### **SECTION A**

### **GRANT CONDITIONS AND ASSURANCES**

### **General Conditions**

- Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of
  employer/employee between the parties. The Recipient shall at all times remain an "independent contractor" with respect to the services to be
  performed under this Agreement. The Department of Health and Human Services (hereafter referred to as "Department") shall be exempt from
  payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance as the Recipient
  is an independent entity.
- The Recipient shall hold harmless, defend and indemnify the Department from any and all claims, actions, suits, charges and judgments whatsoever that arise out of the Recipient's performance or nonperformance of the services or subject matter called for in this Agreement.
- 3. The Department or Recipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, and signed by a duly authorized representative of both organizations. Such amendments shall not invalidate this Agreement, nor relieve or release the Department or Recipient from its obligations under this Agreement.
  - The Department may, in its discretion, amend this Agreement to conform with federal, state or local governmental guidelines, policies and
    available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of
    the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both
    the Department and Recipient.
- 4. Either party may terminate this Agreement at any time by giving written notice to the other party of such termination and specifying the effective date thereof at least 30 days before the effective date of such termination. Partial terminations of the Scope of Work in Section B may only be undertaken with the prior approval of the Department. In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, reports, or other materials prepared by the Recipient under this Agreement shall, at the option of the Department, become the property of the Department, and the Recipient shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.
  - The Department may also suspend or terminate this Agreement, in whole or in part, if the Recipient materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein; and the Department may declare the Recipient ineligible for any further participation in the Department's grant agreements, in addition to other remedies as provided by law. In the event there is probable cause to believe the Recipient is in noncompliance with any applicable rules or regulations, the Department may withhold funding.

### Administrative Expenses or Federal Indirect Cost Rate (FICR)

Administrative expenses and FICR are to be used to help cover expenses that are not easily assignable to a specific program or unit within an organization. These costs are associated with depreciation and use allowances, facility operation and maintenance, general administrative expenses such as accounting, payroll, legal and data processing, and any personnel not providing direct services to the project. If requested, the expenses are limited to the maximum rate listed below, depending on the funding source and existence of an FICR percentage of the direct project costs requested from ADSD. Once a funding source is assigned to an approved subaward, the allowable rate will apply, and a budget revision may be required if excess expenses are included. Indirect/administrative expenses do not apply to fixed-fee subawards or portions of subawards. Indirect expenses must be applied using the agency's Federal Indirect Cost Rate (FICR) or Modified Total Direct Costs (MTDC) which excludes capital expenditures and items such as pass-through funds, major subcontract(s) etc. over the first \$25,000 in that category, as applicable Reference the Grant Instructions and Requirements GIR-20-12.

Choose ONE type of rate according to funding source and provide calculation or explanations:

- 1 State Funding (ILG Only), 8%
- 2. Federal/Other State Funding: 10% de minimus
