**GRANT OF EASEMENT**

Jack L. Harrington and Catherine Cecilia Harrington, as Trustees of The Harrington Family Trust dated March 21, 1989, ("Grantor"), for One Dollar (\$1.00) and other good and valuable consideration – receipt of which is hereby acknowledged – and on behalf of itself and its successors and assigns, grants and conveys to Spectrum Pacific West, LLC ("Grantee") ("Operator") and its successors and assigns a perpetual right and easement:

1. **GRANT OF EASEMENT.** Grantor hereby grants to Operator, its successors and assigns, an irrevocable easement to the Property (as defined in Exhibits A and A-1) or portion thereof as may be described in Section 2 (the "Easement") for the installation, maintenance, operation, improvement, removal and repair of Operator's cable television system and/or other communications facilities, including, without limitation, lines, cables, amplifiers, nodes, utility cabinets, and other electronic equipment (collectively, the "Facilities"). Grantor hereby agrees that the Facilities shall remain the property of Operator, and are removable at Operator's option. The Easement shall include the right of ingress and egress to the Property for the purpose of installation, maintenance, operation, improvement, removal and repair of the Facilities during normal working hours or any other time, day or night, in the event of an emergency situation which, in Operator's reasonable determination, affects the normal operation of the Facilities. Grantor warrants that it has title to the Property and that Operator shall have peaceable enjoyment of such Easement. Operator will not remove underground cables or underground lines during the term of the Easement Agreement or at the expiration of the Easement Agreement. Easement shall not extend beyond the roadway, known as The Back Road.

2. **PROPERTY.** Grantor's property is situated in Glenbrook, County of *Douglas*, State of Nevada (the "Community") with a street address of 2070 The Back Road (the "Property"). A legal description of the Property in which the Easement has been granted is set forth on Exhibits A and A-1, which are attached hereto and by reference made a part hereof.

APN(s): 1418-11-201-002

3. **REPAIR.** Operator shall repair to the reasonable satisfaction of Grantor any structure, fence, paving, landscaping or other part of the Property which is materially altered or damaged during the installation, maintenance, repair or removal of the Facilities in the Easement.

4. **ASSIGNMENT.** Operator may assign this Easement Agreement to any entity or individual that is a successor to Operator as a cable communications franchisee in the Community. No consent to such assignment is required from Grantor.

5. **TERM.** This Easement Agreement shall remain in full force and effect for so long as Operator (or its successors-in-interest) holds a cable communications franchise or other right to provide communications services in the Community. In the event of a dispute as to the termination date of a franchise, this Easement Agreement shall remain in force until such dispute is finally resolved. The grant of this Easement is not conditioned upon the provision of any communications service to the Property. Non-use or a limited use of this Easement shall not prevent Operator from later making full use of the Easement. This Easement Agreement may be terminated by Operator upon the giving of sixty (60) days prior written notice to Grantor and after a reasonable opportunity is provided to remove the Facilities excluding the underground cables or underground lines from the Property. Notwithstanding anything herein to the contrary, upon termination or release of this Easement, Operator may abandon any buried or underground Facilities and such Facilities shall be deemed the property of Grantor. Operator will not remove underground cables or underground lines during the term of the Easement Agreement or at the expiration of the Easement Agreement. Upon termination of this Easement Agreement, Operator shall record such documents as are necessary to terminate the Easement.

6. **NON-INTERFERENCE.** Grantor, for itself, its heirs, successors and assigns, covenants that the Property shall not be used in any manner which might interfere with or damage the Facilities, or which might interfere with the maintenance, operation or removal of the Facilities.

7. **BINDING.** The provisions and covenants contained in this Easement Agreement shall run with the land and shall bind and inure to the benefit of the respective successors-in-interest of the parties hereto.

8. **RECORDATION.** Upon completion of the installation of the Facilities on the Property, Operator may record this Easement Agreement in the real property records of the county or other local government where the Property is located.
