diligent investigation) entered into any contract or subcontract hereunder with a contractor that is a citizen or national of a foreign country on that list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on that list; and has not procured any product or subcontracted for the supply of any product, for use hereunder, that is produced in a foreign country on that list.
 - i. Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 C.F.R. Part 30.17, no contract shall be awarded to any party hereunder that is unable to certify to the above. If

Lessee knowingly procures or subcontracts for the supply of any product or service of a foreign country on that list for use hereunder, the FAA may direct, through County, cancellation of such contract, at no cost to the United States of America or the County.

- ii. Lessee shall ensure the incorporation by reference of this provision for certification, without modification, in each contract and in all subcontracts. Lessee may rely upon the certification of a prospective subcontractor unless it has knowledge that the certification is erroneous. Lessee shall provide immediate written notice to County if it learns that a prospective contractor's certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances, and shall require its contractors and their subcontractors to provide immediate written notice to County and Lessee if such contractor or subcontractor learns that its certification was erroneous or has become so by reason of changed circumstances.

These certifications are a material representation of fact upon which County relied when entering this Lease. If it is determined that Lessee or any contractor or subcontractor thereof knowingly rendered an erroneous certification, the FAA may direct, through County, termination of the contract or subcontract, at no cost to the United States of America. Nothing contained herein shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of Lessee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Lessee acknowledges and agrees that these certifications concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious or fraudulent certification might render the maker subject to prosecution under 18 U.S.C. Section 1001.

10.3. Federal Review

This Lease is subject to any applicable review by the FAA, the TSA and/or any other federal agency having jurisdiction, to determine compliance with federal law and any preexisting contractual requirements associated with the airport's eligibility for federal grant funding, and shall be in full force and effect pending such review and approval by the FAA, the TSA or other agency. Upon such review, the parties shall modify any term hereof which might be determined to be in violation of the foregoing requirements.

Agencies having jurisdiction over Airport, County, the Premises or Lessee might promulgate, enact or implement regulatory or other legal changes. Lessee shall be responsible for obtaining all Notices of Proposed Rule Making and/or similar documents directly from such agencies. County may, but shall not be obligated to, provide notice of proposed changes, but nothing contained herein shall render this provision unenforceable by virtue of Lessee's failure to receive notice of proposed changes.

ARTICLE 11: General Provisions

11.1. Representations and Warranties

Except as otherwise expressly provided herein, no representation nor warranty, whether oral or written, express or implied, made before, upon or after the signing hereof, shall be incorporated herein or otherwise modify the terms hereof.

a. As to Lessee:

- i. Lessee represents and warrants that Lessee has the skill, experience, expertise and other resources necessary to possess, develop, use and maintain the Premises, and otherwise perform its obligations hereunder, in a First-Class manner, acceptable to County at its discretion, throughout the Term and any holdover, compliant with all terms hereof;
- ii. Lessee represents and warrants that Lessee has or can seasonably procure adequate financing, including insurance and bonds as required, to plan, design, install, maintain, possess and use the Premises and any Improvements thereupon, including the procurement of all necessary approvals, permits and other authorizations from any entity having jurisdiction over the Premises and the keeping of adequate reserves for their maintenance and repair as provided herein; and
- iii. Lessee represents and warrants that Lessee has had a full and fair opportunity to review this Lease, all Airport Documents, and laws or regulations pertaining to its use or development of the Premises. Lessee's review included the opportunity to consult with an attorney of Lessee's own choosing. Lessee understands and agrees to abide by the foregoing.
- iv. Lessee represents and warrants that, as of the signing hereof, Lessee's possession and intended use of the Premises do not conflict with the Master Plan, and/or any other plan currently in effect for Airport. Lessee represents that it will not make any use of the Premises which would be in conflict with the Master Plan or any other Airport Document.

b. As to County:

- i. County represents and warrants that it owns the Premises and is capable of demising them to Lessee; and

shall have no obligation to repair, maintain, renovate or otherwise incur any cost or expense with respect any area of the Airport.

