2. for ingress and egress to, from, over and across the Easement Area for the allowed purposes defined in numbered paragraph 1 above and for all other activities permitted by this agreement;
3. to remove, clear, cut or trim any obstruction or material (including trees, other vegetation and structures) from the surface or subsurface of the Easement Area as Grantee may deem necessary or advisable for the safe and proper use and maintenance of the Underground Utility Facilities or the Additional Utility Facilities within the Easement Area.

Grantee may use this easement to provide service to any of its customers.

To the fullest extent permitted by law, Grantor and Grantee waive any right each may have to a trial by jury in respect of litigation directly or indirectly arising out of, under or in connection with this Grant of Easement.