Subject to its annual budget priorities, personnel, and federal funding availability, County will maintain the runways, taxilanes and other airfield areas as part of its standard, regular airside pavement maintenance program. This responsibility shall not be deemed as limiting the County's ability to recover damages from Lessee or other parties who have damaged or otherwise necessitated maintenance or repairs to the Airport facilities. County may, at its discretion or as required by law, further develop and/or improve Airport and/or any portion or area thereof, and take such action as it deems necessary or advisable at its discretion to develop the Airport, regardless of the desires or view of Lessee and without interference or hindrance from it, except as otherwise expressly provided herein. County's right to develop and improve Airport includes development, construction or installation of facilities, structures or other Improvements. County has no duty to Lessee or any Sublessee to develop or improve Airport.
- v. *Special Events:* County may, at its discretion, conduct or host special activities or events near or about the Premises or elsewhere at or about Airport. County shall not be liable to Lessee or any Sublessee for any actual or alleged cost or loss, including, but not limited to, any actual or alleged loss of revenue or good will, caused by, resulting from, arising out of, relating to or in connection or conjunction with such special events.
- vi. *Master Plan:* County, its officers, agents and employees shall not be liable for any effort or action toward implementation of the current or any future airport master plan, airport layout plan, or other similar plan; Lessee waives any right to claim damages or other compensation arising from such effort or action.

11.2. Notice

- f. *No Waiver*: No waiver of breach or default by either party of any term herein to be performed by the other shall be construed as, or operate as, a waiver of any prior, contemporaneous or subsequent breach, noncompliance, or default of any term herein to be performed by the other party.
- g. *Relationship of Parties*: Nothing contained herein shall be deemed or construed by County or Lessee as creating the relationship of principal and agent, partners, joint venturers or any other similar such relationship between them. Neither the method of computation of fees and charges, any other provision contained herein nor any

act of County or Lessee shall create a relationship other than that of lessor and lessee. In particular, but without limitation, and consistent with Section 8.04, County shall have no duty under this or any other lease to or contract with Lessee, except as otherwise expressly provided therein, to protect Lessee from acts or omissions of any third party, whether or not such third party has any contract with County allowing it to transact business and/or otherwise operate at, on, about or to and from Airport.

No broker's commission or fee, finder's fee, referral fee or other similar amount shall be paid, owed or accrued, directly or indirectly, in connection herewith, as a result hereof or in relation hereto.
- k. *Signature Authority*: Each natural person signing this instrument, for or on behalf of a legal entity party hereto, represents, warrants, assures and guarantees to the other such natural person, and to the other such legal entity, that he or she is duly authorized and has legal power and/or authority so to sign.
- l. *Force Majeure*: Neither party shall be liable to the other for any failure, delay or interruption in performance caused by circumstances beyond its control including, but not limited to, war, whether declared by the United States Congress or not, other military action, national emergency, terrorism, government shutdown, civil disobedience or unrest, natural disaster, Act of God, strike, boycott, picketing, slowdown, work stoppages or labor matters of any other type, whether affecting either party, its contractor or subcontractor, such circumstances also including, but not limited to, any laws or regulations of the United States of America and/or any request or directive of the Department of Homeland Security, the TSA, the FAA or any other federal agency relating to aviation security.
 - i. Lessee understands that there are regulatory and other legal risks inherent in operating at an airport which is subject to federal law and to requirements of the airport's owner or operator, such as County, developed in accordance therewith. No abatement, reduction, diminution or forgiveness of Rent shall attach as a result of the enactment, promulgation and/or enforcement of any

such law or the like including, but not limited to, any closure of the Airport. No abatement, reduction nor diminution of Rent or any other amount owed Airport by Lessee shall be allowed for any inconvenience, interruption, cessation or loss of business or other loss to Lessee, caused by any present or future law of the United States of America, any state, county, municipality or other public entity, by priorities, rationing or curtailment of labor or materials, or by any cause set forth under "Force Majeure," above.
